DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Report on "**Professional Activities**" Organized by Department of Computer Science and Engineering in Association with CSI Student Chapter.

Event Name: Blind Coding, E-Sports BGMI

Venue: Dadi Institute of Engineering and Technology

Date:28th and 29th March 2023

DIET Computer Society of India (CSI) organized a **"Programming Marathon"** in the month of January 2023. This contest & competition was organized as a part of Computer Society of India student chapter with an objective to enhance, encourage Coding skills and solving ability among students.

About CSI:

Computer Society of India (CSI) is the first and largest body of computer professionals in india. It was started on 6 march 1965 by a few computer professionals and has now grown to be the national body representing computer professionals.

RULES:

- Each participant has to write the code for given problem, with MONITOR OFF.

- Participants whose code gets executed will be given higher preference.

- The second preference will be given to code with least number of errors.

- In case of tie in number of errors, TIME of SUBMISSION will be considered.

In this contest, the coders compete while also improving their overall algorithmic knowledge. The coding contest helps students and professionals to tackle a problem by reading the concepts one doesn't know, and also gain practical experience by coding the solution to the problem, thus improving their skills significantly. This coding competition packs the excitement of programming with the fun of learning into one compelling challenge.
