A SESSION ON HOW TO CRACK FINAL INTERVIEW

The career guidance cell of the Institute has conducted a session on **HOW TO CRACK FINAL INTERVIEWS** to III B.Tech Studentson 25th April, 2022. The resource person Mr. P.V. Murali, former placement officer and current in charge of Career Guidance cell ,who been training people on this topic since a decade, out of his experience has provided some valuable tips for the pre-final students in a crystal clear manner with live examples to the various questions that are likely to be questioned in the interview.

He opined that to crack an interview in the 1st attempt, it's easy but requires some homework on candidate's part.

He asked the aspirants to work on certain aspects before they attend an Interview

- Research about the company

Know about the company/ organization where you have applied. You may get some info from their websites and from net.

- Know what post you are applying for. Check out the job profile in any job site, say Naukri.com - Jobs - Jobs in India - Recruitment - Job Search - Employment - Job Vacancies and they will give clues to what to expect regarding the nature of job and of course the industry standard when it come to remuneration.
- An interview can be split into HR and technical interviews.HR interview are basically to see how we are as a person, they may ask questions like would be willing to work

4

under pressure, would you work from anywhere, what will you do if your targets are not met. Prepare for such questions.

- As to technical round they may test your subject knowledge and be updated with their subjects.
- For most of the interview they look at the candidate's resume/CV. So write it well. DO NOT PUT something which you don't know or substantiate with. There is nothing wrong in saying you don't know the answer for a question.
- Be well groomed and dressed smartly. It can work wonders.
- Be confident when you sit before the interviewer it helps in giving your best and you will be able to crack it with ease.

He asked the aspirants to follow the tips and maximize their chances of getting hired in the first attempt:

- Prepare basic questions well like Tell me something about yourself, what this job or profile (be clear and confident with your answer), Where you see yourself after 5 years, and other common interview questions.
- Prepare well for the questions related to the profile you are applying.
- Wear formals, polished shoes, Combed hairs.
- Carry all the necessary documents as well as 2-3 copies.
- Know and read about the company, their services their achievements, Vision and mission, and about the position you are applying for from their website.
- Always reach to their venue 20 Minutes before time.
- Greet everyone with a smile.
- Always ask for permission before entering the interview room and do not sit until and unless told and greet the interviewer with a smile and confidence.
- Listen to all the questions carefully and answer to the point.
- Be very clear with all the answers and your thoughts.
- Tell your strengths that match with your profile
- Sit Straight with a confident posture
- Maintain the eye contact and do not look around
- Show your enthusiasm towards the job and position
- Answer all the questions with interest and confidence
- Be polite and show them that you are very excited to work with your way of talking.
- Say a thank you at the end of the interview with a smile and arrange your chair
- Email thanks for the opportunity to interview for the profile after the interview.

Follow all the things and the interviewer will be impressed with you. These tips contain everything including discipline, attitude, Confidence and soft skills. If you follow these tips then you will maximize the chances of getting selected as a fresher in the first attemptis what he conveyed to the aspirants.

Prepare your resume, don't leave any loop holes, don't mention things that are not you.

Try giving a mock interview, to whoever you know.

He has also revealed the most important secret than it is if you have been answering the frequently asked questions and have practiced and trued everything and you still are unable to get through the interview, than there is a deep issue however don't worry I can definitely help you with a few special techniques to 1st analyse and then remove this hindrance..

Hope this was helpful for you and all the best, remember if they do not pick you, there are lots who will pick you. Do better always.

Feedback Form

Academic Year: 2022-2023

Name of the Participant: K. Shanmukha

Register Number: 20045A0427

This Questionnaire is intended to collect information relating to your satisfaction towards the Guest Lecturer. The information provided by you will be kept confidential and will be used as feedback for quality improvement of the programmes conducted by the Department in future.

1. The content of the session was relevant for me

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

2. The content of the session was very comprehensive

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

3. Expertise of the resource person on the topic

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

4. Communication skills of the resource person

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

5. Preparedness of the resource person

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

6. Convenience of the session (timing)

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

7. The pedagogy used by the resource was very appropriate

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

8. Overall rating of the session

A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]

Suggestions for improvement (if any). NO

K. Shanmukha.

T&P Cell in association with Career Guidance Cell

“PERSONALITY DEVELOPMENT”

BY

KRIEATER KRISHNA

About Dadi Institute of Engineering and Technology:

In the words of Sri Dadi Ratnakar, Chairman of Dadi Institute of Engineering and Technology, Education is the most powerful tool to bring desirable changes in our personality and also to bring positive changes in our society. It is the only medium which enables you to move from darkness to brightness. It is indeed very heartening to witness that Dadi Institute of Engineering and Technology has carved a name for itself in the academic map of the sunrise state of Andhra Pradesh. The deepest desire of the Institution to serve the society has helped in moulding the technocrats and business leaders of tomorrow by providing the world class facilities that enable them to compete with their peers in the global competitive market with a blend of discipline and values.

DIET is the only institute in the entire country focusing on the all-round development of its students with active professional bodies of International repute and has the latest technologies made available for the students to enhance their skills to fit to the requirement of the industry.

DIET has an Active Research Centre that has helped in the establishment of Incubation center that is helping the students and faculty to give shape to their ideas. The energetic and dedicated qualified staff of the institute has transformed our institute as a preferred destination for the young techies to build a dream career.

About T&P Cell:

Training and Placement Cell is the backbone of any institute which is committed to develop dynamism, required skills, strong human values, technocratic and good leadership qualities. DIET placement cell was established in 2008 with a prime objective of creating career opportunities for promising DIET students in reputed companies

It is the dream of every Engineering student to get placed in the top companies visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various companies. At present, the competition for employment is increasing every day and providing placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Realizing that along with technical expertise, development of a holistic personality is also necessary. For a student to crack the recruitment drives, the placement cell invites reputed trainers from industry and renowned personality development training firms.

Training and Placement Cell in Dadi Institute of Engineering and Technology plays a vital role and is becoming a key department of the institute. As there are large numbers of Engineering and Technology colleges coming up in India, the competition for employment is increasing every day and the job of placement cell is becoming a challenging one. A full pledged placement cell is functioning in the Institute with a full-time placement officer.

Report:

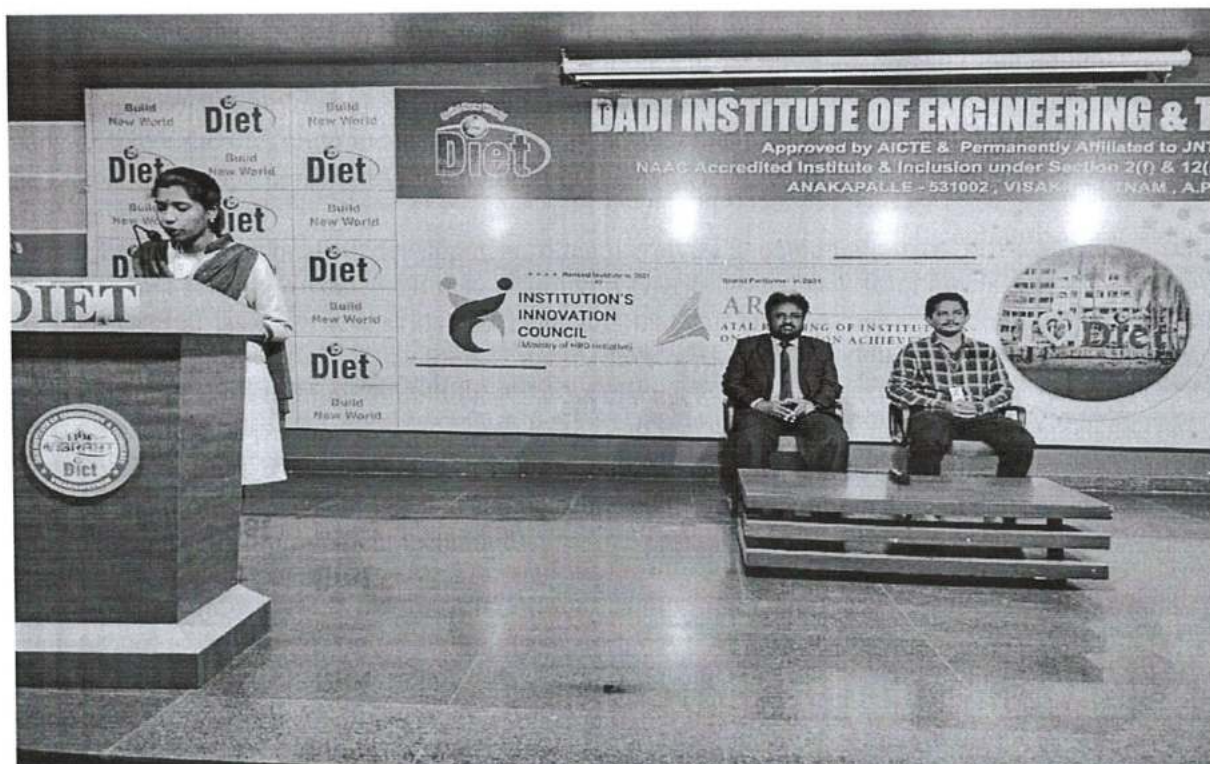

T&P Cell in association with Career Guidance Cell have organized a session on Personality Development on 10-08-2022 in Seminar Hall-I (AC). It is customary to organize session on personality development in order to motivate students to believe in themselves. The main motto of the personality development is to create synergies. A productive session like these is very important to take proactive steps to enhance the employability of present students and make to be part of the development of the Institute.

Personality development is a continuous and lifelong process of improving and enhancing one's traits, characteristics, behaviors, attitudes, and overall persona. It is a critical aspect of personal growth and success in both personal and professional settings.

There are several key factors that contribute to personality development, including genetics, upbringing, social and cultural environment, education, and life experiences. Additionally, there are many different theories and models of personality development, each with their unique perspective on the factors that shape personality, including trait theory, social learning theory, cognitive theory, and psychoanalytic theory.

Effective personality development often involves a combination of self-awareness, self-reflection, and self-improvement. It may also involve seeking feedback from others, engaging in new experiences, and learning new skills and behaviors that can enhance one's personality and personal effectiveness. Common techniques for personality development include goal-setting, positive thinking, communication skills training, mindfulness, stress management, and time management.

In summary, personality development is a continuous process of improving and enhancing one's traits, behaviors, and overall persona. It is an essential aspect of personal growth and success in both personal and professional settings, and can be achieved through a combination of self-awareness, self-reflection, and self-improvement techniques.

Kriater Krishna garu interacting with the students

Eminent speaker Sri. P.G.Krishna Murthy garu famously known as Kriater Krishna graced the session as the resource person. He mainly focused on the following aspects during the session.

1. Practice self-awareness: To improve your personality, you must first become aware of your strengths and weaknesses. Reflect on your thoughts, emotions, and behaviors, and identify areas where you can improve.
2. Cultivate positive habits: Develop positive habits such as regular meditation, exercise, and reading, that can help you maintain a positive attitude and a healthy mind.
3. Focus on personal growth: Set clear goals for yourself and focus on personal growth. Continuously challenge yourself to learn and improve, and seek out new experiences that can help you expand your horizons.
4. Practice self-control: Develop the ability to control your thoughts and emotions, and resist the urge to give in to negative impulses such as anger, jealousy, or greed.
5. Develop empathy and compassion: Cultivate a deep sense of empathy and compassion for others, and practice kindness and generosity in all your interactions.

In summary, personality development based on the resource person's session requires self-awareness, positive habits, focus on personal growth, self-control, and empathy and compassion towards others. By applying these principles in our daily life, one can develop a strong and virtuous personality that will lead to personal growth and success.

It is important to remember that the ceremony should be conducted with sincerity and respect, and the gift and shawl should be appropriate to the occasion and culture. The goal of a felicitation ceremony is to show gratitude and honor the resource person, and to inspire others to follow their example. For his contribution to the session, felicitation is a way to honor and express gratitude to the resource person. Principal Dr.Challa Narasimham and Vice-Principal Dr.R.Vaikunta Rao wrapped the shawl around the resource person's shoulders and offered a memento as a token of appreciation.

Training & Placement Officer Mr.Y.Hemanth Kumar, Assistant TPO Mr.R.Suneel Kumar, HOD of CSE Dr.K.Sujatha, HOD of BS&H Dr.Ch.Prabhakar have taken part in organizing the session.

Felicitation to the Resource Person Sri.Kriater Krishna garu

Awareness Session on Abroad Opportunities after B.Tech. and Emerging areas in Software Industry by Sri P.Hari RamanaMurthy Global Executive Director, IT Applications - Adient, Detroit, USA.

on 18-08-2022
at Seminar Hall-1(A/C) from 10am to 12pm.

The Career Guidance cell of Dadi Institute of Engineering and Technology has organized a session on Abroad Employment opportunities after B.Tech. and Emerging Areas in Software Industry to the IV B.Tech students on 18th August, 2022.

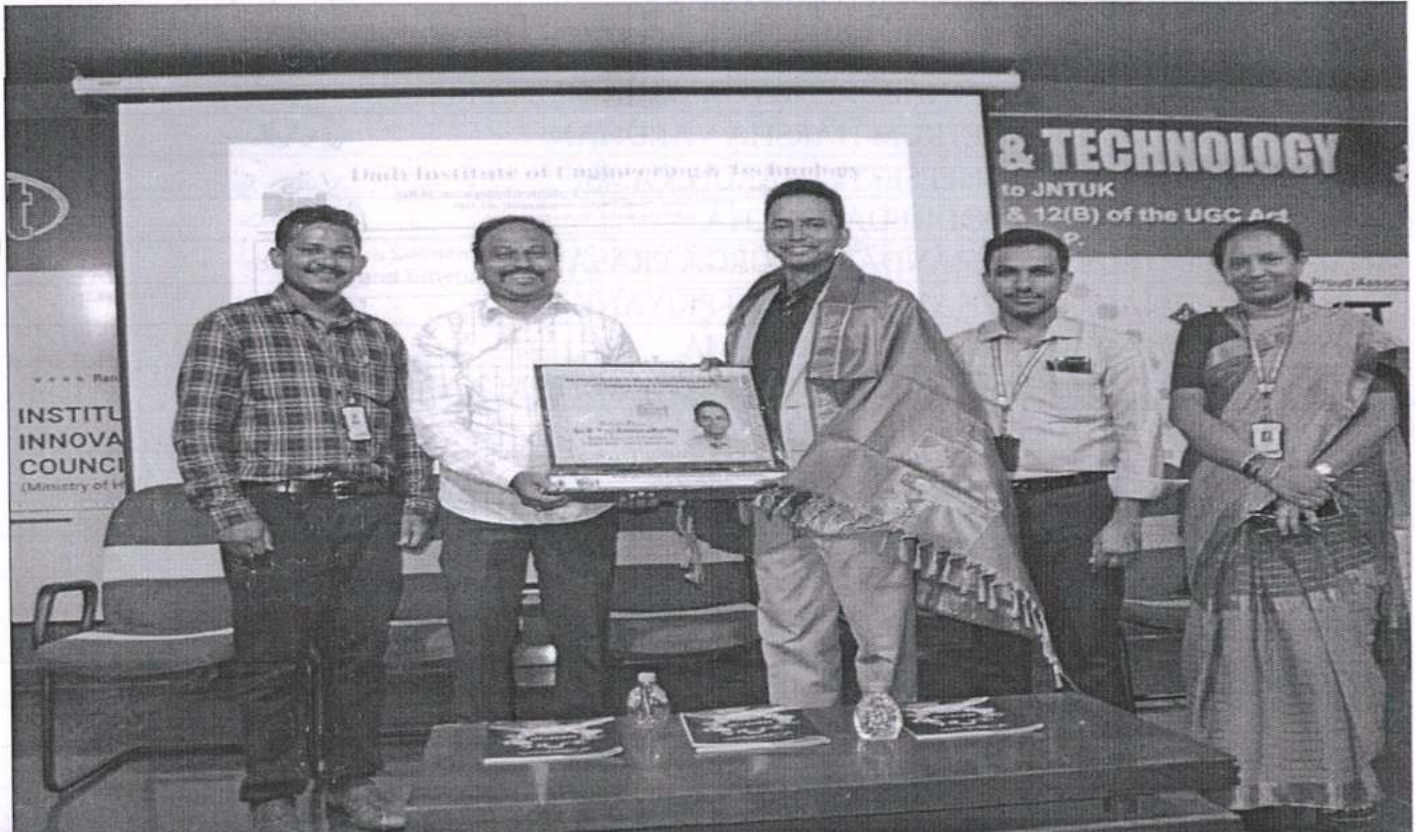

Sri P. Hari RamanaMurthy, Global Executive Director, IT Applications-Adient, Detroit, USA was the recourse person. He has given a wonderful talk on the opportunities for the engineering students especially in the Software Industry. He also felt that private sector has more employment opportunities which the young techies have to target. He also stressed the need of self-employment and Demand of Entrepreneurs to create job opportunities. He felt that the young engineers have to work on becoming entrepreneurs and initiate their start-ups.

He also explained the various higher education opportunities in USA after B.Tech. He also Stressed that in USA there are plenty of opportunities in work while study mode. He informed to the students that, present industry needs experts in AI, Machine Learning, Deep Learning, IoT.

The session was an interactive one where the students were very participative and engaged in questions with the dignitary. During the session the speaker educated the students to understand themselves first in terms of their interests and abilities and what do they expect from their education and career.

Career Guidance cell in-charge Mr. Palla Venkata Murali has conveyed that if any student has innovative ideas and wants to give shape to it can consult him to take it to the next level.

The management has expressed its concern towards supporting the student for startups and has come forward to establish incubation center with the necessary infrastructure to support the innovative ideas of the students. About 295 students from IV year of all branches participated in this session.

Felicitation to Sri P.Hari RamanaMurthy , Global Executive Director, IT Applications-Adient, Detroit

REPORT ON GUEST LECTURE ON "CONTEMPORARY OPPORTUNITIES IN CIVIL ENGINEERING" & "SPECIAL NOTE ON GATE-2023"

The Career Guidance cell in association with Department of Civil Engineering & DIET IE(I) Student Chapter has organized a Guest Lecture on "CONTEMPORARY OPPORTUNITIES IN CIVIL ENGINEERING" "SPECIAL NOTE ON GATE-2023" by Mr. P.Raja Kumar, Sr.Engineer QA/QC, Afcons Infrastructure Ltd, Ghana on 29/08/2022 Monday in Seminar Hall-2, IV floor at Dadi Institute of Engineering and Technology Campus. In this occasion all the III & IV B.Tech Civil Engineering Students and Department staff have attended the session.

Resource Person Mr. P.Raja Kumar guru, in his guest lecture explained in detail on the scope and sequential approach for brightest career in Civil Engineering and further discussed on the opportunities at Global level. He stressed on the passion that should be possessed by young engineers who are the future for building the great Nation. In this regard, he shared his personal experience during his educational career where he received very little guidance towards the path of his future. He further added with a strong determination to provide young Civil Engineers all sorts of resources and guidance, he started a Global platform named as "Construction Leaders" which provides lifetime free membership to all the Civil Engineering aspirants both students and professionals. The main reason to bring students and professionals on a single large platform is to bridge the gap between academics and industry. With this platform, he has delivered nearly 100 webinars, short videos from prominent core professionals.

In continuation of the session, the Resource Person have explained about the opportunities associated with GATE-2023 and explained a successful methodology to prepare the core subjects

Civil HOD Er.N.Ramu while addressing the gathering mentioned that the Resource Person Mr.P.Raja Kumar is the BOS member for Civil Engineering Department, DIET. He also appreciated his efforts and determination to share knowledge, resource in career guidance of young Civil Engineering Students.

Principal Dr. Ch. Narasimham addressing the gathering

Principal Dr.Ch.Narasimham while addressing the gathering reminded that Civil Engineering is one of the old disciplines with lot of career opportunities. To build a exciting career, GATE Score will play a prominent role and he also expressed that hopefully he is expecting good scores in GATE with guidance by today Resource Person and Civil department faculty members.

Honorable Chairman Sri.Dadi Ratnakar garu mentioned about the present booming scenario of IT field and how other Institutions are converting Civil Engineering seats into CSE. In this regard, he assured Civil Engineering will always be the integral part of DIET and he assured of all the facilities to be provided for the students. In this regard, he reminded about the support the management has extended for students who have participated in AICTE Mission Amrut Sarovar – Jal Dharohar Samrakshan Internship and he appreciated the two students who won awards in top 25 photography challenge.

PRINCIPAL

PRINCIPAL
Dadi Institute of
Engineering & Technology
ANAKAPALLE - 531 002

Training and Placement Cell in coordination with Career Guidance cell organized orientation program for Higher Education (GATE) on 29th August, 2022.

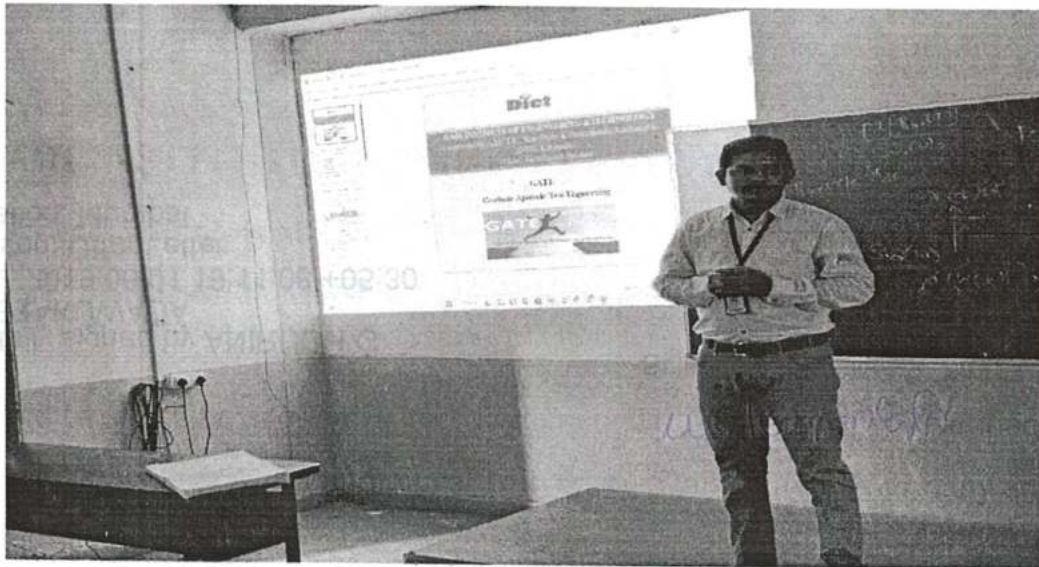

Resource person Mr. Y Hemanth Kumar, T&P Officer has carried out the session in a lively manner by handling the student queries in an effective way.

- Content Covered
- Overview of GATE exam and paper patterns
- Last 10 year statistics of GATE exam like Total candidate and passing percentage
- GATE Score required for seven old IITs and NITs.
- Validity of GATE for various PUSs.
- Validity of GATE score to pursue higher education in management like NITIE

42

- Validity of GATE score to pursue higher education in Singapore National University, Nanyang Technological University, University of Germany and other top universities.

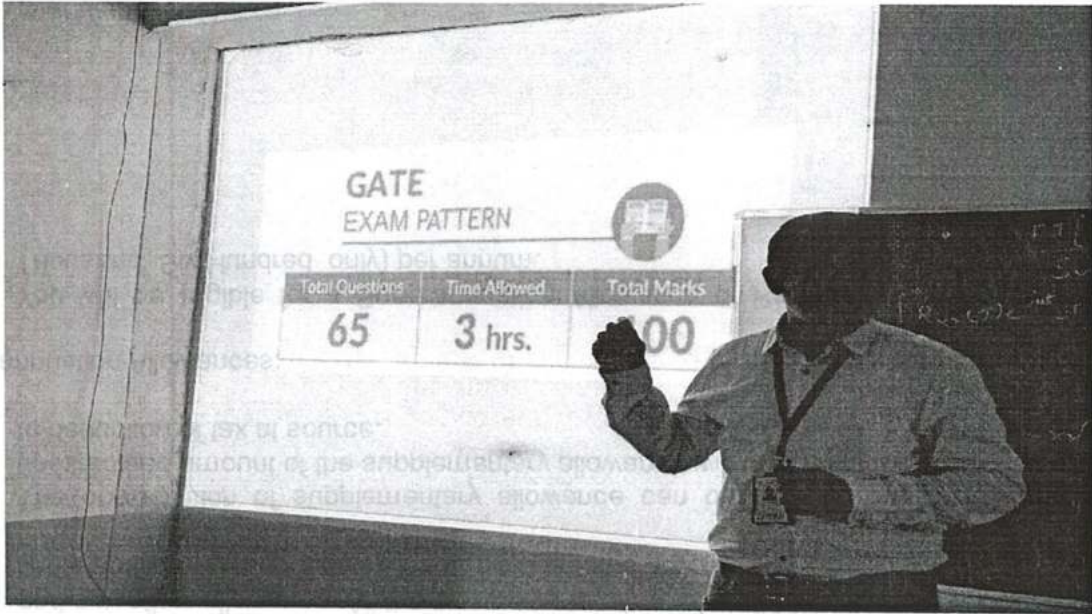

Programme outcomes

- Participants should be making aware of GATE exam.
- GATE Score required to pursue Higher education in Premier Institutions.

References

www.diet.edu.in

- Understanding subject weightage and to carry out focus study.

Awareness session on Meditation for Confidence, clarity and Manifestation

The Career guidance cell in Association with Rotary club of Anakapalli and Buddha-CEO Quantum foundation organized a session on Meditation for Confidence, clarity and Manifestation for the I B.Tech. students as part of the student Induction program (SIP). On 30th September.2022 Sri Chandra Pulmarasetti, Motivational coach and founder of Buddha CEO, Quantum foundation has delivered a wonderful session on how one can use meditation to

improve the confidence, clarity and manifest one's life.

As a part of the session the participants were made to

- Learn the fundamentals of meditation, techniques for Ana-Apana-Sati and the details around it. Understand what meditation is and what it is not.
- Learn the powerful process of 'Heart -Elevation' to make your mind highly conducive to becoming empty. Know about 'heart and mind coherence'.
- Understand the Impact of meditation on the brain waves and the power of the conscious and subconscious mind. Recognize how meditation moves one into peak performance states.
- Understand how meditation can help combat stress, anxiety, fear, depression etc.
- Learn how meditation can heal physical ailments, improve mental health and enhance body energy
- Understand how it can repair the body and slow down aging. Understand the science behind Epigenetic for perfect health

Feedback Form

Academic Year: 2022 - 2023

Name of the Participant: B. Teja

Register Number: 22UH1A0101

This Questionnaire is intended to collect information relating to your satisfaction towards the Guest Lecturer. The information provided by you will be kept confidential and will be used as feedback for quality improvement of the programmes conducted by the Department in future.

1. The content of the session was relevant for me
A. Excellent B. Good C. Average D. Satisfactory E. Poor [A]
2. The content of the session was very comprehensive
A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]
3. Expertise of the resource person on the topic
A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]
4. Communication skills of the resource person
A. Excellent B. Good C. Average D. Satisfactory E. Poor [A]
5. Preparedness of the resource person
A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]
6. Convenience of the session (timing)
A. Excellent B. Good C. Average D. Satisfactory E. Poor [C]
7. The pedagogy used by the resource was very appropriate
A. Excellent B. Good C. Average D. Satisfactory E. Poor [B]
8. Overall rating of the session
A. Excellent B. Good C. Average D. Satisfactory E. Poor [A]

Suggestions for improvement (if any). NIL

BE THE GARDNER OF YOUR OWN CAREER

Career planning is an important aspect of one's life to gain confidence and to crack a dream job. Along with planning Personality Development is the need of the hour as it is essential for the holistic development of students and their survival in this competitive world.

Keeping this in mind, A power packed training session **BE THE GARDNER OF YOUR OWN CAREER** was organized for the fresh inducts of Engineering by career guidance cell of Dadi institute of Engineering on 17th October, 2022, Renown Personality development trainer, coach and Impact Speaker Sri Venugopal Lakshmipuram was the resource person.

The session was highly energizing as the trainer has concentrated on providing a ROUTE MAP to the students on how to succeed in life. He has provided them the necessary inputs on how they can excel in their chosen areas and justify their passion.

This was followed by a discussion on The Self, one's desires, dreams, passions and motivations. Students were told how important their dreams and desires are for developing the personality. It was stressed that they need to have a passion in life. Students were also given tips on how to increase their self-esteem. They were also encouraged to be optimistic and to have a positive approach about everything in life. Most importantly, it was emphasized that they should love themselves and never lose confidence.

The trainer with his wonderful narrating skills has spell bound the complete hall by quoting certain examples from his life and asked the students to be the Gardner of their own career and nurture their skills to fit to the requirements of the industry.

Phone: 9963981111, E-Mail: info@diet.edu.in, Web: www.diet.edu.in

Trainers' high-energy presentation kept the students on the edge of their seats. Trainer had delivered the serious content in a humorous way and made the students feel that they can

achieve even the impossible tasks of life with much ease if they are determined.

He urged students to convert all their problems into weapons, and analyze weaknesses and strengths and to reduce weaknesses one by one and increase strengths in a stepwise manner. Moreover, he said to learn daily new thing, and asked to bother less about criticism and avoid misunderstanding and gossiping about others, rather work with dedication, with a burning desire to be successful in life and understand life in a better way. He highlighted on effective planning, time management, setting goals in life and achieve them, evaluating oneself from time to time to grow personally and professionally by self-introspection. Students actively participated in the session and were happy and filled with enthusiasm and confidence. They were overwhelmed with thanks and showed their gratitude towards the trainer for helping them to be determined to achieve their success and thanked management for such beautiful and informative sessions;

The chairman Sri Dadi Ratnakar has conveyed that the management is always in the forefront to encourage the students for their holistic development and is in the plans of inviting the eminent trainers from time to time to inspire the students in reaching their set goals.

Principal Dr.ChallaNarsimham - in his address felt that proper guidance will help the students to reach their desired destination and the role of training and placement cell and career guidance cell are key to make the students employable.

Feedback Form

Academic Year: ----- 2022-2023 -----

Name of the Participant: ----- M. Sravan -----

Register Number: ----- 2204/A4237 -----

This Questionnaire is intended to collect information relating to your satisfaction towards the Guest Lecturer. The information provided by you will be kept confidential and will be used as feedback for quality improvement of the programmes conducted by the Department in future.

1. The content of the session was relevant for me
A. Excellent B. Good C. Average D. Satisfactory E. Poor [b]

2. The content of the session was very comprehensive
A. Excellent B. Good C. Average D. Satisfactory E. Poor [b]

3. Expertise of the resource person on the topic
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

4. Communication skills of the resource person
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

5. Preparedness of the resource person
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

6. Convenience of the session (timing)
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

7. The pedagogy used by the resource was very appropriate
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

8. Overall rating of the session
A. Excellent B. Good C. Average D. Satisfactory E. Poor [a]

Suggestions for improvement (if any). Should have spent more time to clarify doubts

M. Sravan
