

Students Progressing to Higher Education

The Institution has a special section named **career counseling and guidance**, which will continuously help students in guiding them to cracking the competitive examinations, group discussion, interview etc. The Institution has Library which also purchases reference material like year books and Journals to make students aware of current affair. The students also have access to millions of e-resources through J-Gate , IEEE and DELNET.

The Institute conducts Cambridge ESOL Examinations every year in the campus as a part of being Cambridge Preparatory Exam Centre. At the outset, the Institution has conducted Business English Certificate (BEC), OXFORD (IETLS) training classes for the students.

The Institute publishes MEMOIR” every year. It comprises of contributions made by the students in the form of poems, essays, articles, translations, and short-stormiest. It also highlights the academic and extra-curricular activities undertaken by various departments, committees and societies of the college.

Revision classes are conducted towards each academic session/semester. Mentoring of such students is done at an individual level by the teachers such as during the tutorial classes. Counseling is provided by teachers at an individual level to students interested in various state & national level competitive exams and university level entrance exams.

The placement committee facilitates the conducting of lectures and interactive discussion sessions by inviting resource persons from various reputed colleges, industries and Government offices. Placement cell also organizes lectures and workshops to prepare the students for competitive examinations. For details please refer to criteria 5.2.3.
