End of Annexure 3

R. Srinivas

Code of Conduct

Summary:

Mindtree Minds are expected to follow a professional code of conduct and work ethics. The intent of this document is to lay the ground rules for professional and disciplined behavior in the office premises and/or at client locations. Mindtree cannot anticipate all situations that may arise during your employment. When in doubt about an appropriate course of conduct, please contact your supervisor or a People Function representative.

Your employment with Mindtree is subject to your acceptance of this Code of Conduct Procedure. All Mindtree Minds are required to read, understand and sign the Code of Conduct procedures when they are hired.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than \$25. If you receive any gifts from a vendor with a value greater than \$25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

11) Usage of Assets

As a Mindtree Mind, you will come in contact with the below mentioned assets as part of your job. You shall not disclose or divulge any of these assets without permission. You also shall not give false information, misinterpret or misquote any of these assets.

Information which can safely be construed as intellectual property or as copyrightable material includes the following -

- Confidential data
- Any business/functional plan
- Personal information

Hence you are directed not to disclose Mindtree's confidential information to anyone (including fellow employees, if you are unsure of whether to divulge or not) unless otherwise required or permitted by law or directed by Mindtree management.

12) Workplace Etiquettes

Workplace etiquette and housekeeping of personal space is a discipline. You must keep your desk space area clean at all times and should put away any papers, books, files, stationery, etc. when you close work for the day. You must ensure that you maintain minimum noise levels at all times so as not to disturb others. 13) Information Disclosure

As a Mindtree Mind, you are expected to maintain the confidentiality of Mindtree's trade secrets and private or confidential information. Trade secrets may include information regarding the development of systems, processes, products, know-how and technology. If in doubt about whether a document or other information should be considered confidential, please contact your supervisor or People Function representative.

Mindtree Minds should not speak to the media on Mindtree's behalf without contacting company spokesperson/public relations personnel. All media inquiries should be directed to them.

You must be aware that Mindtree subscribes to the provisions and guidelines of security controls as defined under ISO 27001 in the current form and with any subsequent changes. In Mindtree, you are expected to adhere to the defined compliance under the security policy. Any breach of information security controls may result in disciplinary action up to and including termination of employment.
