

POLICY DOCUMENT FOR GREEN CAMPUS

Restricted Entry of Vehicles

- All the vehicles of Institute staff and students should have the valid pollution check certification before entering into the campus.
- The Institute encourages the employees and students to frequently use public transport, bicycles etc. to limit the pollutions emissions such that the campus environment can be free from pollution.

Use of Bicycle/ Battery Powered Vehicles

- Institute uses the Battery-powered vehicles for in- house transport.
- All electricity use within the campus maximizes the optimum use of renewable energy.

Pedestrian-Friendly Pathways

- DIET follows the Pedestrian-friendly pathways in the Institution.
- Pedestrian-friendly pathways are properly marked with suitable logo/sign.

Ban on Use of Plastic

- The Institute continuously committed to work towards plastic-free campus.
- In the DIET campus there is complete ban on single-use plastics in class room, labs canteens in the Institution's premises.

Landscaping with Trees and Plants

- As per the green practices in the campus DIET is moving in the direction of a Green Institution in Andhra Pradesh planting more trees within and outside the campus.
- Medication plants and more fruit plants and trees have been planted to clean the atmosphere.
