M/s GRAFX IT SOLUTIONS PVT LTD-Tally

A SIX WEEKS WORKSHOP

ON

"TALLY –ERP 9"

(15th Nov, 2018 to 14th Jan, 2019

The Department of MBA had organized the TALLY –ERP 9 , a Two week online Training Program for II Year II Semester students at its campus in association with Graphix IT solutions Pvt Ltd, from 15th November 2018 - 14th January 2019 in the MBA Department seminar Hall from afternoon 1:00 PM – 4:00 PM on daily basis respectively . The Head of the Department , Convenor of the workshop Dr. Ram Kumar P.B co- convenor Mr. A. Kiran Kumar, Staff and students of MBA have been very much grateful to the Management of Diet , Training & Placement Officer Mr. Sunil kumar for providing an opportunity to conduct a useful and informative online training program on " **TALLY ERP-9**" which makes the students to be aware about latest technology in the area of Accounting software package with Marketing .

The Main aim of organizing this workshop is to provide knowledge on the accounting software package **Tally ERP-9** and its relevant core competencies also how to make use of this application to create and automate their daily transactions and to generate the reports by using the Tally and its supporting platforms .

About Tally in Brief:

Tally **helps in maintaining financial record of the company that includes net deductions, taxes, bonuses, and net payment**. **Management in banking sector** – Banks use Tally to calculate interests on deposits and also manage various user accounts. Tally support ensures ease in calculation and makes banking simpler.

Tally is **an ERP accounting software package that is used to record day to day business data of a company**. The latest version of Tally is Tally ERP 9. Tally ERP 9 Software is one of the most financial accounting systems used in India. For small and medium enterprises, it is complete enterprise software.

Features: **Accounting Features in Tally ERP 9**

- ❖ General.
- ❖ Outstanding Management.
- ❖ Cost/ Profit Center Management.
- ❖ Invoicing.
- ❖ Budgets/ Scenarios Management.
- ❖ Other Features.

Salient Features of tally:

Tally & Its Importance:

Tally is **a important tool in calculating monetary terms, accountancy, tax and GST calculating, managing commercial transactions effectively and efficiently**. Tally helps you to manage all your data in a proper way and can be efficiently accessed whenever needed. It allows you to collect all your data in a well-mannered way.

Benefits of Tally:

Tally **helps in maintaining financial record of the company that includes net deductions, taxes, bonuses, and net payment**. **Management in banking sector** – Banks use Tally to calculate interests on deposits and also manage various user accounts. Tally support ensures ease in calculation and makes banking simpler.

Inauguration:

The 8 weeks online Digital Marketing Training session has been inaugurated by our beloved principal sir Dr. Ch. Naga Prasad garu addressed the students, in his speech he stressed the importance of Accounts and Accounting packages now a days and the usage of them by the industry experts .

The session was followed up by HOD of Management Dr.P.B.Ram Kumar, in his speech Today, our society is driven by Accounts and Accounting packages . The impact is such that there are places in the world where the residents may not have clean water, but owned by smartphones. Another incredible influence on people's lives, nowadays, is digital marketing. It affects people's interactions, work, purchases, and habits. The digital marketing world is a gateway for potential customers to feel like a part of the brand. It offers the opportunity to feel connected with the business as clients see the content from the brand regularly.

Speaker : Mr.SUNIL KUMAR – GIT solutions Pvt Ltd.

Feedback from students :

By the end of the day, the feedback for the day 1 session has been taken up from the students by posing some questions to them, which makes the organizers think and implement changes required if any ?

1.   What is the use of an Accounting Package?

2.   What is the advantage that you get from Tally 9?

3.   How can we create our own accounts and monitor by using Tally software?

4.   Need of the tally in the accounting wing in the industrial sector?

5.   What is the impact of the software Accounting package in utilization of the commerce industry ?

6.   How do you rate the trainer in concerns of Explanation, Examples, Practical Knowledge and development?

7.   Do you feel that the training session is interesting/ Informative?

I would like to thank our honorable Chairman, Sri Dadi Ratnakar garu, for his continuous cooperation and support for conducting this workshop.

I would like to thank our beloved principal, Dr. Ch. Naga Prasad garu for his encouragement in all aspects for conducting industry based workshops.

I would like to thank Vice-Principal, All the Departmental HOD's , Faculty coordinators , Student coordinators, MBA department teaching and non teaching faculty members, Admin staff who knowingly and unknowingly helped in all aspects for making this workshop a grand success.
