CRITERIA-3

3.1.3 - Number of teachers who were awarded national / international fellowship(s) for advanced studies/research during the year 2024-2025

Additional Information

During the academic year (2024-2025), One faculty member at Dadi Institute of Engineering & Technology (DIET) selected for prestigious Post Doctoral fellowship at SR University, Warangal to pursue advanced studies and research. These indicates the academic excellence and research potential of DIET's faculty, contributing to their professional development and enhancing the institute's overall academic profile.

Name of the teacher awarded national/ international fellowship/financial support	Name of the award/fellowship	Month and Year of Award	Awarding Agency
Dr S Ramana Kumar Joga	Post Doctoral Fellowship	2025	PDF

Key Details:

- Fellowship Programs:** Faculty were selected for competitive fellowship programs that support advanced research and specialization in engineering, sciences, humanities, and technology fields. These fellowships are awarded by recognized national bodies.
- Areas of Research:** The research topics spanned cutting-edge areas such as artificial intelligence and machine learning aligning with DIET's focus on interdisciplinary research and societal impact.
- Institutional Support:** DIET provides institutional support for faculty engaging in fellowships, including leave provisions, administrative assistance, and access to research facilities upon return, fostering an environment conducive to continuous learning and innovation.
- Outcome and Impact:** Faculty members who completed fellowships brought back new knowledge and expertise, which were integrated into the institute's curriculum, research initiatives, and collaborative projects, benefiting both students and the academic community.
