Sir,

With due respect, here by stating that, I, on behalf DLCC request you to conduct Ganesha idol making on 21st Aug 2020 for all the students on behalf of Vinayaka Chavithi in online mode due to COVID-19 pandemic. We are planning for making Eco friendly Ganesha as the theme there by representing Environmental sustainability. Arrangements are done by DLCC students.

We, therefore, hope that you would be kind enough to permit us to conduct the event in the DIET premises and oblige thereby. The faculty & students of DLCC will take care of all the arrangements. Kindly grant us the permission. Awaiting anxiously for your reply.

Thanking you Sir,

Greetings from Dadi Institute of Engineering & Technology

Venue: Online

The holy festival of Ganesh Chaturthi is celebrated every year with great fervour in the country with thousands of devotees thronging temples and 'Ganeshotsav pandals' to offer their prayers

As a part of Ganesh Chadurthi, DLCC has conducted an online event about Eco friendly Ganesh idols with the theme "Be The Change Go For Green (Clay) Ganesh" Be Eco-Friendly...Use Eco-Friendly..."

We created awareness among students to choose clay Ganesh idols instead of those made of plaster of Paris or those painted with chemicals

Students participated in the event & prepared Eco-Friendly Ganesh Idols with "Mud/Clay"/ "Turmeric" / "Flour".

Sub: Permission for celebrating Brain enhancement activity in the Institute campus on 25th Aug 2020 - Reg

Sir,

With due respect, here by stating that, I, on behalf DLCC request you to conduct brain storming activities for 1st year Btech students on 25th Aug 2020 at DIET Seminar hall-I. We are planning for conducting various games that will empower their brain like Puzzles, Riddles, Tongue Twisters. Arrangements are done by DLCC students.

We, therefore, hope that you would be kind enough to permit us to conduct the event in the DIET premises and oblige thereby. The faculty & students of DLCC will take care of all the arrangements. Kindly grant us the permission. Awaiting anxiously for your reply.

Thanking you Sir,

Yours Sincerely,

D. Mythri

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

~~DLCC has conducted various brain grooming activities for the newly admitted students under~~
B.Tech Course. As a part of this students were given various puzzles and brain teasers to improve their cogitation skills.

Brain grooming activities makes students feel good and releases endorphins. Grooming activity is rewarding and good in influencing mood. Exercising the brain to improve memory, focus is a top priority for many people. Brain activities boost up ones memory, concentration and focus can make daily tasks quicker and easier and keeps brain sharp as one gets older.

Students from various branches have actively participated in all the activities and exhibited their creative skills in cooking up stories with given keywords. Students from CSE exhibited their talent in every event.

Events conducted:

- **Self Introduction**
- **Solving puzzles**
- **Tongue twisters**
- **Communication game**

Sub: Permission for celebrating “Symbol of Eternal Life”- Christmas Celebrations
in the Institute campus on 24th Dec 2020– Reg

Sir,

With due respect , here by stating that, I, on behalf DLCC request you to celebrate Christmas on 24th Dec 2020 at DIET lobby premises. We are planning for some games, a Christmas tree and a manger which can be nicely decorated by DLCC students and set at the corner to give the Christmas feel. Our SAC Choir will be singing Christmas Carols.

We, therefore, hope that you would be kind enough to permit us to Celebrate Christmas in the DIET premises and oblige thereby. The faculty & students of DLCC will take care of all the arrangements and also the cleaning up after the celebration. Kindly grant us the permission. Awaiting anxiously for your reply.

Thanking you Sir,

Yours Sincerely,

D.L. Mythri

Greetings from **Dadi Institute of Engineering & Technology**

Christmas day is celebrated across India every year on 25th of December. Christmas is the festival which inspires the spirit of sharing and caring. The College was beautifully decorated and students were dressed as Santa Claus. The students of SAC sang melodious carols and wish their faculty and classmates. The significance of the festival was explained to the students through the Christmas story. The boundless joy of celebrating the festival was visible on the faces of all the students. **Students** decorated Christmas tree, Snow man with lamps and toys and flowers in one corner. All students actively participated in Chocolate Bomb blast game & Guess Me Who I am, the events are conducted by DLCC.

The Chairman, Principal, Vice Principal & the whole staff and Students participated in Christmas celebrations.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, he conveyed Christmas wishes and distributed prizes to winners & Presented gifts to students on the Eve of Christmas

Dr **Ch. Narasimham**, Principal of DIET in his address referred importance of the Christmas with small story and conveyed his wishes to all students.

WEBINAR REPORT ON MULTI DISCIPLINARY AND HOLISTIC EDUCATION

2nd August, 2021

Organized by

Diet Literary & Cultural Club

Under National Education Policy

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Event date: August 2nd 2021 on behalf of Discussion on Transformative Reforms under National Education Policy

Event conducted : Webinar on Multidisciplinary and Holistic Education

Place of event : Dadi Institute of Engineering and Technology through online mode

Timings: 3:00 PM – 4:00 PM

Total No of participants:

Coordinator: Mrs.DL.Mythri, Ms.Ch.Preethi, Ms. Lalitha Bala, Mrs.K.Manoharini

Speaker: Ms.P.Jagruthi

Diet Literary and Cultural Club(DLCC) organized a webinar on “Multidisciplinary & Holistic Education” to discuss on transformative reforms under National Education Policy. Webinar is being conducted on 2nd August 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology, **Dr. J.Babu, Professor**, Dadi Institute of Engineering and Technology spoke on various sub-themes covering Holistic and Multidisciplinary education.

Speaking on “Holistic and Multidisciplinary Education”, **Prof. Challa Narasimham** said that the characteristic features of Indian education system such as value system, sustainable philosophy of life, respect for plurality and multidisciplinary and holistic education system actually established India as Vishwaguru in the ancient times. Explaining various aspects of National Education Policy such as integration of humanities and arts with STEM subjects, multiple entry and exit, restructuring of undergraduate and postgraduate programmes, main streaming of vocational education, Academic Bank of Credit etc. he informed how all these recommendations have generated a renewed interest in holistic and multidisciplinary education and thereby put Bharat on the path to Vishwaguru, again.

Prof. J.Babu provided a deep insight on the topic “Building a knowledge society through Holistic and Multidisciplinary higher education”.

Citing various initiatives of the Govt. since 2014 **Prof. Ch.Prabhakar** observed that the holistic and multidisciplinary reforms in NEP 2020 are in sync with the Govt. approach to inculcate the culture of innovative, flexible and open curriculum. The way to evolve holistic and multidisciplinary education is to make education more experiential, interesting, integrated, inquiry-driven, discovery-oriented, learner-centered, discussion-based, flexible and enjoyable. Referring to what constitutes a good education in ancient times, he said such notion of knowledge of many arts including its modern application will place Bharatiya higher education in a different sphere to give us an edge in 21st century.

The talk by **Ms. P.Jagruthi** dealt with "Towards transforming Higher Education through Multidisciplinary and Holistic approach", one of the proposed objectives of National Education Policy. In her speech, she said that one of the important things about the policy is it requires an individual to learn how to learn. Besides, she dwelt in detail about establishment of one multidisciplinary institution in every district by 2030, allowing free subject combinations which are in line with the global demands. Further, the talk throws light on attaining the objectives of internationalization, reforms in teacher education, and regulatory reforms and considered these reforms as the right moves to meet the diverse global demands through multidisciplinary system.

Mrs.D.L.Mythri later explained that it is not only the subject specific knowledge which matters but also as how the discourse need to be conducted also matters. In addition to espousing holistic and multidisciplinary education she also elaborated on ways to make education holistic and how to achieve the culture of multidisciplinary.

WEBINAR REPORT ON INDIAN KNOWLEDGE SYSTEM, LANGUAGES, ARTS
AND CULTURE

5th August, 2021

Organized by

Diet Literary & Cultural Club

Under National Education Policy

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Event date: August 5th 2021 on behalf of Discussion on Transformative Reforms under National Education Policy

Event conducted : Webinar on Indian Knowledge system, languages, arts and culture

Place of event : Dadi Institute of Engineering and Technology through online mode

Timings: 3:00 PM – 4:00 PM

Total No of participants: 144

Coordinator: Ms.P.Jagruthi, Ms.Ch.Preethi, Ms. Lalitha Bala, Mrs.K.Manoharini

Speaker: Mrs.DL.Mythri

Diet Literary and Cultural Club (DLCC) organized a webinar on “Indian Knowledge system, languages, arts and culture” to discuss on transformative reforms under National Education Policy. Webinar is being conducted on 5th August 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology, **Dr. J.Babu, Professor**, Dadi Institute of Engineering and Technology spoke on various sub-themes covering Indian Knowledge system.

Talking about the way forward for the IITs in the subject area of Indian Knowledge Systems, **Prof. Challa Narasimham** remarked on the need to create and promote an Independent Center of Indian Knowledge Systems to revive the interest of students and faculty in Indian heritage and recreate a comprehensive and positive atmosphere of research, and outreach to humanity as a whole

He said *“The webinar which shall be the first among a long series of subsequent ones will create a comprehensive knowledge base and further promote an international policy of Indology. This is in the lines of the several firsts we have achieved in various scientific and technological progress of our nation which has led to us becoming an Institute of Eminence”*

Prof. J.Babu provided a deep insight on the topic "Indian Knowledge system, languages, arts and culture".

Prof. CH.Prabakhar spoke about Arts and Culture saying that "Promotion of Indian Arts & Culture is a priority that will benefit not only the nation but also the individual". It is necessary to introduce students to their culture which will enable them to have a sense of belonging and identity and will also help them value their culture & traditions. The students must develop a strong sense of their own cultural history, languages, arts, and traditions which will also boost their self-esteem and benefit society as a whole.

The talk by **Mrs.D.L.Mythri** dealt with the promotion of Indian languages will be integrated into school and higher education at every level. In order to help students learn these languages, there will be ensured availability of high-quality learning materials in the form of workbooks, textbooks, magazines, videos, poems, plays, novels, etc. Moreover, the language must have a consistent update to their vocabulary in the dictionary so that the students can be provided with education in terms of the latest topics and issues of the country.

The promotion of Arts & Culture will also include the inclusion of native Indian languages including the tribal languages in the curriculum for Science, Arts, Humanities, and other streams. Moreover, there will be flexibility for the students to choose a balanced course; especially in higher education and secondary schools; and formulate personalised cultural, artistic and academic paths.

SINGING OF RASHTAGAAN

DICT Literary and Cultural Club (DLCC)

As a part of the Government of India's celebrations under the 'Azadi Ka Amrit Mahotsav' to commemorate 75 years of India's Independence, Prime Minister during his "Mann Ki Baat" address of 15th July 2021, had urged citizens to sing the National Anthem to create a "Rashtra Gaan" record. It is an effort to get the "maximum number of Indians" to sing the National Anthem together. A compilation of the uploaded videos of the National Anthem will be shown live on 15th August, 2021.

REPORT ON "AZADI KA AMRIT MAHOTSAV"- RASHTAGAAN

13th August, 2021

Organized by

DIET Literary & Cultural Club

Event conducted : Singing of Rashtagaan

Place of event : Dadi Institute of Engineering and Technology through online mode

Total No of participants: Staff- 85, Students- 135

Coordinator: DLCC Coordinators

DIET Literary and Cultural Club (DLCC) coordinated the initiative being taken by the central government under the Azadi ka Amrit Mahotsav which was announced by our Honourable Prime Minister Narendra Modi

As a part of the Government of India's celebrations under the 'Azadi Ka Amrit Mahotsav' to commemorate 75 years of India's Independence, Prime Minister during his "Mann Ki Baat" address of 25th July 2021, had urged citizens to sing the National Anthem to create a "Rashtra Gaan" record. It is an effort to get the "maximum number of Indians" to sing the National Anthem together. A compilation of the uploaded videos of the National Anthem will be shown live on 15th August, 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology has taken up this activity and instructed all the staff and students to participate. He also informed that it is our responsibility as a citizen of India and should show our due respect towards the initiatives taken up by the govt of India in promoting our Patriotism .

The following steps need to be followed for singing and uploading the video:

(i) Open <https://rashtragaan.in>

(ii) Click on "Proceed" or on the right click at bottom right → (in case of mobile devices)

(iii) Enter the name in the box below the headline "Please enter the name here" and select the correct option in "Your Age Group", Enter the Country name from where the video is being recorded/uploaded. Then click on "Let's Sing" or on the right click at bottom right → (in case of mobile devices)

(iv) Align the face to the screen (At this stage the portal may ask for permission to record audio and video from the device being used).

(v) Once the face is aligned, Press on "Record" - The national anthem music will start playing after a countdown from 3 and the text of the national anthem (in hindi) will be visible for use of those recording a video.

(vi) Once the video has been recorded, there will be an option to listen to the recording before uploading or Restart (this will initiate the process on the portal ab-initio). If the individual is satisfied with the playback of the recording, Press Upload to enable the portal to save the video.

(vii) On successful uploading of the National Anthem, a 'Certificate of Participation' is automatically issued.

DIWALI CELEBRATIONS ON

03th November, 2021

Organized by

Diet Literary & Cultural Club

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

The season of joy, festivities, bright lights, sparkles, snacks and sweets is here! While we live in a country which sees festivals and celebrations all year round, Diwali is one of the most awaited festivals for the entire country. To be celebrated on November 4 this year, Diwali brings all communities together and marks the triumph of good over evil. Theme Painting event was conducted with a theme of "ECO FRIENDLY DIWALI" by DLCC as part of Diwali celebrations in DIET college. Total 47 students participated in painting. Students with their artistic bent perception painted with beautiful themes. Well painted themes are sensuous and inspired many of us. Our Management has provided gifts for each and every participant. The event ended successfully with joy and fun.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, he appreciated all for their artistic beauty in their paintings, who participated in the event and conveyed Safe Eco friendly Diwali wishes .

Dr **Challa Narasimham**, Principal of DIET conveyed his Diwali wishes to all students and As pandemic restrictions being slowly lifted, many will be looking forward to celebrating the festival of lights with their close ones, families and friends. While it remains ever so important to celebrate the festival in a safe, Eco friendly and healthy manner. Let each diya you light bring a glow of happiness on your face and enlighten your soul. Happy Diwali!

DLCC has conducted Christmas day celebrations on 24th Decemeber, 2021.

Christmas day is celebrated across India every year on 25th of December. Christmas is the festival which inspires the spirit of sharing and caring. The College was beautifully decorated with Christmas tree and crib and somebody was dressed as Santa claus. The students sang melodious carols and danced beautifully to wish their faculty and classmates. The significance of the festival was explained to the students through the Christmas story. The boundless joy of celebrating the festival was visible on the faces of all the students. There was the Christmas tree decorated with lamps and toys and flowers in one corner. All students are participated in various games conducted by DLCC.

The Chairman, Principal, Vice Principal & the whole staff and Students participated in Christmas celebrations.

Sri Dadi Ratnakar, Chairman of Dadi Institute of Engineering & Technology, he conveyed Christmas

Sub: Permission for celebrating in the Institute campus on 31st Dec 2021 – Reg

Sir,

With due respect, here by stating that, I, on behalf DLCC request you to celebrate New Year on 31st Dec 2021 at DIET lobby premises. We are planning for some Cultural Programs, Food Stalls and Cake Cutting which can be organized by DLCC students and set at the corner to give the Christmas feel. Our SAC Choir will be singing Christmas Carols.

We, therefore, hope that you would be kind enough to permit us to Celebrate Christmas in the DIET premises and oblige thereby. The faculty & students of DLCC will take care of all the arrangements and also the cleaning up after the celebration. Kindly grant us the permission. Awaiting anxiously for your reply.

Thanking you Sir,

Yours Sincerely,

D. Lakshmi Mythri

DLCC has conducted New year celebrations on 31st Decemeber, 2021.

New Year is celebrated with great enthusiasm and fun in DIET college.
There is a special gathering organized at open auditorium.

Celebrations started with cake cutting and crackers sound. The students sang melodious songs and danced beautifully to wish their faculty and classmates. The boundless joy of celebrating the festival was visible on the faces of all the students. New year resolution box has been prepared by DLCC team in which various students posted their ideas. Prizes were given to two lucky students who gave their new year resolution ideas. There were different food stalls arranged by students.

The Chairman, Principal, Vice Principal & the whole staff and Students participated in new year celebrations.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, he conveyed new year wishes to all the staff and students.

Dr **Challa Narsimham**, Principal of DIET conveyed his wishes to all students.
