

Criterion- 4: Infrastructure and Learning Resources**4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.****Maintenance of physical and academic facilities**

There are established systems and produces for maintaining and utilizing physical, academic and support facilities laboratory, library, computer labs, classrooms, etc.

Our institute has very effective internal coordination and monitoring mechanism. The Principal monitors various curricular and co-curricular activities with help of conveners and members of the committees. The Principal carries out administrative activities. Along with this IQAC is functioning actively and effectively for the quality sustenance and enhancement.

Procedures for maintaining and utilizing physical and academic support facilities:

Library

Library has a Library Committee (LC) which functions as follows

To ensure relevant and required collection of books, journals and other sources to support all the courses offered in the institute.

1. To allocate appropriate budget to give the above stated source of materials to meet the curriculum of courses.
2. To offer library extension services to the students and teachers.
3. The committee acts as an integral audit or for quality checking and provides support and guidance for library functions.
4. The advisory committee periodically meets to discuss various issues related to the library facilities and services and suggest suitable solution for better functioning.
5. Teachers and students submit their book requirements in writing to the library and accordingly requirement is sanctioned by the committee.

Sports:

For maintaining and utilizing sports facility, Institute has an efficient Physical director he looks after all essentials of sports activities. related. As per the schedule of JNTUK University regarding the sports competitions, Physical director brings into notice of all students for their entries to participate

Labs:

For maintenance and up gradation of computers and other lab equipment institute takes help from system administrators and technical staff. The maintenance is done as per requirement of the institute. Institute is trying to have AMC with dealers for maintenance of computers, CCTV system and other lab equipment.

Infrastructure:

For maintaining and utilizing Classrooms and other infrastructures institute have Discipline Committee under the leadership of principal. The committee frequently supervises cleaning of class rooms, wash rooms and institute campus ensures clean and continues water supply for drinking water and wash rooms. The committee also monitors minor repairing of doors, windows, electric supply, furniture/ bench repairing, cleaning of water head tank, water coolers, and maintenance of mineral water plant. etc. to maintain healthy environment for teaching and learning.
