**A Report on  
Driving License mela on  
03/03/2018**

Driving license (DL) is an important document in India because **it gives citizens permission to drive and at the same time acts as a valid identity proof**. If people lose their driving license, they can easily get a Duplicate DL from the RTO (Regional Transport Office).

As a part of Driving License Test NSS Volunteers of DIET have joined this event very actively on march 3rd 2018.

The main purpose of this program was to create awareness among the public regarding about driving . Under this program, all the students had to participate. Even teachers were the essential part of this drive. As a part of this Drive, Volunteers and students are also take part in this drive.

NSS volunteers made this drive successful.
