SWACCH ANDHRA OPEN DEFECATION FREE (ODF)-SURVEY PROGRAMME

NSS Volunteers of DADI INSTITUTE OF ENGINEERING & TECHNOLOGY ,Anakapallie have participated in '**Swacch Andhra Open Defecation Free (ODF)-Survey Programme**' conducted in Maredupudi and Akkireddipalem villages in Anakapalli(M), Visakhapatnam, from November to December, 2017.

The survey was to track the government's flagship programme, Swachh Bharat Abhiyan in Andhra Pradesh and to make Andhra an open defecation free state .

NSS volunteers educated the rural folk about Open air defecation and conveyed that due to lack of general sanitation and hygiene people are exposed to to various diseases, especially diarrhea and intestinal infections and also typhoid, cholera, hepatitis, polio, trachoma and other diseases. Infected surface water wells and hand pumps may cause serious health hazards.

In this Survey program the NSS Volunteers actively participated and have interacted with the villagers and extracted the details..They enquired about:

- 1) Do they have personal toilets or not
- 2) Whether they are utilizing it for defecation or not.
- 3) Whether they have constructed it on their own or supported by the Government.

Faculty members and students created awareness among the villagers about the diseases like microbial contamination (Bacteria, Viruse, Amoeba) caused due to open defecation and also they advised the people about the precautions to be taken after defecation like cleaning their hands properly with the help of sanitazors and soaps.

It was observed that 60% of houses had toilets but they are not being utilised by the families in a proper way. Volunteers educated them about the need of daily cleaning of toilets.

Toilets under construction after the ODF drive by mandal development office survey.

Volunteers educating the orthodox old lady about the need of individual toilets.

In this survey NSS Volunteers has found out that 40% villagers are not having toilets and even after building toilets, they are not using it properly, sometimes they are using toilets as store rooms and going out for defecation.
