Sub: Request Letter to University regarding opportunity for DIET Faculty to take part in University Question Paper Setting-Reg.

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering and Technology - DIET, Anakapalle, Visakhapatnam.

We are drafting this letter as a representation to our affiliating university, Jawaharlal Nehru Technological University, Kakinada as a request to our senior faculty members and Doctorates in the University process of question paper. With a thorough understanding of the standard procedure of University paper setting, we somehow feel it would be great if affiliated colleges like us are provided with a chance to take part in the process as we have a pool of well experienced and dedicated faculty who can contribute qualitatively to this challenging job. Hence, we request you to please consider this as our representation to resolve this issue, hoping that you would do the needful at the earliest.

Thanking you Sir,
