## Student Activity Centre (SAC)

The educational system, whether traditional or modern, revolves around the mentor-student relationship. While institutes primarily focus on the teaching and learning process, there is a need for additional motivation to help students meet the standards of industry and society. Intellectual innovation, social engagement, and universal sustainability demand that students develop diverse values, communication skills, and hidden talents. These attributes complement academic and co-curricular pursuits, making club activities vital in transforming students' passions and hobbies into socially relevant skills for global demands.

Through self-efficacy, students gain opportunities to enhance their performance in various social scenarios.

### **Purpose:**

To Encourage students to pursue activities they are passionate about.

### Membership Guidelines

- To join a club, students must attend meetings at the start of the semester. The club will finalize its roster early in the term.
- Top-level coordinators will invite interested students to become members of individual clubs and oversee activities as per schedules. Membership duration may vary based on requirements.
- Attendance at meetings is mandatory for both student and faculty coordinators.
- Monthly meetings will track and discuss the progress of club activities.
- An event calendar must be prepared and followed, featuring awareness programs, workshops, and events.
- Club coordinators must maintain proper documentation of events and finances, and they are responsible for funds and resources issued by management.

### Student Activity Centre Objectives

DIET provides students with ample opportunities for conducting curricular and co-curricular activities through the Student Activity Centre (SAC). Managed by students, SAC fosters creativity, awareness, and holistic development.

## Communication Club:

Focuses on enhancing communication skills through English reading, quizzes, and competitions during major college events. This club facilitates and inculcates the habit of English reading which will enhance the communication skills. This club will motivate the students to get habituated to read some good English Novels or magazines etc. This Club conducts General Knowledge Quiz Competitions for the entire college during the National Tech Fests, Annual Day Competitions, Hostel Day Celebrations, etc. This is a monthly event.

*Faculty Coordinator:* Mr. P.V. Murali, Assistant Professor in English

## Music Club:

Music club has been set up to encourage talent in music instrumental as well as vocal. It is the best way to express our emotions and feelings. The club will help students to retain and enhance their own individual love of music. It also helps our community, developing a sense of group identity and togetherness. Music enables our students to better understand the world we live in. Music is the fabric of our society, and music can shape abilities and character. Students in band or orchestra are less likely to abuse substances over their lifetime. Musical education can greatly contribute to children's intellectual development as well. Supports talent in vocal and instrumental music, offering access to instruments like guitar, tabla, drums, and organ.

*Music Teacher:* Mr. P. Kiran Kumar

## DIET Literary and Cultural Club (DLCC):

The club conducts literary activities such as debates, dramas, group discussions, interactive sessions, skits, poetry and short story writing, storytelling, and quiz contests. Art is not what you see but what you make others see". With this belief in mind, DIET endeavors to showcase life as they see it through the eyes of art. Arts and Cultural Club is an ambitious, all-inclusive one. It is a tempting, artistic, beautiful meeting-place for anybody with passion. The clubs' mission is to bring out the hidden talents among students and also provide them a stage where they can showcase their arts and cultural talent and interest. The club provides lot of opportunities in the form of competitions and workshops for igniting the spark of interest present in the budding technocrats and honing their skills towards showcasing their talents.

*Faculty Convener:* Mrs. D. L. Mythri, Assistant Professor in ECE

## Dance Club:

The motto of the Dance Club is to nurture the talent, celebrate the diversity and give expressions to the creativity of young minds. It encourages students to participate in various inter and intra college dance competitions. The club is actively involved in organizing various dance competitions in the institute. DIET Dance club makes the students to adapt creative, fun and easy way of learning dance. Dance club keeps the students to be fit, socialize and learning skills through dance. Students participated in other colleges and also brought laurels for the college.
