Report on Plantation drive for Green Environment.

Trees are a link between the past, present and future. With exponential decrease in forest cover worldwide, the only way we can save trees is by consciously acting towards environment conservation.

Disturbed by the perilous impact that rampant deforestation, fuelled by development and infrastructure projects, has over the environment, many individuals have turned into green crusaders over the years.

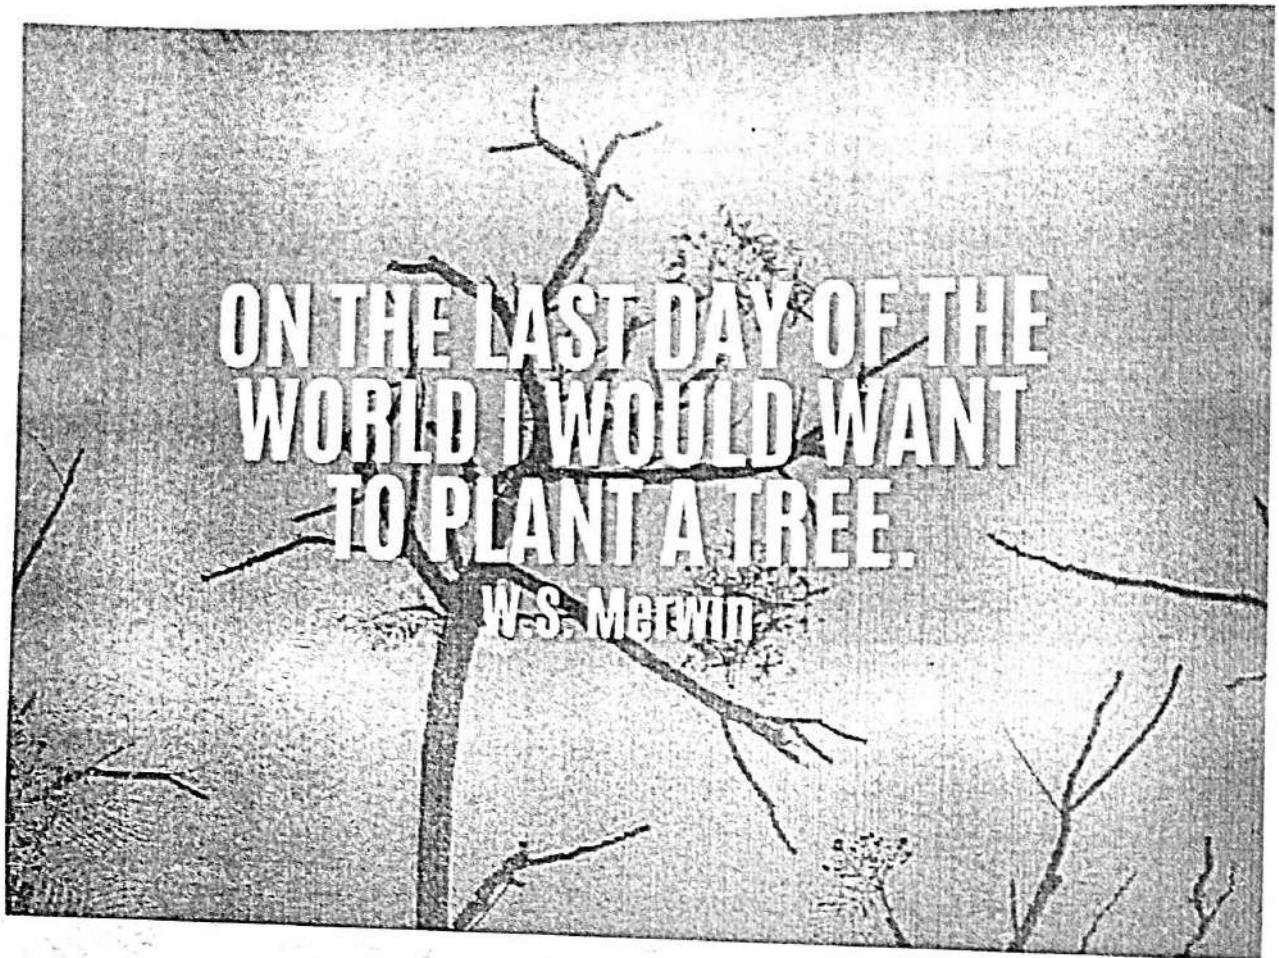

A 7-year-old girl travelled all the way to India from New Jersey with her family, with a mission of planting 750 trees – the number being a total of the years each member of the family had spent living on Earth. Worried by the repercussions of climate change and global warming, Isha Blokhra requested her father's birthday be celebrated in a different way. In 1979, when a young man from Assam noticed a large number of snakes dying due to a lack of tree cover, he set out on a mission with 50 seeds and 25 bamboo plants.

Afterwards, Principal Garu made the Engineering students take pledge that they should plant a tree on a free land to save the surrounding natural environment and pay attention completely on their studies. In this programme, SBI Bank official's Regional manager Satyanandam and chief manager Lakshmi pathi & the institute Vice-Principal Dr.K.S.Eswara Rao and NSS programme officer-in-charge Kiran Kumar were present. The poster was launched by the principal, faculty and students had obediently learned some inputs given by the Dr.Ch.Narasimham Garu, Principal of DIET. The NSS students made the occasion very grand and organized in a very pleasurable way.

Principal sir Dr.Ch.Narasimham Garu and SBI bank officials planting the fruit bearing trees

... discussing about importance of plantation in the presence of students and faculty

The celebration was started at 03:100a.m. at Mahatma Gandhi statue, near security office-1 in Diet Campus and the Dr. Challa Narasimham, Principal of Dadi Institute of engineering and Technology, Anakapalle District, graced as Chief Guest & SBI bank officials Regional manager Satyanandam and chief manager Lakshmi pathi was guest of honours and he started giving his speech to the students

And the speech followed by SBI bank officers regarding importance of plantation in the present rapid industrialisation.

"Until you dig a hole, you plant a tree, you water it and make it survive, and you haven't done a thing. You are just talking."

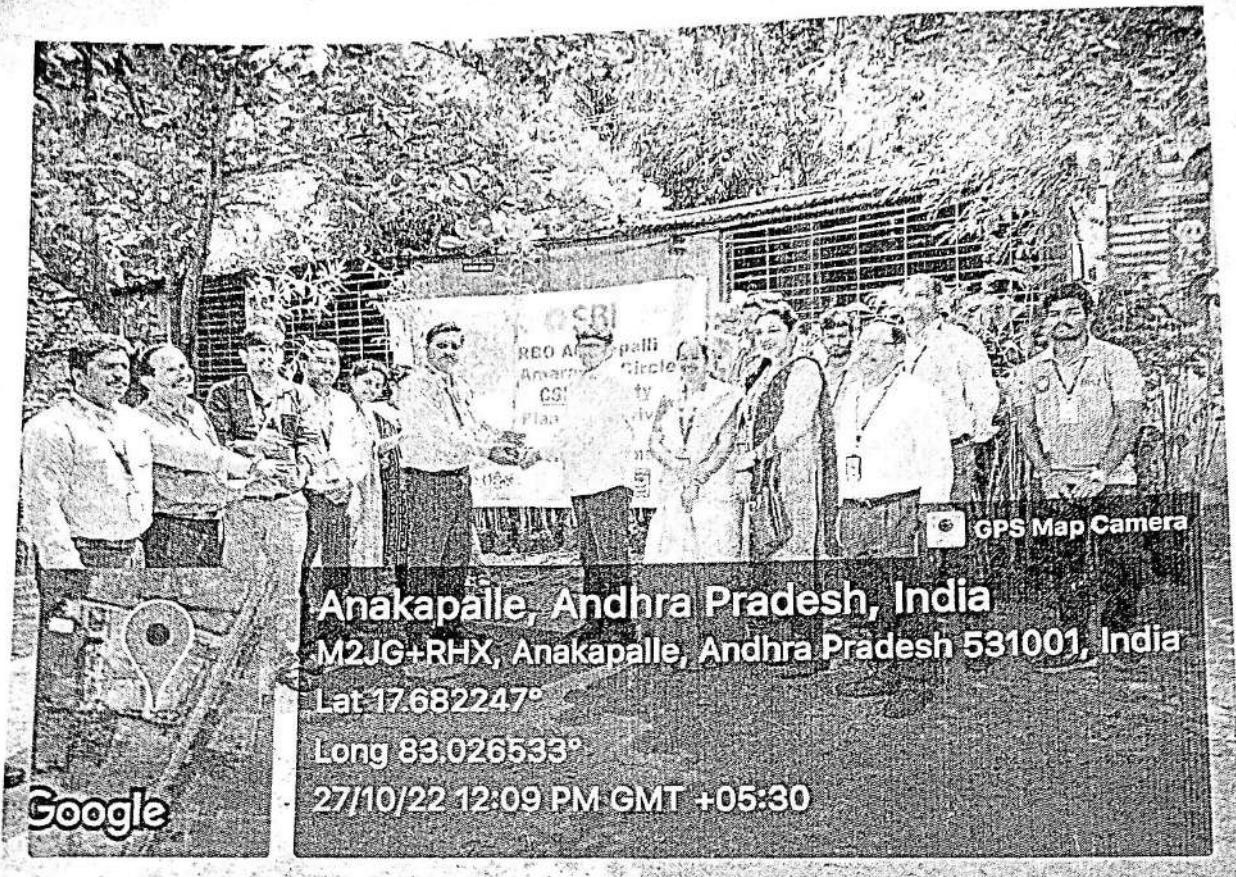

"If you cut a tree, you kill a life. If you save a tree, you save a life. If you plant a tree, you plant a life."

"Build a pollution free environment, plant more trees."

"Trees are the saviours. Save them, plant them, protect them."

Principal sir Dr.Ch.Narasimham Garu and SBI bank officials planting the fruit bearing trees and addressing about importance of plantation in the presence of students and faculty

Plantation drive for Green Environmentspeech by Dr.Ch NarasimhamGaru, Principal

The students enthusiastically participated in tree plantation, which will give immense pleasure to all and speech given by the Principal sir, SBI Bank officials Regional manager Satyanandam and chief manager Lakshmi pathi, NSS members and NSS coordinator. The session was smoothly went and students listened his speech very interestingly about planting a tree in your life you can contribute as much as Rs.6-7 Crore towards environment protection and how to follow rules and regulations about environment protection in the present generation students and citizens of India and one of the student gave a positive response on the session and his quotations.

Report on 74th Indian Republic Day.

This day marks the 74th Indian Republic Day.

India, officially the Republic of India (Hindi: *Bhārat Gaṇarājya*), is a country in South Asia. It is the seventh-largest country by area, the second-most populous country, and the most populous democracy in the world. Bounded by the Indian Ocean on the south, the Arabian Sea on the southwest, and the Bay of Bengal on the southeast, it shares land borders with Pakistan to the west; China, Nepal, and Bhutan to the north; and Bangladesh and Myanmar to the east. In the Indian Ocean, India is in the vicinity of Sri Lanka and the Maldives; its Andaman and Nicobar Islands share a maritime border with Thailand, Myanmar, and Indonesia.

Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj.^[1] The constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950. 26 January was chosen as the date for Republic Day, as it was on that day in 1930 when the Declaration of Indian Independence was proclaimed by the Indian National Congress.

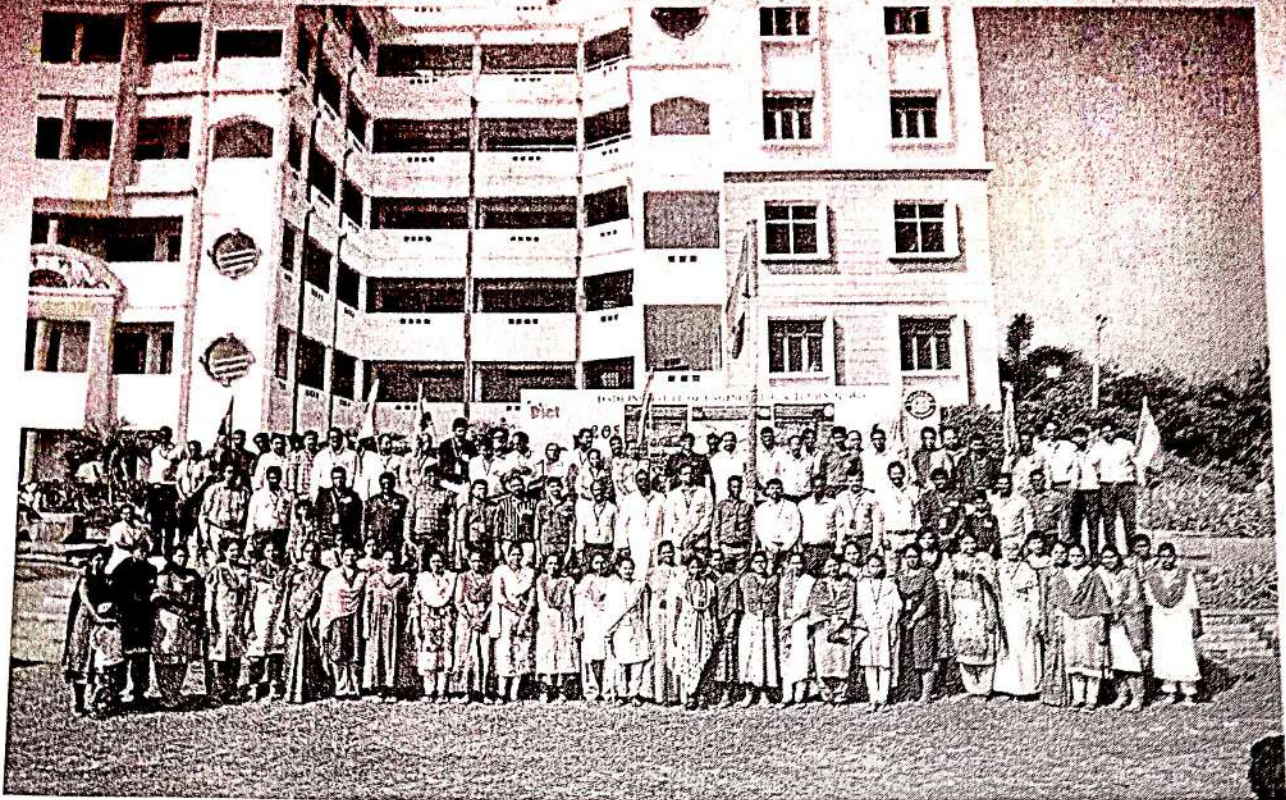

Afterwards, the Honorable Chairman Garu Sri Dadi Ratnakar Garu made the Engineering students take pledge that they should follow socialism, secularism and pay attention completely on their studies. In this programme, Principal Dr. Ch. Narasimham Garu, delivered the speech about Republic Day and a message about youth involvement in nation's pride. HOD'S of all departments and NSS programme officer-in-charge Kiran Kumar were present. The poster was launched by the principal and all other HOD'S of all departments and students had obediently learned some inputs given by the Dr. Ch. Narasimham Garu, Principal of DIET. The NSS students made the occasion very grand and organized in a very pleasurable way.

Honorable Chairman Garu Sri Dadi Ratnakar Garu delivered valuable experiences about Indian freedom Indian Republic Day and addressing about democracy, socialism & secularism in the presence of students and faculty.

Honorable Chairman Garu Sri Dadi Ratnakar Garu along with other department HOD's & Dr. Ch. Narasimham Garu offered salute to the Indian flag after hoisting on Indian Republic Day celebrations and addressing about importance about Indian amendments and father of constitution.

A Glimpses on Republic Day Honourable Chairman Sri Dadi Ratnakar Garu, Principal Dr.Challa Narasimham Garu with Faculty and all HOD'S, non-teaching and administrative staff.

Report on 'Babu Jagjivan Ram Jayanthi'

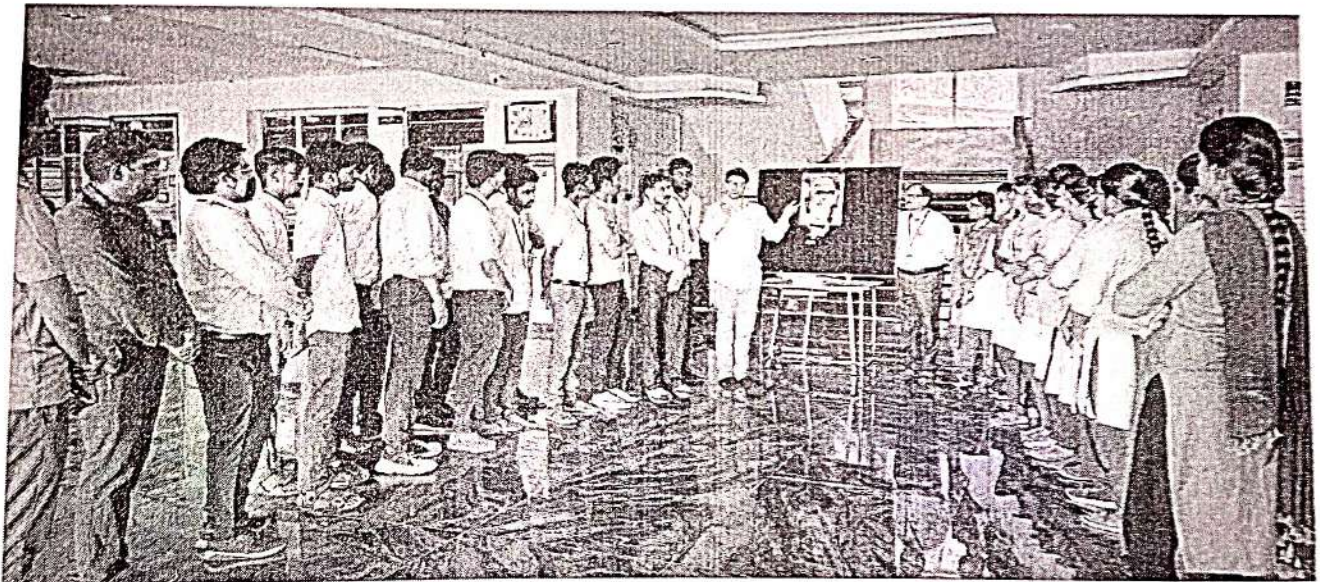

The Dadi Institute NSS Team conducted the Jagjivan Ram Jayanthi on 5th April in their Institute to commemorate his services in the political field as a Cabinet Minister to Independent India. Speaking on this occasion, the institute Principal remembered the great services of Jagjivan Ram to our country as a Labour Minister and Defence Minister and his struggle for complete elimination of caste system from our country.

After principal's speech, some of the students voluntarily expressed their views and remembers some important glimpses of the biography of Jagjivan Ram who was born on 5th April 1908 in Bihar and was known popularly as Babuji, an Indian independence activist and politician. He was instrumental in the foundation of the All India Depressed Classes League, an organization dedicated to attaining equality for untouchables, in 1935 and was elected to Bihar Legislative Assembly in 1937, after which he organized the rural labour movement. In 1946, he became the youngest minister in Jawaharlal Nehru's interim government, the first cabinet of India as a Labour Minister and also a member of the Constituent Assembly of India, where he ensured that social justice was enshrined in the Constitution. He went on to serve as a minister with various portfolios for the next 30 years as a member of the Indian National Congress (INC). Most importantly, he was the Defence Minister of India during the Indo-Pak war of 1971, which resulted in the creation of Bangladesh. His contribution to the Green Revolution in India and modernizing Indian agriculture, during his two tenures as Union Agriculture Minister are still remembered, especially during the 1974 drought when he was asked to hold the additional portfolio to tide over the food crisis.

(14 April 1891 - 6 December 1956)

The Dadi Institute NSS Team conducted the Dr. B R Ambedkar Jayanthi on 14th April in their Institute to commemorate his great services as an Indian jurist, economist, social reformer and political leader who headed the committee drafting the Constitution of India from the Constituent Assembly debates, served as Law and Justice minister in the first cabinet of Jawaharlal Nehru, and inspired the Dalit Buddhist movement after renouncing Hinduism. Speaking on this occasion, the institute Vice-Principal elucidated his great erudition and his great role in drafting the Constitution of India

After Vice-Principal's speech, some of the students voluntarily expressed their views and remembering some important glimpses of the biography of Dr. B R Ambedkar who was born on 14th April 1891 in the town and military cantonment of Mhow (now officially known as Dr Ambedkar Nagar) (now in Madhya Pradesh).[15] He was the 14th and last child of Ramji Maloji Sakpal, an army officer who held the rank of Subedar, and Bhimabai Sakpal, daughter of Laxman Murbadkar. His family was of Marathi background from the town of Ambadawe (Mandan gad) in Ratnagiri district of modern-day Maharashtra. Ambedkar was born into a Mahar (dalit) caste, who were treated as untouchables and subjected to socio-economic discrimination.[17] Ambedkar's ancestors had long worked for the army of the British East India Company, and his father served in the British Indian Army at the Mhow cantonment. In 1897, Ambedkar's family moved to Mumbai where Ambedkar became the only untouchable enrolled at Elphinstone High School. In 1906, when he was about 15 years old, he married a nine-year-old girl, Ramabai. The match was arranged by the couple's parents, in accordance with prevailing custom at that time.

In this event Hod's of all departments, Faculty members, Students, NSS Volunteers, and NSS Coordinator Kiran Kumar were present.
