

Grants-in-Aid

1. PI Responsibilities

1. The Principal Investigator is responsible for the preparation of the intellectual content for the proposal, determining the direction and conduct of the research or program activities during the project, and selecting, hiring and supervising project staff. The PI may hold primary responsibility for managing the project budget, completing technical reports, and any other award requirements necessary to maintain compliance with applicable sponsor and institutional rules and regulations or s/he may share this responsibility with a multi-investigator team.
2. The project handled by the faculty who acts as PI should prepare the relative documents related to the project selected and respective papers as per the funding agency/Consultancy.
3. A departmental review committee should take care about the data and ethical proposal forwarded to the principal for further execution.
4. The PI should check the requirements for consequent release of funding such as new bank account, daily attendance register, monthly performance and details related to seminars/conferences/journals involved in the project.
5. The PI appoints the required number of project associates by means of an advertisement and payment for such associates is made based on the details of funding agency and budget details.
6. The PI's should present the progress of the work in presence of principal, R& D convenor and other subject experts.
7. The PI's should prepare the draft utilization sheet which was verified duly audited by the Chartered accountant before submitting to the funding agency.
8. Any other material expenses, in house lab requirements those are not covering under project by funding agencies are met by the college authorities from the institutional research funds with permission from the principal.

9. The outcomes of the project in the form of prototype developed/innovation report/process through collaborative agencies are to be published in high reputed journals and the relevant endeavors are made for patent necessary support gets extended by the institute.
10. As far as the intra-institutional research is concerned, the PI should allow to encourage the upgraded the project work in collaboration with IIT's, NIT's , other premier universities, Engineering institutions having research interest.

2. CO-PI Responsibilities

1. A Co-PI is a senior member of the key personnel team whose role is similar to that of the PI in determining the intellectual content, direction, and conduct of the research or program activities. A Co-PI may share equal responsibility with the PI for project oversight, budget management, and reporting as part of a multi-investigator team or may direct a particular portion of the project and retain limited administrative oversight over the award.
2. All PI and Co-PIs are required to review the proposal before submission and certify the following
 - a. The information submitted within the application is true, complete and accurate to the best of his/her knowledge.
 - b. Any false, fictitious, or fraudulent statements or claims may subject him/her to criminal, civil, or administrative penalties.
 - c. S/he accepts responsibility for the scientific conduct of the project and submits required progress reports.
 - d. S/he agrees to the project commitments within the specific time and budget
3. The faculty of the college who acts as Co-PI should follow the instructions which are applicable to PI.
4. The Co-PI allows to grab the opportunities such as lab, student project team etc. based on the availability and the decision of head of the institution is final in regard this.

3. JRF/SRF Regulations

1. Every doctorate shall apply for a minimum of one government funded project.
2. Every faculty shall apply for internal project with an aim to apply for external funding. The required seed money for internal projects is provided by the University.
3. The university shall provide the basic infrastructure required to conduct either internal funded or external funded research.
4. All departments shall strive for recognition by National/International agencies through schemes/funding such as DST-FIST, SAP, CAS etc.,
