CRITERIA- 7

7.3.2 Plan of action for the next academic year

FUTURE PLANS OF ACTION FOR NEXT ACADEMIC YEAR:

The College IQAC has delineated the overarching goals that the institution should pursue during this timeframe, which are outlined as follows:

1. To enhance the Brand Equity that the College has established within its Local Jurisdiction.
2. To foster an environment conducive to the holistic development of Students, Faculty, and Support Staff.
3. To support the ongoing enhancement and updating of knowledge and the application of technology by both faculty and students.
4. To meet its social responsibilities by providing formal and informal education, disseminating knowledge, and organizing programs and activities that benefit the community and other stakeholders.
5. To raise awareness and implement initiatives aimed at Protecting and Promoting the Environment.
6. To promote a culture of research and encourage research activities among Faculty.

This Perspective Plan details the various initiatives and focal points necessary to achieve the aforementioned objectives.

The specifics are listed below:

1) INSTITUTION

- 1.1. To review and, where necessary, update the Vision and Mission of the College to ensure alignment with the stated objectives.
- 1.2. To foster continuous innovation, introduce new academic programs, and maintain relevance to the evolving needs of stakeholders.
- 1.3. To emphasize the pursuit of excellence across all academic offerings.
- 1.4. To oversee the activities related to Quality Assurance and Quality Enhancement within the Institution.

2) INFRASTRUCTURE

- 2.1. To carry out necessary structural and electrical repairs to the buildings as required.
- 2.2. To allocate resources essential for leveraging technology to deliver online course materials, video lectures, and other content.

3) ADMINISTRATION

- 3.1 To streamline various Office Administration Processes through automation.
- 3.2 To ensure that all information related to Admissions, Examinations, Courses, Rules, Committees, Attendance, Activities, Programmes, Seminars, Workshops, Extension Activities, and other relevant topics is accessible online via the College website.
- 3.3 To expand the use of Short Messaging Service (SMS) and specially developed applications for communication with students across all courses.
- 3.4 To implement vaccination and sanitation initiatives aimed at benefiting both staff and students.
- 3.5 To promote various measures for Staff Benefits and Welfare.

4) LEARNING RESOURCES

- 4.1 To enhance Library Resources by incorporating digital content that can be accessed online by both Students and Faculty.
- 4.2 To provide digital materials such as Video Lectures and Study Notes on the website, created by Faculty members.
- 4.3 Faculty members will be encouraged to utilize online applications that facilitate student communication regarding doubts, feedback, and suggestions.

5) LINKAGES

- 5.1 To cultivate and reinforce the relationship between Alumni and the Institution.

6) FACULTY

- 6.1 To create a conducive Research Environment within the College that motivates Faculty to engage in Research activities.
- 6.2 To promote the use of Technology by faculty for effective communication with students.

6.3 To encourage faculty to organize Faculty Improvement Programmes and National and International Conferences.

6.4 To develop strategies aimed at enhancing the existing Teaching, Learning, and Evaluation processes, as well as measuring Learning Outcomes.

6.5 To motivate Faculty to participate in Syllabus Development (at the Board of Studies), Question Paper Setting (for University Examinations), and to serve as Resource Persons at other institutions.

7) SOCIAL OBLIGATIONS

7.1 To persist in offering formal education to underprivileged and deserving students through fee concessions, fee waivers, and book bank facilities.

7.2 To organize informal education programmes on topics of general interest for the benefit of students and the wider community.

7.3 To persist in organizing Extension Activities that serve the interests of the Society and to enhance awareness regarding diverse social issues.

8) OTHER INITIATIVES

8.1 To implement job-oriented and skill-based courses.

8.2 To emphasize and promote awareness of cleanliness.

8.3 To establish additional scholarships to recognize students for their various accomplishments.

8.4 To further promote the Blended mode of Teaching.

8.5 To discover and nurture talent among students in various sports and cultural activities.
