It's very useful for us in this lock down this is the best way to get up with a new concepts etc and we thank full for this course..

Session was informative and useful

It was awesome

Content delivered is so relative and useful

Episode is good and informative looking forward to gain more knowledge

The speaker Dr.Bhavya Manjeera has given very valuable information regarding technology transfer, IPR for academia, startups and industries . Also process regarding the filing a patent and technology transfer ecosystem. I would like to thank both NRDC and DIET for this successful program.

This session is nice, hope these type of events coming further

Excellent speech about ipr, patent with total basics, innovatins, horticulture, covid-19...

Good information...

This is very useful to the students who are having a good start up ideas and helpful to those who want to get patented or to get a copyrights for their invention .

So many ideas are collected from this very useful for our future plans

Excellent work done by Organizing team

I felt this webinar was very knowledgeable

Really inspiring Webinar to know in depth knowledge about IPR & patents. By speaker Dr.bhavya madam, NRDC

Got a few insights on IPR. Thank you for organizing the session
