## **MEGA BLOOD DONATION CAMP**

Keeping the tradition alive in DIET, DIET NSS UNIT in association with A. S. Raja Blood Bank and NTR blood banks organized a **MEGA BLOOD DONATION CAMP** to mark the National Blood donation Day on **1<sup>ST</sup> Oct, 2016** from 9 A.M. to 5 P.M. The camp was inaugurated by **Smt.V. Praveena** , DM, APSRTC-Anakapalli.

In her inaugural address she felt that more and more volunteers have to turn up and donate blood as it's done for a noble cause where it helps in saving lives of the needy. She inspired students with her message on the need of service to humanity with illustrations from her own life.

Correspondent **Sri Dadi Ratnakar** said that DIET students are encouraged to imbibe the principle of community service and be generous and large hearted - bound by beliefs beyond themselves. Organizing Blood Donation by NSS unit this year on large scale to support the voluntary blood banks to meet the need of patients in view of dengue fevers is to be applauded.

**Dr M.Venugopal Rao** appealed to the students to make a habit of donating blood at regular intervals so that it will re energizes the donors and makes them healthier.

**Dr. Radha Rani** of A S RAJA blood bank and **Dr. Vasantha Rao** of NTR blood bank said that a confidential blood test report and a DONOR's card shall be provided to the donors by respective Voluntary blood banks.

The samples were carefully sealed and transported away, while the volunteers and Blood bank staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors went through a series of medical checkups before donating blood and were given refreshments, a memento and a certificate of appreciation for this service to humanity.

And, NSS, DIET unit received certificates of appreciation from A.S.Raja Blood Bank and NTR Blood bank

NSS program officer Venkata Murali Palla said that the event was a huge success with a large number of students and teachers turning up for the cause and donating about 300 plus units.
