

Criterion- 2: Teaching and Learning Evaluation

2.5.2 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

The institute has a well-structured and dynamic Internal Examination Grievance Cell, linking students with the faculty in the continuous evaluation process. The cell follows the guidelines of the affiliated university for conducting internal examination and redressing grievances.

S.No	Type of Grievance	Document
1	Offline Grievance	Page No :2
2	Online Grievance	Page No:26

Description:

- Internal examination for every semester is conducted as per the time table given by the university.
- Proper seating arrangement for each class is made with internal jumbling mechanism
- All the necessary steps are taken to avoid malpractices in the examination hall.

Objectives:

- Monitor the internal examination process.
- To solve the student's grievances related to internal examination.
- To solve the teacher's grievances related to internal examination.

Procedure for grievance redressal

- Students have to approach respective examination coordinator.
- An application duly stating the grievances to the exam section which is to be forwarded through concerned HoD.
- Having gone through the application, the exam section will forward it to the Principal.

- The Principal in consultation with the concerned faculty will examine it in detail and make a remark on the application before sending it back to the examination department.
- After taking necessary steps, grievance will be resolved with the panel of committee constituted by institute in a completely transparent manner within 72 hours.
