### AIDS DAY AWARENESS PROGRAMME

PROGRAMMING OFFICER  
DIET NSS UNIT

Principal

## **Report on AIDS day 01-12-2021 at DIET**

The awareness programme on AIDS Day is conducted on the premises of DIET Campus on 01-12-2021 by NSS team. NSS volunteers from all departments were participated. Around 200 students were gathered in the premises for this program. Principal sir addressed the gathering.

Acquired immunodeficiency syndrome (AIDS) is a **chronic, potentially life-threatening condition caused by** the human immunodeficiency virus (HIV). By damaging your immune system, HIV interferes with your body's ability to fight infection and disease. HIV causes AIDS and interferes with the body's ability to fight infections.

The virus can be transmitted through contact with infected blood, semen or vaginal fluids. Within a few weeks of HIV infection, flu-like symptoms such as fever, sore throat and fatigue can occur. Then the disease is usually asymptomatic until it progresses to AIDS. AIDS symptoms include weight loss, fever or night sweats, fatigue and recurrent infections. No cure exists for AIDS, but strict adherence to antiretroviral regimens (ARVs) can dramatically slow the disease's progress as well as prevent secondary infections and complications.

The awareness campaign was carried out with charts, prepared by different students. The student volunteers campaigned about this virus in all campus. In this HODs from various departments, faculty NSS program officer

## 1 AIDS Awareness Campaign in DIET Engg College

The Awareness program and Rally has been conducted in the local DIET Engineering college under the aegis of NSS team on 1<sup>st</sup> December 2021 with a view of World AIDS Day. On this occasion, the college Principal said that the Aids patients should not be hated or humiliated at any way and he educated the students about the precautionary measures to be taken to avoid Aids. And he hoped that AIDS should be terminated completely from the world within the couple of years to come and make the world AIDS –free. He asserted that Aids was not a communicable disease./ In this event, NSS programmer Kirran Kumar, Staff and students were participated.

## 2 Prevention is better than cure.

Efforts to be taken to prevent AIDS

----Joint collector,

District Joint collector made a call to everyone to put an effort to prevent Deadly disease Aids at any cost. Under the aegis of Red Cross, District Aids control board, Nehru Yuvakendra, District Legal Services and Datri Foundation conducted world Aids day program in order to create awareness among youth and public and what precautionary measure to be taken to prevent it completely. In this program, the chief guest, Joint Collector, P. Arunbabu participated and told that 15-49 years of age people were prone to Aids. Therefore, awareness should be created among these age group people and made them be aware of all precautionary measures.
