Subject: Request for Permission to Conduct Community Service Project on "*Health Care Awareness and Their Impact.*"

Respected Sir/Madam,

We, the undersigned students of Dadi Institute of Engineering and Technology, Anakapalle, respectfully seek your permission to conduct a Community Service Project titled "*Health Care Awareness and Their Impact*" in collaboration with the Ex-Servicemen Colony Sachivalayam under your jurisdiction.

This project aims to create awareness among the local community about the importance of personal hygiene, nutrition, sanitation, preventive healthcare, and lifestyle management. It also seeks to encourage school children, parents, and residents to adopt healthy habits and regular medical practices for overall well-being.

The proposed duration of the project is from 21-04-2025 to 14-06-2025. During this period, our team will work under the guidance of faculty members from our institution, in coordination with local health officials, to ensure the program's smooth and effective execution.

Our project activities will include:

- Conducting awareness sessions on hygiene, nutrition, and preventive health practices.
- Organizing health check-up camps for screening common health issues.
- Distributing educational materials such as posters, pamphlets, and diet charts.
- Engaging school students and residents through interactive programs and demonstrations.

We kindly request your permission and cooperation to carry out these activities at a suitable location within the community. We assure you that all necessary safety, cleanliness, and health protocols will be strictly followed throughout the program. We look forward to your valuable support in successfully implementing this community-oriented initiative.

Your's Sincerely  
S.MOUNIKA

Respected Sir/Madam,

We, the undersigned students of Dadi Institute of Engineering and Technology, respectfully request your permission to conduct a community service project titled "Green Energy Revolution: Exploring Future Renewable Energy (Solar Energy)" in Nadupuru under your jurisdiction. This initiative aims to create awareness about the importance and benefits of solar energy and encourage the local community to adopt sustainable practices through renewable energy solutions. The proposed project duration is from 28-04-2025 to 21-06-2025. During this time, our team will work under the guidance of faculty from our institute and in collaboration with the local authorities to ensure smooth and effective execution of the project.

Our project activities will include:

- Educating the community about the environmental and economic benefits of solar energy.
- Demonstrating simple solar solutions suitable for local households and small businesses.
- Encouraging community members to explore government subsidies and schemes related to solar installation.
- Conducting surveys to understand current energy usage and propose solar-based alternatives.

We assure you that all activities will be conducted responsibly, respecting the rules and regulations of the Electricity Department and local norms. We kindly request your approval to proceed with the **initiative** and would deeply appreciate any assistance or resources your office could provide to help us maximize the impact of this project.

Thank you for considering our request. We eagerly await your positive response and look forward to contributing to the community's sustainable development.
