fig: student volunteers rally on awareness on road safety

NSS Unit at DIET conducted Road safety awareness on 20-8-2019. Road safety campaigns are an important way to spread awareness among people about road safety measures and rules. The results of road safety campaigns depend on the manner of communication to road users. 176 students along with NSS Unit participated in the event. Many issues about road measures, wearing of Helmet, no triple riding, wearing of seat belt etc ;were been made aware to the by passers.

NSS unit made people aware on the following points:-

- They informed divers the correct lanes to take so that they can avoid blockages caused due to abrupt turns.
- They were informed about sensitive functions and curves, speed limit, and presence of hospitals or schools, colleges nearby so that drivers can adjust their pace accordingly
