The Government of India, in the reference 1<sup>st</sup> read above, has brought out the Constitution (One Hundred and Third Amendment) Act, 2019 inserting Clauses 15 (6) and 16 (6) in the Constitution providing for 10% reservation in admissions into Educational Institutions and appointments to posts in favour of Economically Weaker Sections of citizens other than the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes.

2. In pursuance of the Constitution (One Hundred and Third Amendment) Act,

The term "Family" for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years.

3. After passing of the Constitution (One Hundred and Third Amendment) Act, 2019, the Government of Andhra Pradesh have bifurcated the 10% reservation and brought out two Acts, namely, Act No.14 of 2019, Dated.20.02.2019 and Act No.15 of 2019, Dated.20.02.2019, providing for 5% reservation to Economically Weaker Sections among Kapus and 5% reservation to Economically Weaker Sections among other than Kapus respectively, towards admissions into Educational Institutions and appointments to posts in the Public Services under the State. There shall be 1/3<sup>rd</sup> horizontal reservation for women within in the reservation provided both to Kapus

and other than Kapus.

4. In the reference 4<sup>th</sup> read above, the Government have issued orders bringing the provisions of the Act 14 of 2019 and Act 15 of 2019 into force with effect from 08.03.2019.

5. In the reference 5<sup>th</sup> read above, Government have constituted a Committee for formulation of draft guidelines for implementation of 5% reservation provided to Economically Weaker Sections among Kapus and 5% reservation provided to Economically Weaker Sections other than Kapus.

6. Meanwhile, a Writ Petition bearing No. WP (CIVIL) No. 343 OF 2019 with I.A.NO. 45038/2019 has been filed before the Hon'ble Supreme Court of India praying for quashing the Constitution (One Hundred and Third Amendment) Act, 2019 as violative of basic structure of the Constitution and also quashing Act 14 & Act 15 of 2019 enacted by Government of Andhra Pradesh as being violative of Articles 15 (1) & 16 (2) of the Constitution.

7. In the reference 7<sup>th</sup> & 8<sup>th</sup> read above, two Writ Petitions have been filed before the Hon'ble High Court of Andhra Pradesh praying for issuing an appropriate Writ or Order or direction more particularly one in the nature of Writ of Mandamus to the respondents to notify the Rules for implementing the 10% reservation provided to Economically Weaker Sections among Kapus and other than Kapus in Act No.14 of 2019 and Act No.15 of 2019 enacted by the State of Andhra Pradesh.

8. In the reference 9<sup>th</sup> read above, one more Writ Petition has been filed before the Hon'ble High Court of Andhra Pradesh praying for issuing an appropriate Writ or Order or direction more particularly one in the nature of Writ of Mandamus declaring Act No.14 of 2019 and Act No.15 of 2019 as ultra vires and un-constitutional, violative of the purport of the 103<sup>rd</sup> Constitutional Amendment Act, 2019 and violative of Article 15 of the Constitution of India and consequently, Act No.14 of 2019 and Act No.15 of 2019, have to be struck down. The Hon'ble High Court of Andhra Pradesh passed the following interim orders in this case;

"Notice before admission.

Petitioners filed the Writ Petition seeking Mandamus declaring Act 14 and Act 15 of 2019, as ultra vires, unconstitutional, violative of the purport of the 103<sup>rd</sup> Constitutional Amendment, violative of

Article 15 of the Constitution of India and consequently to strike down Act 14 and Act 15 of 2019.

Petitioners also sought interim relief, to direct the Respondents 6 and 7 to follow  $103^{rd}$  Constitutional Amendment Act during admissions into Medical and Engineering Courses and allot seats in the supernumerary seats created by the 4<sup>th</sup> Respondent, only in accordance with the policy of the 4<sup>th</sup> Respondent, with regard to

Economically Weaker Sections, pending disposal of the writ petition.

It is the case of the petitioners that Act 14 and Act 15 of 2019, creating reservation in Educational Institutions to Kapu community based on their economic backwardness, is contrary to the 103<sup>rd</sup> Amendment.

In fact, it is brought to the notice of the Court that a petition challenging 103<sup>rd</sup> Constitutional Amendment is pending before the Honourable Supreme Court, but the main contention is that Act 14 and Act 15 are inconsistent with the purport of 103<sup>rd</sup> Constitutional Amendment. At this stage, it is not possible to decide the core issue i.e. the vires of Act 14 and 15 of 2019, making another class within the original class, without inviting counter-affidavit from the respondents.

Therefore, there shall be a direction to the respondents to complete the admission process, pending further orders, subject to the result of the Writ Petition, by obtaining an undertaking from the petitioners to the effect that in case the petitioners do not succeed in the writ petition, they shall not claim any equities in future based on the admissions.

Post after three weeks, by which time respondents shall file their counter-affidavits".

9. In view of the above Government hereby decided to fill up the EWS quota of supernumerary seats in Higher Educational Institutions in accordance with 103<sup>rd</sup> Constitutional Amendment Act, 2019 and the guidelines issued by Govt., of India vide Office Memorandum F.No.36039/1/2019-Estt(Res.) Dated: 19.01.2019. The guidelines relevant for current academic year 2019-2020, in regard to the subject matter consistent with 103<sup>rd</sup> Constitutional Amendment, would read as under:

- i. All Castes which are not covered under any reservation category (SC / ST / BC) are entitled to avail of the reservation facility under EWS Category.
- ii. The students admitted under EWS Category will be adjusted against the 10 percent of the sanctioned seats granted additionally, as is followed by the Government of India. However, 1/3<sup>rd</sup> (33 1/3) of the seats enhanced for the purpose of accommodating the EWS Category students shall be earmarked to women among them.
- ii. The model format of the EWS Certificate prescribed by Government of India in Annexure-I vide their O.M.No.36039/1/2019-Estt. (Res), Dated: 31-1-2019 shall be followed along with the conditions referred in para 2 above.
- iv. The persons seeking the benefit of reservation under EWS category shall obtain the necessary EWS Certificate issued by the Tahsildar concerned.
- v. The eligibility conditions for a person to avail of the facility of EWS reservation are the same as fixed by the Government of India as referred in Para 2 above:

10. Further, in regard to implementation of reservations to EWS Category in appointments to the posts or services under State, necessary orders will be issued separately.

### STATEMENT OF OBJECTS AND REASONS

For a country that has scarce and limited public resources, reservations unquestionably have important social, economic and political implications. The system of reservation in India comprises a series of affirmative action measures, such as reserving access to seats in the various legislatures, to government jobs, and to enrollment in higher educational institutions. The societal inequality in India is represented by the grossly inadequate representation of Scheduled Castes, Scheduled Tribes and Other Backward Castes in employment and education due to historic, societal and cultural reasons. At the same time it is incumbent on the part of the state to ensure that equality prevails in all sections of the society. The primary objective of the present-day reservation system is to enhance the social and educational status of underprivileged communities and thus improve their lives. The term 'backward classes', as originally used around 1919, referred to a section of population which was backward in a socio-economic sense. It did not limit itself to the matrix of caste. The Constitution gives great liberties to the individual states to determine the quantity and limits of reservation. Reservation in common terms refers to an act of reserving, keeping. back or withholding. Reservation in India is a form of affirmative action whereby a percentage of seats are reserved in the public sector units, union and state civil services, union and state government departments. and in all public and private educational institutions, except in the religious/linguistic minority educational institutions, for the socially and educationally backward communities and the Scheduled Castes and Tribes. who are inadequately represented in these services and institutions. The underlying theory for the provision of reservation by the state is the under-representation of the identifiable groups.

The policy of reservation for the social, economic and educational upliftment of the citizens not only for the admissions into educational institutions but also for appointments in the services under the State is being implemented in the State of Andhra Pradesh for a long time and the same was being, implemented for the Backward Classes, Schedule Castes and Schedule Tribes.

The Hon'ble Supreme Court of India by its Judgment in India Sawhney vs. Union of India reported in (AIR 1993 SC 477) observed that the reservations may cross/exceed the 50% limit in appointments or posts when there is a reasonable case for exceeding the limit and the same shall be substantiated with the existence of extraneous circumstances for such an act.

There were amendments to the Articles 15 and 16 of the Constitution by 81° Amendment Act, 2000 and 93° Amendment Act, 2005 respectively and the same were challenged and the Supreme Court of India by its Judgments M. Nagaraj & others vs. Union of India & others reported in [(2006) 8 SCC 212] and

AshokaKumar Thakur vs. Union of India reported in {(2008) 6 SCC 1] laid down the law that if a State wants to exceed 50% of reservation then it is required to base its decision on the quantifiable data.

The British Government in Madras Presidency had recognized Kapus as backward caste in 1915 and the backward classes list of Andhra region included Kapus also. With the formation of the State of Andhra Pradesh on 1° October, 1953, a list of Backward Classes as existed in the Composite Madras State was adopted with slight modifications and the Kapus enjoyed reservations. In the wake of formation of the State of Andhra Pradesh, including the Telangana area as on 1° November, 1956, the list that

7

existed with the State of Hyderabad was continued, thereby maintaining two lists, one for Andhra and the other for Telangana area. In 1956, the then Andhra Pradesh Government deleted Kapus from the backward classes list. Again, though the successive Government tried to recognize them as other backward classes through a Government Order, the High Court struck down the GO, on technical grounds.

There was a long standing demand for the inclusion of Kapu sub castes i.e., Telaga, Kapu, Ontari and Balija into the Backward Classes category. The State Government after having careful consideration of their long standing demand for inclusion in the Backward Classes category for reservations in admissions and appointments keeping in view the social, economic, educational backwardness and inadequate representation in government services in proportion to their population, basing on the expert advise rendered by the Andhra Pradesh State Backward Classes Commission, the State Government came to a conclusion that there is every need for inclusion of Kapus into the Backward Classes category for reservation in admissions to educational institutions in the State and in the services under the State without there being any political reservation, for their upliftment and to ensure their all round advancement in the State of Andhra Pradesh.

This bill seeks to give effect to the above decision.

The Government of India, in the reference 1<sup>st</sup> read above, has brought out the Constitution (One Hundred and Third Amendment) Act, 2019 inserting Clauses 15 (6) and 16 (6) in the Constitution providing for 10% reservation in admissions into Educational Institutions and appointments to posts in favour of Economically Weaker Sections of citizens other than the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes.

2. In pursuance of the Constitution (One Hundred and Third Amendment) Act,

1) The persons who are not covered under existing scheme of reservations for the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes and whose gross annual family income is below Rs.8.00 lakh are to be identified as EWS for the benefit of reservation.

The property held by a "Family" in different locations or different places/cities would be clubbed while applying the land or property holding test to determine EWS status.

The term "Family" for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years.

3. After passing of the Constitution (One Hundred and Third Amendment) Act, 2019, the Government of Andhra Pradesh have bifurcated the 10% reservation and brought out two Acts, namely, Act No.14 of 2019, Dated.20.02.2019 and Act No.15 of 2019, Dated.20.02.2019, providing for 5% reservation to Economically Weaker Sections among Kapus and 5% reservation to Economically Weaker Sections among other than Kapus respectively, towards admissions into Educational Institutions and appointments to posts in the Public Services under the State. There shall be 1/3<sup>rd</sup> horizontal reservation for women within in the reservation provided both to Kapus

and other than Kapus.

4. In the reference 4<sup>th</sup> read above, the Government have issued orders bringing the provisions of the Act 14 of 2019 and Act 15 of 2019 into force with effect from 08.03.2019.

5. In the reference 5<sup>th</sup> read above, Government have constituted a Committee for formulation of draft guidelines for implementation of 5% reservation provided to Economically Weaker Sections among Kapus and 5% reservation provided to Economically Weaker Sections other than Kapus.

6. Meanwhile, a Writ Petition bearing No. WP (CIVIL) No. 343 OF 2019 with I.A.NO. 45038/2019 has been filed before the Hon'ble Supreme Court of India praying for quashing the Constitution (One Hundred and Third Amendment) Act, 2019 as violative of basic structure of the Constitution and also quashing Act 14 & Act 15 of 2019 enacted by Government of Andhra Pradesh as being violative of Articles 15 (1) & 16 (2) of the Constitution.

7. In the reference 7<sup>th</sup> & 8<sup>th</sup> read above, two Writ Petitions have been filed before the Hon'ble High Court of Andhra Pradesh praying for issuing an appropriate Writ or Order or direction more particularly one in the nature of Writ of Mandamus to the respondents to notify the Rules for implementing the 10% reservation provided to Economically Weaker Sections among Kapus and other than Kapus in Act No.14 of 2019 and Act No.15 of 2019 enacted by the State of Andhra Pradesh.

8. In the reference 9<sup>th</sup> read above, one more Writ Petition has been filed before the Hon'ble High Court of Andhra Pradesh praying for issuing an appropriate Writ or Order or direction more particularly one in the nature of Writ of Mandamus declaring Act No.14 of 2019 and Act No.15 of 2019 as ultra vires and un-constitutional, violative of the purport of the 103<sup>rd</sup> Constitutional Amendment Act, 2019 and violative of Article 15 of the Constitution of India and consequently, Act No.14 of 2019 and Act No.15 of 2019, have to be struck down. The Hon'ble High Court of Andhra Pradesh passed the following interim orders in this case;

"Notice before admission.

Petitioners filed the Writ Petition seeking Mandamus declaring Act 14 and Act 15 of 2019, as ultra vires, unconstitutional, violative of the purport of the 103<sup>rd</sup> Constitutional Amendment, violative of

Article 15 of the Constitution of India and consequently to strike down Act 14 and Act 15 of 2019.

Petitioners also sought interim relief, to direct the Respondents 6 and 7 to follow  $103^{rd}$  Constitutional Amendment Act during admissions into Medical and Engineering Courses and allot seats in the supernumerary seats created by the 4<sup>th</sup> Respondent, only in accordance with the policy of the 4<sup>th</sup> Respondent, with regard to

Economically Weaker Sections, pending disposal of the writ petition.

It is the case of the petitioners that Act 14 and Act 15 of 2019, creating reservation in Educational Institutions to Kapu community based on their economic backwardness, is contrary to the 103<sup>rd</sup> Amendment.

In fact, it is brought to the notice of the Court that a petition challenging 103<sup>rd</sup> Constitutional Amendment is pending before the Honourable Supreme Court, but the main contention is that Act 14 and Act 15 are inconsistent with the purport of 103<sup>rd</sup> Constitutional Amendment. At this stage, it is not possible to decide the core issue i.e. the vires of Act 14 and 15 of 2019, making another class within the original class, without inviting counter-affidavit from the respondents.

Therefore, there shall be a direction to the respondents to complete the admission process, pending further orders, subject to the result of the Writ Petition, by obtaining an undertaking from the petitioners to the effect that in case the petitioners do not succeed in the writ petition, they shall not claim any equities in future based on the admissions.

Post after three weeks, by which time respondents shall file their counter-affidavits".

9. In view of the above Government hereby decided to fill up the EWS quota of supernumerary seats in Higher Educational Institutions in accordance with 103<sup>rd</sup> Constitutional Amendment Act, 2019 and the guidelines issued by Govt., of India vide Office Memorandum F.No.36039/1/2019-Estt(Res.) Dated: 19.01.2019. The guidelines relevant for current academic year 2019-2020, in regard to the subject matter consistent with 103<sup>rd</sup> Constitutional Amendment, would read as under:

- i. All Castes which are not covered under any reservation category (SC / ST / BC) are entitled to avail of the reservation facility under EWS Category.
- ii. The students admitted under EWS Category will be adjusted against the 10 percent of the sanctioned seats granted additionally, as is followed by the Government of India. However, 1/3<sup>rd</sup> (33 1/3) of the seats enhanced for the purpose of accommodating the EWS Category students shall be earmarked to women among them.
- ii. The model format of the EWS Certificate prescribed by Government of India in Annexure-I vide their O.M.No.36039/1/2019-Estt. (Res), Dated: 31-1-2019 shall be followed along with the conditions referred in para 2 above.
- iv. The persons seeking the benefit of reservation under EWS category shall obtain the necessary EWS Certificate issued by the Tahsildar concerned.
- v. The eligibility conditions for a person to avail of the facility of EWS reservation are the same as fixed by the Government of India as referred in Para 2 above:

10. Further, in regard to implementation of reservations to EWS Category in appointments to the posts or services under State, necessary orders will be issued separately.

#### STATEMENT OF OBJECTS AND REASONS

For a country that has scarce and limited public resources, reservations unquestionably have important social, economic and political implications. The system of reservation in India comprises a series of affirmative action measures, such as reserving access to seats in the various legislatures, to government jobs, and to enrollment in higher educational institutions. The societal inequality in India is represented by the grossly inadequate representation of Scheduled Castes, Scheduled Tribes and Other Backward Castes in employment and education due to historic, societal and cultural reasons. At the same time it is incumbent on the part of the state to ensure that equality prevails in all sections of the society. The primary objective of the present-day reservation system is to enhance the social and educational status of underprivileged communities and thus improve their lives. The term 'backward classes', as originally used around 1919, referred to a section of population which was backward in a socio-economic sense. It did not limit itself to the matrix of caste. The Constitution gives great liberties to the individual states to determine the quantity and limits of reservation. Reservation in common terms refers to an act of reserving, keeping. back or withholding. Reservation in India is a form of affirmative action whereby a percentage of seats are reserved in the public sector units, union and state civil services, union and state government departments. and in all public and private educational institutions, except in the religious/linguistic minority educational institutions, for the socially and educationally backward communities and the Scheduled Castes and Tribes. who are inadequately represented in these services and institutions. The underlying theory for the provision of reservation by the state is the under-representation of the identifiable groups.

The policy of reservation for the social, economic and educational upliftment of the citizens not only for the admissions into educational institutions but also for appointments in the services under the State is being implemented in the State of Andhra Pradesh for a long time and the same was being, implemented for the Backward Classes, Schedule Castes and Schedule Tribes.

The Hon'ble Supreme Court of India by its Judgment in India Sawhney vs. Union of India reported in (AIR 1993 SC 477) observed that the reservations may cross/exceed the 50% limit in appointments or posts when there is a reasonable case for exceeding the limit and the same shall be substantiated with the existence of extraneous circumstances for such an act.

There were amendments to the Articles 15 and 16 of the Constitution by 81° Amendment Act, 2000 and 93° Amendment Act, 2005 respectively and the same were challenged and the Supreme Court of India by its Judgments M. Nagaraj & others vs. Union of India & others reported in [(2006) 8 SCC 212] and

AshokaKumar Thakur vs. Union of India reported in {(2008) 6 SCC 1] laid down the law that if a State wants to exceed 50% of reservation then it is required to base its decision on the quantifiable data.

The British Government in Madras Presidency had recognized Kapus as backward caste in 1915 and the backward classes list of Andhra region included Kapus also. With the formation of the State of Andhra Pradesh on 1° October, 1953, a list of Backward Classes as existed in the Composite Madras State was adopted with slight modifications and the Kapus enjoyed reservations. In the wake of formation of the State of Andhra Pradesh, including the Telangana area as on 1° November, 1956, the list that

7

existed with the State of Hyderabad was continued, thereby maintaining two lists, one for Andhra and the other for Telangana area. In 1956, the then Andhra Pradesh Government deleted Kapus from the backward classes list. Again, though the successive Government tried to recognize them as other backward classes through a Government Order, the High Court struck down the GO, on technical grounds.

There was a long standing demand for the inclusion of Kapu sub castes i.e., Telaga, Kapu, Ontari and Balija into the Backward Classes category. The State Government after having careful consideration of their long standing demand for inclusion in the Backward Classes category for reservations in admissions and appointments keeping in view the social, economic, educational backwardness and inadequate representation in government services in proportion to their population, basing on the expert advise rendered by the Andhra Pradesh State Backward Classes Commission, the State Government came to a conclusion that there is every need for inclusion of Kapus into the Backward Classes category for reservation in admissions to educational institutions in the State and in the services under the State without there being any political reservation, for their upliftment and to ensure their all round advancement in the State of Andhra Pradesh.

This bill seeks to give effect to the above decision.
