Report

HUMAN RIGHTS DAY

Human Rights Day is observed every year on 10 December – the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights. This year, Human Rights Day marks the 70th anniversary of the Universal Declaration of Human Rights, a milestone document that proclaimed the inalienable rights which everyone is inherently entitled to as a human being -- regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. It is the most translated document in the world, available in more than 500 languages.

NSS Unit organized Human rights awareness session by inviting an eminent academician, scholar and social activist Sri Naga Trinadh Burra. He has delivered a wonderful talk and informed about the need of protecting ones rights and said Human rights declaration establishes the equal dignity and worth of every person. Thanks to the Declaration, and States' commitments to its principles, the dignity of millions has been uplifted and the foundation for a more just world has been laid. While its promise is yet to be fully realized, the very fact that it has stood the test of time is testament to the enduring universality of its perennial values of equality, justice and human dignity.

The event was graced by Principal, NSS PO Venkata Murali Palla and first B.Tech students.
