Report on one week workshop on Embedded systems & Sci labs

About workshop:

In pursuit of excellence in technical education **Dadi Institute of Engineering & Technology**, Visakhapatnam in association with Andhra Pradesh State Skill Development Corporation organized a one week workshop on **Embedded systems & Sci labs** for the IV year students of **Department of Electrical & Electronics Engineering** during **16th July – 21th July 2018**. This workshop aims to enhance and strengthen the skills among the students on Embedded systems & Sci labs. In order to give hands-on based exposure on Embedded systems & Sci labs, this workshop has been organized for 7 days in Association with APSSDC under CM Skill Excellency Center. As everyone knows that Embedded systems & Sci labs play an important role in Designing and analysis of circuits, which is in full demand and there is a lot of research work and project work going on this concept. Students have a wide scope of opportunities in Embedded systems & Sci labs. The participants were very much satisfied with this workshop. All 91 participants received certificates fromAPSSDC**.** This certificate course comprises 2 internal courses. Participants have completed all 2 courses in Embedded systems & Sci labs.

Andhra Pradesh State Skill Development Corporation:

Andhra Pradesh State Skill Development Corporation provides specialized training to the Students of Polytechnic, Engineering colleges etc., in various disciplines in different courses by conducting workshops and certification programmes.
