DIET CREATIVE BUDDY APPS(DCBA_2K18) CHALLENGE AND ANDROID WORKSHOP August- September, 2018

**Organized by
DIET Project Review Committee**

Dadi Institute of Engineering & Technology(DIET) in collaboration with Indian Society for Technical Education(ISTE) has successfully conducted DIET Creative Buddy Apps(DCBA2k18) Challenge and Android Workshop, with the excellent amenities in our DIET campus such as Air Conditioned Seminar Hall and Labs, in the months of Aug-Sep, 2018 with the following schedule.

1. 28th Jul, 2018 – DCBA Poster Release
2. 31st Jul, 2018 – Registration ends for App Idea Submission (Max 2 per team)
3. 24-25th Aug, 2018 – Android Workshop
4. 8th Sep, 2018 – App Presentation/Demonstration
5. 17th Sep, 2018 – Certificate Distribution

Dadi Institute of Engineering & Technology was established by Sarada Educational Trust in the year 2006. DIET is founded by Sri Dadi Veerabhadra Rao, an academician and former Minister as the first multicultural and co-educational college in Anakapalle. DIET is the top ranked Engineering and Management Institute affiliated to JNTUK accredited by NAAC. The college is certified by ISO and associated with many professional bodies in the field of Engineering and Technology. DIET strives for promoting the highest standards among students enabling them to build a new world. We are thankful to **Sri Dadi Ratnakar, Secretary & Correspondent** for encouraging our idea of conducting this competition and support given for organising the DCBA-2K18 Challenge and Workshop without any hurdles.

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. We are thankful to **Prof K Hemachandra Reddy, Secretary, ISTE AP Section** as partial financial assistance to organize the Android Workshop from ISTE AP Section funds.

Fig 3: DCBA-2K18 Poster Release on 28th July, 2018

Sri Dadi Ratnakar, honourable Correspondent and Secretary conveyed his best wishes to the team and assured his best support for conducting the Competition and Workshop. Dr K Sujatha(DCBA Convenor & PRC Coordinator), Dr L Hari Krishna (HOD Civil), Dr L Prasanna Kumar(HOD CSE), , Mr B N Srinivasa Rao(HOD ECE) , Mr K Vijay Kumar(HOD EEE) and Department PRC Coordinators Mr. M.R.V.S.G.Gupta(Civil), Mr A Vasudeva Rao(CSE), Ms. P.Poorna Priya(ECE) Mr. M.Rajendra Prasad(EEE) , Mrs. K.Chandrika(MBA) have participated in the Poster Release Ceremony. Dr Ch S Naga Prasad addressed students and suggested them to actively participate in developing mobile applications competition and Android Workshop.

The Posters are displayed in all the notice boards of the college and circulated among all the departments. The convenor and coordinators visited every classroom announcing the benefits in participating in Workshop and competition. Students responded positively and have registered for DCBA-2k18. This competition is made open to all branch B.Tech students. So along with CSE and ECE students some teams are registered from Civil and EEE branches. The Poster and Brochure are as follows.

Mobile application development is the set of processes and procedures involved in writing software for small, wireless computing devices such as smartphones or tablets. DIET proudly announced DCBA Challenge that aims to bring together the best ideas from DIET Engineering and Management students to create innovative android Mobile Apps confined to below criteria

- College Apps
- Social Service Apps
- Realtime Applications
- Entertainment and Games

Applications meeting the competition criteria will be placed in Playstore with Individual Certificate Appreciation and will be made available for public to download and use the App. Each team can be formed with not more than two registered candidates. The teams should present and submit a self done mobile application on the specified date. The selected apps will be awarded and certificate of participation is given to every registered candidate.

Objectives

- Encourage ideas of students by building curiosity in developing and launching apps.
- Exposure to real time problems and innovations.

Outcomes

- Enhance student skills in application development and improve placement opportunities.
- Startup for building big projects.
