### **Brief Summary of the Event:**

The year 2021 began with the hope that the development, manufacture, and deployment of vaccines will soon bring the COVID-19 pandemic to an end. Halfway through the year, vaccination is underway across the world, albeit at a much slower pace but on a promising note.

As part of the service orientation, DIET has organized the first of its kind Mega Vaccination drive among the other Engineering colleges of Andhra Pradesh on 10<sup>th</sup> & 11<sup>th</sup> December, 2021 under the aegis of Management, Dadi Institute of Engineering and Technology, Anakapalle for its students and their parents owing to the call given by Hon'ble Chief Minister Y S Jagan Mohan Reddy to vaccinate the students so as to save them from the impact of the third wave.

The preparations of the Mega Vaccination drive has begun a week days ago with the identification of students who are 18years plus in 1<sup>st</sup> & 2<sup>nd</sup> Vaccination Drives , 15–18 years students in 3<sup>rd</sup> Vaccination Drive and who are yet to get the vaccination. The Department NSS Coordinators identified and prepared the list of prospective students to be vaccinated and provided awareness to them as there are a lot of myths with respect to vaccination.

The Vaccination drive kick started with the registration process on the government official vaccination site in Seminar hall-1 where the students have observed the prescribed protocols and have registered. About 1670 members from DIET have registered for the mega drive. Before providing the vaccination the team of medical

experts and the ANM staff have enquired about the health of the students and then provided the vaccination to students without health complications.

Inaugurator of the vaccination drive the chairman of DIET Sri Dadi Ratnakar in his address has conveyed that from the past two years this pandemic has shown its devastating impact both on the health and the economy of all nations irrespective of the social status across the globe. He has quoted that the efforts of W.H.O, ICMR have been successful in bringing out Vaccines to terminate this deadly virus. It is now our duty to get vaccinated and develop antibodies to fight the virus. He said that about 1670 students have been vaccinated during the mega drive under the medical supervision of Dr.Tirupathi Rao garu (1st Drive), Dr. Subramanyam garu, DMHO (2<sup>nd</sup> Drive) and Dr.Ramesh Naidu garu (3<sup>rd</sup> Drive).

Vaccination of the students will definitely give an opportunity to normalcy of education sector he added. He appreciated the Chief Minister for the efforts initiated in bringing the past glory for education institutes in the state.

Principal Dr. Challa Narasimham said that very less number of people are getting vaccinated in spite of the efforts made by the administrators as people have their own myths about it. Awareness has to be brought in the public about the evil effects of the pandemic so that they realize the importance of vaccination.

Students have quoted that they are lucky enough to take part in the drive as the vaccination drive for 18 plus is in the initial stage and there is a huge rush at the public health centers as its costly in the private hospitals. They appealed the management to provide one more drive after stipulated period for the second dose of the vaccination.

So conducted Vaccination thrice successfully and so now “DIET is the **only Institute in the state which has conducted Mega Vaccination Drives thrice & also the first being 100 percent staff & students vaccinated institute in the entire state even vaccinating the students between 15-18 years as per the latest government**

**initiative”:**

The parents and students thanked the management for the initiation of vaccination drives and expressed that this pandemic should end very soon and bring back normalcy.

The drive was a huge success as many students and faculty were vaccinated. Thus DIET has become the first Institute in the state to have vaccinated its students who are 15 plus and it now proudly declares that its faculty and students are 100 percent vaccinated.

The Principal appreciated and felicitated the medical staff for the noble job they are doing as frontline workers and saving many lives by risking their lives.

The event was supported by all the heads of the departments, faculty members, administrative staff and by parents of the budding engineers.

The print and electronic media has done a tremendous job by covering the event in all the leading news channels and newspapers by covering the interviews of the young students about the need of Vaccination drives.

In the local, Anakapalle, DIET Engineering college, there has been a mega Covid Vaccination drive was conducted to safeguard the health of the students and staff members. In this mega camp, the chairman of diet Engineering college, D. Ratnakar participated and looked after the entire drive to be done in a well manner. On this occasion, Ratnakar said that for last two years almost all the countries have been trying to get a vaccine to terminate this deadly Covid from the world but at last, WHO and ICMR developed a safe Vaccine and he aspired everyone should get vaccinated and be healthy. Out state has been recorded as the highest vaccinated state in our country for which the entire credit would be assigned to our honourable chief minister Y S Jaganmohan Reddy. He further said that our chief minister conducted this mega drive and offered free vaccine to keep all the Andhra people in good healthy position. He was pleased to say that this vaccination drive conducted with a view to vaccinate every student who attained 18 years of age in this college under the guidance of local Dr.Tirupathi Rao who took complete care to get every student vaccinated. He said that due to this deadly Covid, the education system faced many ups and downs, and students had to depend upon online classes from that they were able to learn some extent. He hoped that after this vaccination drive the education system would get normal position and students would get to normal studies i.e off- line classes. In this mega drive, the college Principal Dr.Ch. Narasimham, Dr.Prassanna Kumara, Dr.Sujatha, HODs of all departments and Faculty members were also present.
