## CIRCULAR

To

All Head of the departments

Mentoring is a unique way to help students enhance their leadership and learning abilities while inspiring them to pursue their future professional goals. In view of this, all HoDs are thus notified to submit the mentorship allocation for the academic year 2024–2025, on or before 24/06/2024 wherein each faculty member is responsible for providing care for a group of 15–20 students. Each mentor must compile a list of every student assigned to her, including their name, class, division, roll number, phone number, and email address.

The mentor will be tasked with looking after all of the mentees, including offering career and personal counseling, helping them with any issues they may be having in their coursework, and providing remedial coaching and support. The Basic Engineering & Science department will provide mentors to first-year students, while the parent department will provide mentors to second, third, and fourth-year students. The same group of students will continue to receive mentoring from departmental faculty members until they graduate.

Responsibilities: The mentor will perform the following functions. The list of course cannot be exclusive. A mentor can always do more for the benefit of the students.

- To maintain personal details of the students including their address, contact numbers, overall academic performance and progress.
- Meet the group of students at least twice a month.
- Continuously monitor, counsel, guide and motivate the students in all academic matters.
- To motivate the students to excel in both academic and non – academic fields
- To help mentees identify their own goals and offer empowerment and encouragement to guide them to achieve their goals or solve any challenges along the way.
- Advise students regarding choice of electives, project, summer training etc.
- Contact parents/guardians if situation demands e.g. academic irregularities, negative behavioral changes and interpersonal relations, detrimental activities etc.
- Advise students in their career development/professional guidance.
- Keep contact with the students even after their graduation.
- Intimate HOD and suggest if any administrative action is called for.
- Maintain a detail progressive record of the student.
- To keep continuous track of their mentees with reference to attendance, discipline and overall development
- To systematically maintain the records of all discussions with students in the mentor's report.
- To advise Principal / Dean Academics in matters of leave or absence, official recommendation etc.

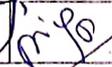

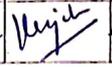

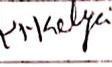

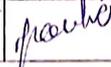

HOD: The HOD will,

- Meet all mentor of his/her department at least once a month to review proper implementation of the system
- 2. Advice mentors wherever necessary.
- 3. Initiate administrative action on a student when necessary.
- 4. Keep the head of the institute informed.

The mentors should take up following responsibilities to provide, a reliable and comprehensive support system.
