

# POLICY DOCUMENT FOR GREEN CAMPUS

**Restricted Entry of Vehicles**

- All the vehicles of Institute staff and students should have the valid pollution check certification before entering into the campus.
- The Institute encourages the employees and students to frequently use public transport, bicycles etc. to limit the pollutions emissions such that the campus environment can be free from pollution.

**Use of Bicycle/ Battery Powered Vehicles**

- Institute uses the Battery-powered vehicles for in- house transport.
- All electricity use within the campus maximizes the optimum use of renewable energy.

**Pedestrian-Friendly Pathways**

- DIET follows the Pedestrian-friendly pathways in the Institution.
- Pedestrian-friendly pathways are properly marked with suitable logo/sign.

**Ban on Use of Plastic**

- The Institute continuously committed to work towards plastic-free campus.
- In the DIET campus there is complete ban on single-use plastics in class room, labs canteens in the Institution's premises.

**Landscaping with Trees and Plants**

- As per the green practices in the campus DIET is moving in the direction of a Green Institution in Andhra Pradesh planting more trees within and outside the campus.
- Medication plants and more fruit plants and trees have been planted to clean the atmosphere.
