## **VANAM-MANAM- A MASS PLANTATION PROGRAM**

NSS unit of Dadi Institute of Engineering and Technology (DIET), Anakapalli celebrated Vanam Manam – a Andhra Pradesh govt. Initiative to save Mother Earth on July 29, 2016 with great aplomb and enthusiasm. Meaningful messages were put up all around on the importance of trees and how they are the 'Lifelines'.

The Chief Guest **Sri Dadi Ratnakar** , Secretary & Correspondent in his address said that Vanam-Manam is celebrated as festival of Life. In India it is celebrated as a crusade to save Mother Earth. He asked the students to come up with innovative ideas for sustainable development without jeopardizing the non-renewable resources.

‘Van Mahostav’ festival of trees is a beautiful initiative to save the environment, to which we owe a lot. Everyone should plant trees in homes, schools, colleges, near offices and contribute in making our city greener than ever before.

Speaking on the occasion Principal Dr. Ch. Srinivasu said that Van Manam should be celebrated with full vigour and enthusiasm by ensuring the protection. Not just planting the saplings is enough , they should be watered regularly and should be protected.

NSS program officer Venkata Murali Palla in his address said that July month gives us the opportunity to fulfill our duty towards environment and towards trees, on which all of us and our coming generation depends. . Later in the day the guests, Principal, Head of the Departments, faculty and NSS volunteers, planted saplings and watered them and have taken a pledge to save mother earth by educating the need of mass plantation in the days to come.

## **VANAM-MANAM- A MASS PLANTATION PROGRAM**

NSS unit of Dadi Institute of Engineering and Technology (DIET), Anakapalli celebrated Vanam Manam – a Andhra Pradesh govt. Initiative to save Mother Earth on July 29, 2016 with great aplomb and enthusiasm. Meaningful messages were put up all around on the importance of trees and how they are the 'Lifelines'.

The Chief Guest **Sri Dadi Ratnakar** , Secretary & Correspondent in his address said that Vanam-Manam is celebrated as festival of Life. In India it is celebrated as a crusade to save Mother Earth. He asked the students to come up with innovative ideas for sustainable development without jeopardizing the non-renewable resources.

‘Van Mahostav’ festival of trees is a beautiful initiative to save the environment, to which we owe a lot. Everyone should plant trees in homes, schools, colleges, near offices and contribute in making our city greener than ever before.

Speaking on the occasion Principal Dr. Ch. Srinivasu said that Van Manam should be celebrated with full vigour and enthusiasm by ensuring the protection. Not just planting the saplings is enough , they should be watered regularly and should be protected.

NSS program officer Venkata Murali Palla in his address said that July month gives us the opportunity to fulfill our duty towards environment and towards trees, on which all of us and our coming generation depends. . Later in the day the guests, Principal, Head of the Departments, faculty and NSS volunteers, planted saplings and watered them and have taken a pledge to save mother earth by educating the need of mass plantation in the days to come.
