Message....

I am happy to learn that the Dadi Institute of Engineering and Technology has completed 10 glorious years of its existence to celebrate with visible pride its Decennial, an important milestone in the life of an Institution dedicated to the cause of imparting quality technical education. Ever since its inception, this College is in the

vanguard of upholding the high standards of professional dignity and decorum as per my knowledge goes.

DIET as an institute is rising fast in stature, ranking, memberships to premier bodies and the success of its alumni in India and abroad points out the exceptional management and leadership skills of its faculty and students.

My dear student friends I am happy in jotting a few lines for you through this college Magazine, Believe in quotes of Nelson Mandela

"I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear."

And

"Education is the most powerful weapon which you can use to change the world."

Don't feel sad because you are different from others. Every unique skill and talent has the potential to make you a superstar. Embrace your personality and unchain your inner strength. Don't forget - the one thing that all successful people have in common is that they were different than everyone around them.

I wish both the students and the institute to have a great future and wish them to cherish the 'memories'.

"We cannot always build the future for our youth, but we can build our youth for the future."
- Franklin D. Roosevelt

These words by Franklin D. Roosevelt perfectly describe the aim of my young friend Dadi Ratnakar who is the chief architect of Dadi Institute of Engineering and Technology. Beyond providing a sound education, he wishes to provide the students a holistic learning experience for life. I have been acquainted with the Dadi Family for more than 30 years. Being in close quarters with them, I observed that they have been moulding the student fraternity as Nation Builders by crafting their future.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years you spend at educational institutes would enable you to equip with leadership and managerial skills. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, to society, and to the nation.

I believe that this **Memoir 2017** provides the benchmark to the continued improvements of the college. This magazine should be a good source of guidance for faculty and coming batches of students in choosing activities of their choice. I appreciate the efforts of the Editorial team for excellently compiling the activities of DIET and disseminating through this magazine and its website.

It's a matter of great privilege and pride for us that Dadi Institute of Engineering & Technology (DIET) is coming up with the Institute Annual Magazine - MEMOIR for the Academic year 2016-2017 which will be informative and resourceful.

I am glad to know that the institute promotes Technical events, Conferences, Seminars, Creative writing, Campus activities and Extra curricular events which are an integral part of curriculum to boost the students morale and efficiency. It gives me an immense pleasure to learn that DIET is the only technical institute in the country to have fully functioning professional bodies of National and International repute which has left an indelible impression of its brand in the International arena.

The close association with the management over years has given me a unique perspective of their high level of commitment to quality education and enthusiasm towards constant academic development.

I take this opportunity to extend my warm greetings to the management for the publication of the Annual Magazine and my best wishes to the students for realizing their goals.

Prof. V.S.S. Kumar

Vice-Chancellor
Jawaharlal Nehru Technological University,
Kakinada

I am highly exhilarated to congratulate the Management, Principal, Faculty and Students of Dadi Institute of Engineering and Technology for reaching a milestone - Ten years of Existence. (Decennial Celebrations)

In order to accomplish the vision and mission, educational institutes have to put forth possible endeavors for the betterment of academic scenario in our country. I believe that education is an effective medium of social transformation which promotes self confidence and adaptability. Naturally, we feel exalted and get encouragement, looking at the bright and successful careers of our student fraternity, that subsequently benefit the society. DIET is one such institute which is shaping the modern India.

Dadi Institute has triumphantly alighted ten years of success in providing the holistic development of its students.

I appreciate the outstanding progress of Dadi Institute of Engineering and Technology over the years and wish future prospects on its onward journey of Excellence in Engineering Education.

I wish the institution to reach the helm.

DIET achieved global recognition for "Excellence in Engineering Education" during Indo Global Summit-2012 organized by the Indus Foundation, New Jersey, USA.

DIET was accoladed in 2016 with the National award - "BEST ENGINEERING COLLEGE WITH EXCELLENT INFRASTRUCTURE" during Asia Education Summit & Awards - 2016 at New Delhi on 15th March, 2016.

DIET ATTAINS INTERNATIONAL QUALITY CERTIFICATIONS

Dadi Institute of Engineering and Technology (DIET), Anakapalle which has proved its mettle many times, now has become the only institute in the state of Andhra Pradesh to be accredited with three international certifications ISO 9001:2008, ISO 14001:2004 & OHSAS 18001:2007.

The certifications were given after meticulous inspection and audit by the members of the ISO committee. ISO 9001:2008 was conferred to the college for maintaining the best quality infrastructure in the laboratories as well as in the college premises and for promoting quality education with learning objectives and outcomes.

ISO 14001:2004 was given for setting up environmental management system within the college. The assessment confirmed the active role of the college for maintaining an eco friendly environment. Activities like class discussions, Eco friendly Vinayaka idol, mass plantation, green environment etc displayed the responsibilities of the college for maintaining the pleasant environment.

OHSAS 18001:2007 certification was awarded for the college maintaining healthy, hygienic conditions along with safety measures to avoid risks at adverse conditions.

The core committee authorities of ISO said that these certifications would showcase the competencies of the institute and strengthen the confidence of the public to highlight a professional institute to provide quality and trustworthy service.

The certificate was awarded to the college in recognition for the outstanding contribution in the field of technical education the country. The committee judged on various parameters like effective teaching, the best infrastructure, placements, research and development, industry based curriculum, professional associations, Sports and Cultural activities etc. Sri Dadi Ratnakar expressed his happiness as it was the second award received by the college in the current year. He said that the college with distinguished faculty members and with excellent infrastructure proved its mettle twice in the same year.

Dr.M.Venugopal Rao, Principal said that it was the team effort. The untiring efforts of both the students and teaching fraternity has brought laurels to the institute from time to time.

DECENNIAL CELEBRATIONS 2006-16

HRD Minister Sri Ganta Srinivasa Rao
Inaugurating the Decennial Celebrations

It was really a land mark event when the morning sun became the harbingers of happiness and glee when all alumni, dignitaries, Management, principal, staff and students witnessed the grand celebrations of DIET Decennial being inaugurated by Honorable Minister of HRD, Govt of AP, Sri Ganta Srinivasa Rao garu.

The program was formally inaugurated by lighting the lamp. The jyothi of wisdom was lit with the message to dispel the darkness & ignorance, spread the knowledge, awake the heart of mankind for humanity.

In his address, the chief guest Hon'ble Minister applauded the

management for the progress made by the institute which is evident from the infrastructure developed and placements provided. He said that only few technical institutes will be able to compete in future as most of the institutes are lacking the basic amenities.

He addressed the gathering with his futuristic vision for education and conveyed the necessity of defining ones goal in life. He added that the present day Engineers need to be equipped with the knowledge of the latest technologies in their respective fields and their

implementation. Never give up your dreams and aspire for achieving greater heights was his message for the students of Dad i Institute of Engineering and Technology.

Guest of Honour, M.L.A. of Anakapalle, Sri P. Govind Satyanaryana asked the students to come out of their shell and excel globally according to the need of the hour by learning and educating the people of the area using the current technologies.

Founder Chairman of DIET, Sri Dad i Veerabhadra Rao narrated how his dream of providing technical education to the people of Anakapalli and nearby villages got transformed.

Correspondent, Sri Dad i Ratnakar said that this milestone achievement is a reminder for us to do much better in the years to come and re-dedicate ourselves to provide quality based education which enables the students to get employment.

Principal Dr.M .Venugopala Rao presented the annual report of the college.

After the inaugural function, Hon'ble HRD minister gave away the prizes to the meritorious students along with merit certificate and cash prize.

Ms. Suvarna Neeraja Devi, a physically challenged girl from second year computer science was awarded Rs. 10, 000/- in cash and a tablet for securing top marks and possessing 100% attendance.

Special Guests from Telugu Association of North America Dr Komati Jayaram ,AP Govt representative at North America, Sri Satish garu and Sri Raja Surapenani members of TANA were present as surprise guests at our Decennial Celebrations

The representatives of Alumni shared their sweet memories, the fun & frolic they had even in the dearth of basic amenities. They recollected their experiences and narrated the saga from suffering to success.

The cultural programs depicted our culture and tradition. The message of unity in diversity conveyed through the dance form was captivating and made the audience spell bound. The variety entertainment program performed by students forced the crowd to sway and thrill. The skits enacted by students were enthralling.

Vice Principal Prof. Amarendra, Diploma courses coordinator Dr.Ch. Prabhakara Rao, faculty and students participated in large numbers.

DIET ALUMNI MEET AND DECENNIAL EXPO AS PART OF DECENNIAL CELEBRATIONS

The second day of Decennial celebrations of Dadi Institute of Engineering and Technology has taken high note with the Alumni meet and decennial expo.

The alumni meet of the college was organized on December 24th, 2016 to coincide with the Decennial Celebrations. After the success of the inaugural edition few years back, this year's meet also received an encouraging response with 500 plus alumni from all batches and across all branches taking part in the event. Alumni were welcomed

at their respective Departments which were decked up for their arrival, with colorful decorations, rangolis and vibrant displays. Each Department showcased its achievements in varied but unique ways. The festive mood combined with nostalgia made a memorable reunion of the alumni and faculty, as they reminisced about their College days. Alumni shared the experiences of their journey after College and their future plans. It was also an occasion for the alumni to reconnect with each other in a leisurely atmosphere, away from the deadlines and

hectic routines of their daily lives and careers. After the Departmental interaction, alumni were taken to "A walk down memory lane" - the Decennial Expo, which traced the journey of the college, from the laying of the foundation stone to till the present day. The essence of DIET and its 10 year journey unfolded before the visitors in the form of photographs, sketches and displays, bearing testimony to the growth witnessed by the Institute. Late in the afternoon, the camaraderie and fun continued over tea and snacks,

just like the good old days and alumni were joined by faculty and Management for a photo shoot to capture the occasion for posterity. There after, alumni together with Staff members proceeded to the Prize distribution function where the stage was set for a grand continuation of the Decennial celebrations. In the august presence of the Chief Guest Member of Parliament Sri M. Srinivasa Rao and Guest of Honour renowned Lyricist, Singer, Actor, Director and Music Director Sri R.P. Patnaik, Special guest Perepa Subbarao, Chief Technical Officer of JP Morgan and other prominent dignitaries and guests, the gathering was taken back in time to the beginning of the Institute and its subsequent expansion and evolution as an organization.

Sri Perapa Subba Rao, CTO, JP Morgan

Chief Guest Sri M. Srinivasa Rao, Member of Parliament speaking on the occasion said that he is proud as an educationalist as he is in the hearts of the students. He appreciated all the faculty members who are instrumental in moulding the future citizens. He advised the students to believe in themselves and compete for the global opportunities and never ever lose hope. He also insisted the student community to aim for long time pleasures.

Guest of Honour Sri R. P. Patnaik motivated the students to win the hearts of people in every course of life as it is the only mantra that keeps us going. He felt every student is a gem provided he acknowledges his strengths. He asked the students to chase their passion to succeed in life.

Special Guest Sri Perepa Subba Rao said that only 10% of students passing out of the colleges are employable. It is due to lack of good communication skills

Founder Chairman Sri Dadi Veerabhadra Rao expressed his happiness over the alumni of DIET occupying the highest honours in their respective areas.

Correspondent Sri Dadi Ratnakar said its 10 years of dedicated effort which bore fruit makes the college to be one of the preferred destinations for technical education

Addressing the gathering, the chief guest referred the day as memorable and delightful to all the graduates as this day has brought their hopes and aspirations acknowledged. He said that they owe their success to their teachers who identified their potential and

motivated them to be what they are today. He advised the graduates to utilize their knowledge by contributing immensely to the nation.

Guest of Honour, Sri G. Sambhasiva Rao emphasized the importance of punctuality and discipline in life. He said that they are the stepping stones for the success. He explained the importance of research in technology and ongoing technological inventions to the students of DIET. He further shared his experiences to motivate the students to be innovative and develop their decision making skills in various critical situations.

In his speech Sri Dadi Ratnakar, stressed the significant role of the engineering graduates in the growth of the nation. He inspired every student about moral responsibility and their contribution for the development of the country. Further he insisted the students to utilize the incubation center, initiated by the college for their research. He not only shared his happiness but also congratulated them for their achievement in graduation. He further shared his memories about various students who proved their mettle irrespective of their discipline.

Dr. Ch.Srinivasu, Principal of DIET appealed the students to work hard to fulfill their aspirations. He stressed a line in his speech, "Learning is life long endeavour". He further said the moment the student stops his learning is the moment giving an opportunity for someone to compete with him. The Principal said, the graduation day is an occasion for the college and the graduates to reflect on their time as students and to thank those who have

supported them throughout their studies. He advised the students to maintain a balance between industrial innovation and environmental protection. He further advised the students to learn advanced technological courses to build their own career.

After the distribution of awards, the chief guest administered the pledge by the recipients about their responsibility, dedication, values to uplift the poor and down trodden people of the country. The pledge echoed the hall as it was emoted by the students from the bottom of their hearts.

Though most of the students gained their employment before receiving their graduation certificate, they attended the occasion with flying colors. Each and every student shared their experience during their graduation period at Dadi Institute of Engineering and Technology. They further expressed their happiness after receiving the graduation certificate. The photo sessions added special beauty for the celebration. Department wise, College wise, Section wise photos were taken with Joint collector, Visakhapatnam for their memories. The students thanked the correspondent for providing various facilities to acquire knowledge in a serene environment. Further they expressed their gratitude for providing a platform to prove and work in various Multi National Companies like Wipro, TCS, Infosys. The students also thanked each and every teacher, technical staff, and librarian for providing required facilities. They thanked management for providing membership in professional bodies like IEEE, ACM etc.

INTERNATIONAL CONFERENCE ON ADVANCED MATERIAL TECHNOLOGIES (ICAMT-2016)

Dr. V.N. Mani

A Two Day International Conference on Advanced Material Technologies (ICAMT-2016) in association with Professional Group of Conferences (PGC) was organized at Dad i Institute of Engineering & Technology (DIET) on 27th & 28th Dec 2016,

This conference has been one of the finest opportunities for scientists, engineers, technocrats and students from all over India and abroad to participate and to share ideas over the same days. The event was meant to enhance and update the theoretical knowledge with a number of interactive sessions.

The International Conference on Advanced Material Technologies (ICAMT)-2016 has provided youth brigade of

budding engineers and researchers to enlighten themselves and streamline with global counterparts.

Principal Dr. M.Venu Gopala Rao in his inaugural address conveyed that Conferences like ICAMT would provide a great opportunity to the academic fraternity, not only to update knowledge and keep obsessed with latest developmental scenario in their respective fields, but also an occasion for the resource persons, delegates, observers to exchange ideas and interact with each other.

Prof. Jagan Mohana Rao M. Director of PGC thanked all the authors who participated in the two day International Conference and presented papers. He said that PGC has got an agreement with Elsevier Materials Today Proceedings for this conference to publish in Special issue.

The following were the keynote speakers:

Dr. Md. Wasikur Rahman, Jessore,
Bangladesh

Dr. Md. Sallehuddin Yusof, Johor,
Malaysia

Dr. V.N. Mani, Scientist-E, Centre for Materials for Electronics Technology (C-MET), Hyderabad

Dr. Md. Sallehuddin Yusof, Department of Mechanical and Manufacturing Industry, Johor, Malaysia

Dr. Md. Zulafif Rahim, Department of Mechanical and Manufacturing Industry, UTHM, Johor, Malaysia

Dr. Md. Wasikur Rahman, Department of Chemical Engineering, Jessore University of Science & Technology, Jessore, Bangladesh

Dr. V. Pandu Ranga, School of Mechanical Sciences, IIT Bhubaneswar, Odisha

Dr. Manoj Kumar Sahu, BPUT, Odisha

STUDENT ACHIEVEMENTS

PRATHIBHA AWARD

Ms. Niddana Roopa bearing Regd No 13349-EE-039, passed out student of 2016 batch of Diploma in Electrical & Electronics Engineering, has received Prathibha award from Chief Minister of AP, Sri Mr. N. Chandra Babu Naidu garu at Vijayawada for her excellence in academics during the academic year 2013-16. She secured 93.89 % in SBTET examinations.

WORLD STUDENTS DAY
PHYSICALLY CHALLENGED
MENTALLY STRONG

The college management has felicitated the physically challenged student Mr. K Sriram of CSE department of 2016 passed out batch for securing placement in a Bangalore based Wells Fargo India Solutions Pvt Ltd, for an annual package of 5 lakhs. The management has provided a token of remembrance and a cheque of Rs 10,000 to Mr. Sairam on the eve of world students' day.

NSS VOLUNTEERS REPRESENT
JNTU-KAKINADA AT STATE LEVEL
YOUTH FESTIVAL

Volunteers of DIET NSS unit Mr. Ravi Teja (II CSE), Mr. Ashish and Mr. Jagan of (IV CIV) created a history by representing JNTU Kakinada at the state level NSS youth festival on 29th January, 2017 at Nanayya University, Rajahmundry. They were among the 22 students selected from 90 plus engineering colleges that participated in the selection process. They represented in Indian Instrument (Solo), Painting and Essay writing respectively.

FACULTY DEVELOPMENT PROGRAMME BY CAMBRIDGE

DIET in association with Cambridge ESOL organized Faculty Development Programme on 26th January, 2017.

The trainer of Cambridge ESOL Examinations, Sri Swetha Paropakari explained innovative teaching methods to teach language skills which are the need of the hour. In her interactive session she not only emphasized on Listening, Speaking, Reading and Writing Skills, but also threw light on various topics like concise, elaborate writing, fluency, reading techniques etc. Further she also enlightened the importance of Audio-Visual training, Game based training, Cognitive training through which students can learn communication skills in an easy way.

Ms. Swetha, Certified Business English Trainer, explaining the methodologies.

Sri Dadi Ratnakar expressed that the Communication skills are essential for every student in today's competitive world. He conveyed these Faculty Training Programs will equip all the teachers to know with ingenious methods to impart language skills for the students.

In his address, the Principal of the college, Dr.M.Venugopala Rao lauded the efforts of the department of English for organizing this capacity building Workshop and asked the participating faculty to keep themselves abreast with the latest teaching tools.

Prof. Babita Jain, Dean first year highlighted the importance of communication and information process in the teaching field. She also emphasized the importance of Cambridge ESOL Examinations for the faculty members and students.

Sri K.Sasidher, Asst. Prof. of English thanked the management of the college for providing a platform to conduct LSRW skills faculty development programme.

Along with Vice Principal, Prof Amarendra, the other English Language trainers attended the programme. All the 50 faculty members from various departments of the college thanked the management and the principal of the college.

A Six-DAY NATIONAL WORKSHOP ON NI LABVIEW-Engineering and Technology Practices

Chief Guest of Inaugural Mr. G.S. Smiles, HOD, Engineering Division, HPVP, BHEL

A Six-Day National Workshop on "NI LABVIEW-Engineering and Technology Practices" was conducted by the Departments of ECE and EEE in association with DIET IEEE Student Branch under IEEE Vizag Bay Sub Section from 4th to 9th of July 2016 at DIET Campus. NI Lab VIEW software is used for a wide variety of applications and industries, Lab VIEW is a highly productive development environment for creating custom applications that interact with real-world data or signals in fields such as science and engineering.

The net result of using a tool such as Lab VIEW is that higher quality projects can be completed in less time with fewer people involved. So productivity is the key benefit, but that is a broad

and general statement.

Vice-Chairman of AP Higher Education Council Prof P Vijaya Prakash speaking on the occasion opined that quality of education has improved owing to the cut-throat competition in education sector as majority of parents are preferring quality education there is a need of qualitative educational institutes. He appreciated the efforts made by DIET in providing qualitative education to the students of North Coastal Andhra Pradesh. He appealed students to aim high and said that he sees techies in DIET are in the budding stage and they have all the potential to become self sufficient and grow as future experimental scientists like C.V. Raman and APJ Abdul kalam.

Chief Guest of Valedictory Sri Vijaya Prakash, Vice-Chairman, APSCE

Chief Guest of Inaugural session Mr. G.S. Smiles, advised students to polish their skills and gain expertise in their chosen area of interest. Dr S. Lakshminarayana, Chairman IEEE Vizag Bay Sub Section was also present.

RESOURCE PERSONS:

NATIONAL INSTRUMENTS has provided us three resource persons, D. Manoj Raj, A. Prashanth and Satish Kumar who are working as applications engineers in the field of Automation and Data acquisition at VI Solutions, Bangalore,

They made students comfortable in understanding the concepts, created a workbench to work on various applications, covered vast syllabus in less time and also guided to attend various levels of exams to be conducted on this new technology called lab view by providing efficient material.

A SIX DAY WORKSHOP AT DIET ON "AUTO CAD

Department of CIVIL Engineering hosted six day workshop on AutoCAD from 28th November, 2016 to 4th December, 2016. Inaugurating the workshop **CEO of Radiant Technologies Sri S. Rajesh Babu** said that Computers have influenced every sphere of our lives in one way or other. Computer is helping us to design, analyze and manufacture the product within a short span of time. AutoCAD which is a software application for 2D and 3D computer-aided design (CAD) and drafting is being used by engineers, architects and other design professionals in their design activities. It is most widely used tool by Civil and Mechanical Engineers he added. Principal Dr. M Venu Gopal Rao said that skill development always enables students to be in the forefront to grab the opportunities and advised students to update their skills from time to time.

SIX DAY WORKSHOP at DIET ON E-CAD

A six day workshop on E- CAD (Electrical Computer Aided Design) was organized from 22nd November, 2016 to 27th November, 2016. **CEO of Radiant Technologies Sri S. Rajesh Babu**, In his address said that student fraternity should always update themselves with latest technologies. Mr. Rajesh who was also resource person for the first session said E CAD, the intelligent electronic & electrical design for engineering. PC schematic software is used in E CAD for drawing schematics for electrical wiring diagrams, Electronic circuit diagrams and also used for documentation of automation.

FACULTY AWARDED DOCTORATES

Prof. K. Amarendra, of Computer Science Department was awarded Doctorate degree by GITAM University for his thesis titled "**Safety Verification and Validation Methodology for Safety Critical Systems**".

Prof. G. Satyanarayana, of Computer Science Department was awarded Doctorate degree by GITAM University for his thesis titled "**A Framework for Safety Assessment in Safety-Critical Computer Systems**".

PLACEMENTS

The DIET Training and Placement Cell is the backbone of the institute which is committed to develop dynamism students required skills, strong human values, technocratic and good leadership qualities as per the need of rapidly changing technology, working with a strategy oriented planning. DIET continues to impart quality education with a goal to create "engineers" with strong technical knowledge and has been successful in preparing students to industry standards. The Training and Placement department fosters the best training programs with a view to equip both UG and PG students with necessary skill set such as aptitude, problem solving skills, interview skills and soft skills required by the industry and assist them to draw their career path. A full-fledged department with excellent infrastructure with well equipped seminar halls, individual interview panel rooms, group discussion rooms, LCD projectors, facilities for online tests which supports every stage of the placement process and also the training activities.

We have a very good on consistent placement track record in past years. Our students have been placed in reputed MNCs like Tata Consultancy Services (TCS), Cognizant Technology Solutions(CTS), PC Technologies, LIC LIFE PLUS, MIRACLE Software Solution Systems, Genpact, Indian Navy, Mphasis, NAVAYUGA Engineering Company Ltd, INFOSYS, HCL Technologies, Sutherland Global Services, Excel Global Solutions, NetMatrix, CS Technologies, Future Generali (Orientation), , Radus InfoTek Systems Pvt.Ltd, Richiees IT Infotech, Rising Star Mobiles Pvt Ltd., Sharekhan Traders Rajya Sri Automobiles and many more.

GUEST LECTURES

Mr Jagadeesh, Manager, NTPC
delivering his Presentation

Guest Lecture on Thermal Power

A Guest Lecture on "Overview of Thermal Power Plant and Protection system Coordination " was conducted by the Department of EEE in association with DIET IEEE Student Branch under IEEE Vizag Bay Sub Section on 22nd September 2016 at DIET Campus

Final EEE, 3rd EEE, 2nd EEE, Faculty with a total of 225 participants attended the Guest Lecture.

Sri Jagadeesh, Manager, NTPC was the resource person.

Michael Faraday Memorial Lecture

IEEE student chapter of DIET in association with IEEE Vizag Bay section celebrated the birth anniversary of renowned scientist of Electro Magnetism, Michael Faraday in a grand manner.

Sri C. Mala kondayya, Head Electrical Maintenance NTPC, Simhad i graced the event as Chief Guest and delivered key note lecture on the topic "Renewable Energy systems and their Importance"

Addressing the students he referred Faraday as great contributor to the fields of Electrical, Physics and chemistry and advised the student fraternity to inherit the research abilities of Faraday and contribute in the fields of their interest.

Sri C. Mala kondayya, delivering his
Lecture

Sri Uppaluri Srinivasa Venu delivering his
talk on Substations

Guest lecture on Electrical Substations

On 5th January, 2017, the department of EEE organized a guest lecture on: SUB STATION OPERATION & CONTROL, DESIGN AND ERRECTION OF SUB STATIONS by Uppaluri Srinivasa Venu , Vice President, Amar Raja Group of Industries. The lecture provided the students an opportunity to know more about how to design a substation and also about installation of equipment in the substations.

GUEST LECTURES

Er. Mahendernath ,D.E, APEPDCL
delivering his lecture.

Guest lecture on Conservation of Resources

Department of Electrical and Electronics Engineering in association with Eastern Power Distribution Corporation of Andhra Pradesh on 17th December, 2016 organized a guest lecture on Conservation of Energy with special emphasis on saving electrical energy. Er. Mahendranath, Divisional Engineer, EPDCL has delivered a lecture on the importance of energy resources and also gave an insight on how we can conserve energy by reducing the wastage of Electricity.

Motivational session by Dr. Yandamoori

Management organized a two day Personality Development session by Motivational speaker Shri Dr. Yandamoori Veerendranath for the fresh inducts of Engineering and Diploma as well as for the second and final years on 14th & 15th July 2016. The lively interactive sessions have aroused the spirit of self belief and identification of the unbound energies with in an individual.

Dr. Yandamoori interacting
with students

Mr. Kriater Krishna giving guidance to

Career guidance session by Nenu -Creator

Personality Development Training Programme by Mr. Kriater Krishna (NENU), Hyderabad, for the students of Diploma on career guidance and setting goals in life and succeeding. The sessions had tremendous impact on the target audience.

INDUSTRIAL VISITS

Visit to VISAKHA CONTAINER TERMINAL

The department of Management Studies organized an industrial trip for its final MBA students to Visakha Container terminal Pvt Ltd on 22nd August, 2016.

Visit to VIZAG STEEL

The department of EEE organized an industrial visit to Vizag Steel Plant for III B.Tech students on 23rd September, 2016. Students learnt about the process of manufacturing of steel, heavy machinery and electrical switchgear. Faculty Mrs. G. Anitha and Mr. M.Raja Rao have accompanied the students and provided the students the detailed description of the functioning of electrical related operations.

Visit to RAIWADA RESERVOIR

The Department of CIVIL organized Industrial Visit to Raiwada Reservoir, Devarapalli for its final year students on 30th Sep 2016. The students acquired information with respect to the construction and functioning of Dams and reservoirs. They were provided knowledge on how the construction of flood gates, sheer walls, control of valves allow in the storage of water.

Visit to TATIPUDI RESERVOIR

The department of Civil engineering organized a field trip to its III year students on 1st October, 2016 to Tatipudi reservoir in Vijayanagaram district. Students acquired knowledge on irrigation structures like Dam, Reservoir, Sluice tank, Canal falls etc.

INDUSTRIAL VISITS

Visit to COKE OVEN at VIZAG STEEL

The department of ECE organized industrial trip for III Diploma students to Visakhapatnam Steel Plant on 10th October, 2016. The students along with HOD and faculty visited Coke ovens Coal Chemical plant (CO&CP), Blast Furnace, Wire rod mill (WRM). This industrial visit helped the students to get a brief knowledge on risks and precautionary measures to be followed in an industry.

**Visit to MIRACLE SOFTWARE SOLUTIONS**

The department of ECE has organized an industrial trip for B.Tech IV year Students to Miracle Software Systems (MSS) on 14th October, 2016. Students were detailed about the work process of Software development and their applications. The team of Miracle software solutions has briefed the students about the recruitment process and opportunities to the budding Engineers.

**Visit to MIRACLE SOFTWARE SOLUTIONS**

The department of CSE has organized an industrial trip for B.Tech IV year Students to Miracle Software Systems (MSS) on 14th October, 2016. Students were detailed about the work process of Software development and their applications. The team of Miracle software solutions has briefed the students about the recruitment process and opportunities to the budding Engineers.

**Visit to SEWAGE TREATMENT PLANT**

III Diploma CIVIL visited 25 MLD Sewage Treatment Plant, at Appughar, near MVP colony Visakhapatnam on 8th Dec 2016 as part of Industrial visit. Mr. P. Ravi Kumar, Asst Engineer, UGD & Team guided the students and explained about Under Construction Clarifiers, Chlorination Tank, Grit Chambers etc. and the students observed many components in Real Time Environment. Ms. M. Neelima, Asst Prof, CIV & Mr. P. Sanyasi Naidu, Asst Prof, CIV, accompanied the students in Industrial Visit...

**Visit to APTRANSCO**

As part of industrial exposure department of EEE has organized an industrial trip for II diploma students to 132 KV/33 KV, APTRANSCO, Kasimkota on 10th December, 2016. Students participated in the trip and gained first hand exposure to the functioning of substation.

EVENTS

Cambridge English BEC Examination

Cambridge English BEC B1 Examination was successfully conducted for 100 II & III B.Tech. students at Cambridge University Authorized Centre, Dad i Institute of Engineering and technology on 8th & 9th March, 2017. The Examination was conducted under the supervision of resource persons deputed by Cambridge University.

WOMEN'S DAY CELEBRATIONS

Women Empowerment Cell, Dad i Institute of Engineering & Technology (DIET), organized International Women's Day Celebrations on 8th March, 2017. Various events were conducted for girl students & women faculty, everyone participated with a lot of enthusiasm. The winners were awarded with electronic appliances.

BOOK EXHIBITION

Department of Library Science, Dad i Institute of Engineering & Technology (DIET), inaugurated Visalandhra Mobile Book Exhibition during 1st Mar 2017 in DIET Campus.

The Book Exhibition is open on 1st & 2nd Mar 2017 and all Students and Staff Members visited Mobile Book Exhibition and procured a number of Books for upgrad ing their knowledge...

AWARENESS SESSION ON HEALTH AND HYGIENE

Women Empowerment Cell, Dad i Institute of Engineering & Technology conducted an Awareness Programme to all Women Students on "Maintenance of Health with Hygienic Atmosphere" by Ms. Priyanka, II MBA in Seminar Hall-1 (AC), DIET Campus on 2nd Feb 2017. It was a thought provoking and reminder for everyone to care of the minute things which if neglected would result in fatal incidents.

EVENTS

INAUGURATION OF ELEVATOR

Hon'ble HRD Minister of A.P Sri Ganta Srinivasa Rao Inaugurated the elevator facility in the campus on 23rd December, 2016 during his visit to the campus as chief Guest for the Decennial celebrations. This facility is provided by management to cater the disabled students.

REPUBLIC DAY CELEBRATIONS

68th Republic Day was celebrated by NSS unit of the college on 26th January, 2017 to honour the constitution of India. Sri Dadi Ratnakar, Correspondent, was the Chief Guest and hoisted National Flag. March past was performed by DIET NSS Unit under the upmanship of students, Ramakrishna Prof. Dr. M. Venu Gopala Rao, Principal, Sri P.V. Murali, NSS Officer, HODs, Staff and students participated in the celebrations...

ROAD SAFETY AWARENESS

Visakhapatnam District Transport Department in association with DIET NSS Unit organized Road Safety Awareness Program as a part of 28th Road Safety Awareness Week 20th Jan 2017. Sri S. Venkateswara Rao, District Transport Commissioner (DTC), Sri Khan, Regional Transport Officer (RTO), Sri R.Ch. Srinivas, Motor Vehicle Inspector (MVI) attended the Campaign, addressed the students and presented all safety precautions to be taken while driving vehicles...

MARTYR'S DAY OBSERVED

NSS UNIT of the college on 30th January, 2017 observed Martyr's day as mark of respect to the great sons of India who have sacrificed their lives for the country. On that day all the students and faculty have observed 5 min silence at 11AM, the time Gandhi our father of the nation has breath his last in 1948.

EVENTS

WORLD COMPUTER LITERACY DAY

The Department of CSE, organized World Computer Literacy Day on 2nd December 2016. Principal, Prof. Dr. M. Venu Gopala Rao, who was present as chief Guest said that we can't imagine the world without computers today. Prof. Dr. V. Sangeeta, HOD, CSE, Said that the day aims to curb the digital divide that exists in the world today.

EVENTS

IEEE EXTREME CONTEST

DIET IEEE Student Branch successfully participated in IEEE Extreme 10.00. 24 hours programming contest conducted across the globe during 22nd October, 2016 5:30 AM to 23rd October 2016 5:30 AM.

IEEEExtreme is a global challenge in which teams of IEEE Student members-advised and proctored by an IEEE member, and often supported by an IEEE Student Branch-compete in a 24-hour time span against each other to solve a set of programming problems.

PARENT TEACHER MEET

The management of the college organized I.B.Tech parent teacher meet on 15th October, 2016 in the campus

The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students.

VIGILANCE AWARENESS PROGRAMME

DIET literary club in association with Department of Vigilance, Rashtriya Ispat Nigam Limited, Visakhapatnam conducted A One Day Awareness Program and Elocution Competition on "Public participation in promoting Integrity and eradicating Corruption" on 1st October, 2016. Sri Rajesh Kumar, AGM (Vigilance), Smt. Dainy Cherian, AGM (Vigilance), Sri D.Narasa Rjau, DM (Vigilance) Sri.G.Ramana kumar, Manager (Vigilance) were the resource persons.

ENGINEERS' DAY CELEBRATIONS

On 15th September 2016 the department of ECE celebrated Engineers Day in a grand manner by inviting two eminent Engineers Sri B. Bhaskar Rao (Civil Engineer), Sr. Architect and Prof. Dr. N.B. Venkateswarulu, Executive Director, Ritch Centre and felicitated them for the services they have rendered to the society. Young techies exhibited their works as part of technical expo organized.

Architect Sri B. Bhaskar Rao

EVENTS

NEW PRINCIPAL TAKES CHARGE

Prof. Dr. M. Venu Gopala Rao took charge as the New Principal of Dadi Institute of Engineering & Technology on 6th September, 2016. The management and staff congratulated the new principal and wished him to take the institute to greater heights.

TEACHERS' DAY CELEBRATIONS

Teachers day was celebrated by the department of CSE on 5th September, 2016. Prof. Dr. G. Swami Naidu, Vice Principal (Administration), University College of Engineering, JNTUK, Vizianagaram, graced as Chief Guest for the Teachers' Day Celebrations

FRESHERS DAY

Fresher's day was held at the open auditorium on 27th August, 2016. Every year it is a customary in our college to celebrate Fresher's Day. The very purpose of Fresher's Day party is to welcome newcomers in a friendly atmosphere and avoid social evils, to encourage their creative impulses to boost their confidence.

INDEPENDENCE DAY CELEBRATIONS

70th Independence Day was celebrated by physical education department in the college on 15th August, 2016. Chief Guest Sri Dadi Ratnakar, hoisted National Flag. In his message he emphasised on the need of safeguarding our independence by strictly adhering to Indian products.

EVENTS

ORIENTATION ON BUSSINESS ENGLISH COMMUNICATION

Mr. Ch. Varun, Associate Trainer, Cambridge University Press, delivered Orientation Programme on Cambridge Certifications on 19th July 2016.

DIET is proud to announce that it was recognized as an Authorized Centre for conducting Cambridge Certification Examinations from this academic year.

**MEMOIR 2015-16 RELEASE**

Hon'ble Minister for HRD Shri Ganta Srinivasa Rao, had officially released our DIET Magazine "MEMOIR 2015-16" at a glittering function organized on 12th June 2016.

MEMOIR 2015-16 contains all activities related to Academics, Training, Placements, Sports, and Cultural Events

APPLIED CHEMISTRY TEXTBOOK RELEASED

JNTU K Rector Prof. B. Prabhakar Rao released a textbook in applied chemistry, written by Dr. Aruna Kumari of BS & H department of DIET. Secretary and correspondent Sri Dad i Ratnakar and Principal M. Venugopala Rao congratulated Dr. Aruna Kumari.

**YOGA CLASSES ON SATURDAYS**

The management has come forward to assist faculty and Students in overcoming the stress which they undergo as part of daily routine by organizing yoga sessions on every Saturday under the supervision of renowned yoga trainer Sri Nandhayala Nagesh Kumar.

EVENTS

Online National Essay Competition

The management of Dad i Institute of Engg & Technology in association with Indian National Academy of Engineering (INAE), the premier engineering body of the Nation organized Online National Essay Competition on the theme "Towards Technological Self-Reliance and Leadership" for B.Tech students on 15th March, 2017. The students of IV year- ECE, CIVIL, EEE, CSE meticulously expressed their views on the topic. INAE announced a special prize worth Rs. One Lakh for the best essay on the theme.

INDO-AMERICAN EDUCATION SUMMIT:

Final MBA students have attended INDO-AMERICAN EDUCATION SUMMIT which was conducted by CII (Confederation of Indian Industry) at Gateway Hotel, Visakhapatnam on 19th September, 2016. This summit was organized to invite students to pursue PG, Diploma, and Ph.D. Courses in various reputed universities in US, Japan, South Africa etc.

MANAGEMENT STUDENTS AT HR SUMMIT

Final year MBA students participated in HR SUMMIT which was organized by CII (Confederation of Indian Industry) at Gateway Hotel, Visakhapatnam on 17th December 2016. The theme of the summit was to make HR professionals to be the forerunners and ensure that organizations are 'Future Ready'.

WELCOME TO TYCOONS

Final MBA students organized a welcome party for the fresh inducts on 17th October, 2017. Entertainment at its best was provided to ease the pressure of the fresher's with events like skits, mimicry, dance, Traditional ramp walk etc. .

SERVICE ACTIVITIES

MEGA BLOOD DONATION CAMP

DIET NSS Unit in association with A S Raja Voluntary Blood Bank and NTR Trust Blood Bank, Visakhapatnam, organized Mega Blood Donation Camp on 1st October, 2016. Smt. V. Praveena, DM, APSRTC, Anakapalle, is the Chief Guest for the Mega Blood Donation Camp. Dr. Smt. Radha Rani, A S Raja Voluntary Blood Bank, Dr. Sri Vasanth Kumar, NTR Trust Blood Bank, Sri Dadi Ratnakar, Correspondent, Prof. Dr. M. Venu Gopala Rao, Principal, Sri P.V. Murali, DIET NSS Coordinator, staff and students participated in the Mega Blood Donation Camp and nearly 250 donors have donated blood on this occasion.

WORLD STUDENTS' DAY

NSS Unit, paid rich tributes to Former President Shri Dr. A.P.J. Abdul Kalam, whose anniversary is observed as World Students' Day on 15th Oct 2016. Chief Guest Sri Dadi Ratnakar, said that "Dr. Kalam, who continued to be active even after demitting office (of the president of India) and travelled the length and breadth of the country delivering lectures and meeting people, died while doing what he loved best - talking to students."

VANAM MANAM

NSS Unit organized Vanam Manam a Programme initiated by Government of Andhra Pradesh on 29th July, 2016 and planted more than 1000 saplings in the campus to make it a Green Campus. About 100 student volunteers have come forward in fulfilling the mission of the government in improving the greenery in the state.

INTERNATIONAL YOGA DAY

NSS unit organized International Yoga Day Celebrations in Seminar Hall-1 (AC), DIET Campus on 21st June 2016. An Orientation and Practice Session on Yoga by Sri Nandyala Nagesh Kumar, Yoga Trainer was organized for all students and staff members.

1. The first step is to identify the problem. In this case, the problem is that the company is not making enough profit. The second step is to analyze the problem. The third step is to develop a solution. The fourth step is to implement the solution. The fifth step is to evaluate the results.

EDUCATION IS KEY

They say education is the key.
 A key that can open all closed doors.
 A sharpener to our minds.
 Provider of brighter life and expectations.
 It's like a shining lamp in a dark world
 even better than the shining stars in the sky
 Different parts of the world, the key takes us there.
 The key doesn't choose religion, race, tribe, class
 or where you come from.
 You just see it and take it.
 Grab it with your hands and don't let go.
 Explore all parts of the key.
 Understand its richness and wealth.
 With various ingredients like maths, languages, sciences,
 geography, engineering among others.
 It makes you the most intellect in the world.
 Greatest scientist, engineer, doctor, teacher, leader
 among many.
 With the key:
 You talk, they listen and understand.
 That knowledge of the key is a weapon.
 A weapon that can slush dragons into pieces.
 The key is a healer of diseases.
 A solution provider.
 It aggrandizes unimaginable things never seen before.
 The key is like a drug that never expires.
 The greatest inheritance of a child.
 To get the key is a process.
 Step by step you learn.
 Never give up when the going gets tough.
 Don't stay down if you can get up.
 Gather all your strength and move forward.
 Wipe out the sweat and tears.
 Don't lose focus keep going.
 With hard work and discipline you will finish the race.
 Sweeter than honey are its fruits.
 Who wouldn't want this key?
 I ask!
 Go get the key and don't look back.

COLLEGE LIFE

Stepping into a new life where
 One faces oneself

Some consider everything a race
 and chase after them all,
 While others find it difficult
 to even tie their shoe lace.

Many here care for you,
 but you care for a select few

Lots of leisure, lots of pressure
 In the midst of which, some search for treasure.

The greatest invention being the headset
 without which no one's heads are fit
 More sleep, less work, but still
 feeling tired every other minute.

Sudden decisions rare output
 even don't care for taking next
 More dance, more wishes,
 Many an exam and test.

Suddenly, when you look back
 The poster says 'The End',
 The 35040 hours of these four years
 Are just like the three hours of a movie
 Passing by in the snap of your fingers
 Leaving behind many a memory that lingers.

EDUCATION SYSTEM

Education without a suffix is very pure in its original form. But when the term 'System' is added to it, a lot would change. So, these two should work in tandem to have a powerful society.

Just because we have colleges and universities doesn't mean we have education!

The whole educational and professional training system has to be a very elaborate filter, which just weeds out people and puts them in the right place they deserve to be in.

What's getting in the way of our education is a theory of social engineering that says there is only one right way to proceed further...

There's always been an issue of large quantities of education being delivered by a system that lacks quality.

Ironically, only a few places like ours have been able to stick to the task of making an effort to offer a truly quality education in spite of a potential growth of several means of discrimination.

As if the regular economic and social barriers weren't enough, now the level of education and place from where it has been obtained, have become valid grounds of looking down upon people...

Our deepest concern shouldn't just be the kids who can't go to school, but those who are going and not getting proper education.

Yes! Under education and improper education is far more dangerous than zero education!!

The day we incorporate means through which Schools & Colleges would become the places where teachers, not just the students, learn out of choice, is the day that would mark the beginning of a more healthy and enlightening education system!

Because, when access to information was limited in our olden days, we needed to load the students up with facts. Now, when we have no scarcity of facts or the access to them, we need to load them up with understanding!

An Understanding of what happens? Why it happens? And how it happens?

These are not the only questions to be addressed by us today!

It is high time that our education system began re framing these questions as;

What to do? Why to do? And how to do?

This transformation from 'happening' to 'doing' is the change that our dynamic students should be introduced to...

That's when the EDUCATION gets enhanced by a more meaningful system and SYSTEM would be glorified by fruitful Education

నా ఆశకు శ్వాస నాలోని నీ ఊహలు

చినుకుల సవ్వడే మొదలాయే నా యదలో చందమామ లాంటి మెరుపున్న నీ కనులను చూసినప్పుడు

పయనమైన నా ప్రతి నిమిషం ఓ పచ్చని లోకంలోకి నీ పరిచయమే నా తోడు ఉండగ

నడిచానె నేను రేయీ పగలు నీ ఊహల ఊయ్యాలలో ఉంటూ

నీ చూపులతోనే చూపించావే నేను వేసే రేపటి ప్రతి అడుగును

నీ మదిలో నాకున్న చొటే అది నాకు స్వర్గానికి మించిన స్వదేశం

నీ నవ్వే నీ సొగసుకు చిహ్నం, ఆ చిహ్నమే నా చిరునవ్వుకు ఓ చిరునామ..

నీ నవ్వును చూసేనేమో నా మదిలో రెగేనే ఇలయరాజా సంగీతం

సముద్రంలో ఎగసే కెరటంలా

నీ చూపె చాలే నాకు వాటిని చూస్తూ చుట్టేయగలనే చుక్కలను

సైతం ఓ సైనికుడిలా..

నీ మాటలలోని మధురిమమే నింపేనే నాలో ఎనలేని ఉత్సాహం..

Rejoice youth! Rejoice!**Again and again I say Rejoice!****- M. Jeevan Jyothi, Asst. Prof. MBA****ఓ యువత నువ్వే భవిత**

ఓ యువతా...

తెలుసుకో నీ భవిత

కుర్రకారువంటూ

షీక్రే షికారుకై

రేస్ బైక్ పై రయ్మని దూసుకుపోవాలనుకుంటావు

నీ స్పీడుకు సమాజ సరిహద్దులను చెరిపేస్తావనుకుంటే

స్పీడు బ్రేకర్లు లేని రోడ్డుపై శవమై కనిపిస్తావు

నచిచొచ్చే కొడుకు నడిరోడ్డుపై చూసిన ఆ

తల్లిండ్రుల ఆవేదన ఎంతో తెలుసుకో

ALUMNI SPEAKS

Malla Raja Rajeswari Devi, 2006-2010, CSE, IT Analyst, TCS, USA

'Encouraging us to be more independent and the freedom to think and act on our own'. This, I would say, is the best thing I felt about DIET something that you get only in handpicked colleges in the country. Here, our interests are given both the due respect and priority. Let it be academics or sports or art or music or any other thing. The point is to do what we like and to give our best to it.

Ayyala Naidu, 2011-2015, EEE, Trainee Engineer, Tech Mahendra, Pune

The studies were not just for career; they were about life where career was a part of it. I learnt a lot with in 4 years at DIET and we made a good group for a long time.

Vineetha Singh, 2010-2014, IT, Software Engineer, HCL Bangalore

"I am really proud of my alma-mater because of which I got an opportunity where I rub shoulders with veterans in Industry. Fantastic education in a caring and thoughtful community we get from this great Institution DIET"

Andhra Lavanya, 2008-2011, MCA, Quality Analyst, Asset telematics, Hyderabad

I was fortunate to be a part of DIET family. The college nurtured me into a Professional. The faculty and learning environment is excellent.

V. Hareesha, 2008-2010, MBA, Asst Prof., DIET

DIET has not only helped me in achieving my goals and dreams but at the same time it has shaped my personality and made me the person who I am. I feel proud to be part of this institution.

Praveen Kumar, 2008-2012, CSE, Sr. Engineer, L&T

I feel the kind of exposure we got from our Institute was phenomenal .The exposure was not only limited to the boundaries of our country but was global too which helped us realize how world is running.. Guest faculty and guest lectures gave us very good insight. All I can say is that the Institute gave us third eye to see how world is moving and where we can position ourselves globally.

S. Bhanu Tejaswi, 2009-2013, EEE, Asst Manager, IDBI bank Gajuwaka

The values and knowledge which has been imparted by the faculty is truly exceptional. It not only focuses on content but also on overall personality development of each and every student. I would recommend DIET to anybody.
