The major objective of the Alumni Association is to maintain and enhance the relationship between the Institution and Alumni. The feedback of the Alumni is important in shaping the co curricular and placement activities of the college thereby helping in the overall development of the college.

At present the Institutional Alumni Association is engaging the Alumni in the conduct of guest lectures, technical talks and interaction with juniors. This is achieved through the Alumni cell and the Training and the Placement cell the interactions provide a clear picture to the junior students of what is expected out of them in various Industries. The Alumni further guide the juniors in preparation for competitive exams and higher education in Indian and Foreign Universities. A majority of the Alumni are in contact with the Students, Faculty, Administration through the online Professional platform notably WhatsApp, Facebook and LinkedIn. Their advices/ suggestions/ opinions are useful in shaping the co circular and placement activities. Some of the activities carried out by the Alumni include:

1. Few of our Alumni are entrepreneurs and they help the juniors in placement/ Entrepreneurship activities.
2. Some of our Alumni are in lead positions in top MNCs of the country notably TCS, Infosys, Wipro etc. They guide the junior students in placement training / interviews.

The Alumni get together is the place where the Institute gets first-hand information and support to form the Alumni. These are to be conducted regularly but the college has conducted them only occasionally. However, it is happy to note that some Alumni visit the college and give beneficial suggestions/ opinions. At present the Association is not seeking any monetary assistance from the Alumni as it has not been registered as a society with the Government.

The Institute plans to conduct one Alumni meet every year to ensure the wider participation of Alumni in different activities of college for the benefit of students.

Objectives of the Alumni association:

- To encourage and promote close relations between the Institution and its alumni and among the alumni themselves.
- To promote and encourage friendly relations between all members of the alumni body, an interest in the affairs and well-being of the Institution.
