“Desamunu Preminchumanna- Manchi Annadi Penchumanna”

Gurajada Venkata Apparao (21 September 1862 – 30 November 1915) was an Indian playwright, dramatist, poet, and writer known for his works in Telugu theatre. Rao wrote the play Kanyasulkam in 1892, which is considered as the greatest play in the Telugu language. One of the pioneers of Indian theatre, Rao holds the titles Kavisekhara and Abyudaya Kavitha Pithamahudu. In 1910, Rao scripted the widely known Telugu patriotic song "Desamunu Preminchumanna".

In 1897, Kanyasulkam was published (by Vavilla Ramaswamy Sastrulu and Sons, Madras) and dedicated to Maharaja Ananda Gajapati. Apparao (along with his brother Syamala Rao) wrote several English poems. His Sarangadhara, published in "Indian Leisure Hour", was well received. The editor of the Calcutta-based "Rees and Ryot", Sambhu Chandra Mukherji read it and re-published it in his magazine. Gundukurti Venkata Ramanayya, editor of the "Indian Leisure Hour", encouraged Apparao greatly during the same period. In 1891, Gurajada was appointed to the post of Epigraphist to the Maharaja of Vizianagaram.

**A Report on
8th International Yoga Day
On
21/06/2022**

Human beings are made up of three components—body, mind and soul corresponding these there are three needs—health, knowledge and inner peace. Health is physical need, knowledge is our psychological needs and inner peace is, spiritual need when all three are present then there is harmony.

‘Yoga gives us relief from countless ailments at the physical level. The practice of the postures (asanas) strengthens the body and creates a feeling of wellbeing. From the psychological view point, yoga sharpens the intellect and aid in concentration; it steadies the emotions and encourages a caring for others.

“Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind ‘and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being.

As part of third International Day of Yoga Diet Yoga and Meditation Club (DYMC) and NSS Unit of Dadi Institute of Engineering and Technology, Anakapalli has conducted awareness cum practice session to its students about the need of Yogic exercises to keep oneself fit.

Mr.N.NManakayala Rao (Nagesh) , well known Yoga instructor who served as resourceperson for the Yoga sessions conducted as part of the International Yoga day made the students to perform various yoga postures like Pawanamuktaasana , ‘Trikonaasana, BhujanganasanaUttaransasana , Suryanamaskaras an Pranayama.

He felt that in this materialistic world where everyone is busy from dawn to desk needs to imbed the practice of Yoga regularly for relaxation and to keep themselves fit.

Principal Dr.CH Narasimhamam, felt that only way for students to gain ‘concentration is the practice of Yoga and meditation and urged them to inculcate it into their regular schedules so that they can stabilize the body, mind and emotions.

Mr. Malla Kishore kumar Diet Yoga and Meditation Club convener said that regular practice of yoga imparts a lasting sense of joy, peace and fulfillment and also relieves one from chronic ailments and improves health.

‘Yoga has been inculcated as part of curriculum at DIET and students are made to practice Yoga once in a week in the campus under Diet Yoga and Meditation Club.
