A Report on
MEGA BLOOD DONATION CAMP
on
01.10.2019

"A life may depend on a gesture from you, a bottle of Blood"

Mega blood donation camp was organized by DIET NSS unit in association with A S Raja blood bank and NTR Blood bank on 1st October, 2019 on the eve of National voluntary blood donors day at Dadi Institute of Engineering and Technology, Anakapalle. Principal Dr. Ch. S, Naga Prasad inaugurated the camp. In his address he conveyed that every year in the month of October the college NSS unit is successfully conducting blood donation camps and saving lives of many people. He appealed to the students to make a habit of donating blood at regular intervals so that it will energize the donors and makes them healthier and also appreciated the gesture of voluntary donor.

Dr. Radha Rani of A S RAJA blood bank said that a confidential blood test report and a DONOR'S card shall be provided to the donors by A. S. RAJA Voluntary blood bank which is one of the country's largest and most modern blood banks with state-of-art technologies and service.

The samples were carefully sealed and transported away, while the volunteers and Blood bank staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors went through a series of medical checkups before donating blood and were given refreshments, a memento and a certificate of appreciation for this service to humanity. And NSS, DIET unit received a certificate of appreciation from A.S.Raja Blood Bank and NTR Blood Bank.

NSS program officer Mr A. Kiran Kumar said that the event was a huge success with a large number of students and teachers turning up for the cause and donating about 350 units
