**REPORT :**

**AWARENESS PROGRAM ON HEALTH AND HYGIENE**  
**On 8th August, 2024**

Organized by

DIET Women Empowerment Cell (DWEC)

Dadi Institute of Engineering & Technology (DIET) has successfully conducted AWARENESS PROGRAM ON HEALTH AND HYGIENE On 8th August, from 3:00 PM onwards at DIET Campus in Lecture Hall -7

Dadi Institute of Engineering & Technology is a top ranked Engineering and Management Institute affiliated to JNTU, GV accredited by NAAC. The institute is certified by ISO and is associated with many professional bodies in the field of Engineering and Technology. DIET strives to promote high standards among students and enable them to build a new world. Dadi Institute of Engineering & Technology, with the same vision successfully completed 18 glorious and tremendous years of existence with academic excellence.

DWEC of DIET planned to organize AWARENESS PROGRAM ON HEALTH AND HYGIENE a customary practice. We are thankful to Sri Dadi Ratnakar, Chairman for encouraging our idea to conduct this event.

**About Health and Hygiene:**

The aim of the session is to provide awareness to the freshers about their rights, dos and don'ts in the college campus. To ensure their safety and security inside and outside of college and to make sure of their good behavior, discipline, honesty, and good work to lead a great future.

Health and hygiene play a pivotal role in the overall well-being and academic performance of students, particularly girl students in higher education. In a demanding academic environment like B.Tech programs, maintaining good physical, mental, and emotional health is essential. This report highlights the key areas of health and hygiene, common challenges faced by girl students, and practical recommendations.

- **Health** encompasses physical fitness, nutrition, mental well-being, and absence of illness.
- **Hygiene** includes personal cleanliness, menstrual hygiene, environmental hygiene, and food hygiene.

Good health and hygiene boost concentration, reduce absenteeism, and improve academic performance.

**DADI INSTITUTE OF ENGINEERING & TECHNOLOGY  
AN AUTONOMOUS INSTITUTE**

(Approved by A.I.C.T.E., New Delhi & Permanently Affiliated to JNTU GV)  
Accredited by NAAC with 'A' Grade and Registered u/s 2(f) & 12(B) of UGC Act  
An ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018 Certified Institute.

## REPORT :

Dadi Institute of Engineering & Technology (DIET) has successfully conducted **INTERNATIONAL GIRL CHILD DAY PROGRAM** in our Campus on 15-10-2024 from 3:00 P.M in Lecture Hall 7.

Dadi Institute of Engineering & Technology was established by Sarada Educational Trust in the year 2006. DIET is founded by Sri Dadi Veerabhadra Rao, an academician and former Minister as the first multicultural and co-educational college in Anakapalle. DIET is a top ranked Engineering and Management Institute affiliated to JNTUGV accredited by NAAC. The institute is certified by ISO and associated with many professional bodies in the field of Engineering and Technology. DIET strives for promoting the highest standards among students enabling them to build a new world. We are thankful to Sri Dadi Ratnakar, Chairman for encouraging us in organizing the **INTERNATIONAL GIRL CHILD DAY PROGRAM**.

International girl child day is celebrated every year on 11<sup>th</sup> October recognising girls unique challenges and potential . It is a response to a serious problem being faced by our world today. It is honored worldwide because these issues are faced all over the world. The main theme is "Girls Vision for the Future"

Dr.K. Sujatha mam graced as Chief guest of the event addressed and elaborately explained about the **INTERNATIONAL GIRL CHILD DAY**. She has educated the female students on strengths and role of girl children in the society and suggested the audience how we will motivate them towards the better life.

The Guest of Honor addressed the gathering and advised girl students on how to reach their goal

Website: [www.diet.edu.in](http://www.diet.edu.in), E-mail: [icc@diet.edu.in](mailto:icc@diet.edu.in)

in the interested areas.

Mrs.P. Madhuri , Mrs.Alphoni ,DWEC coordinators explained about Give girls “wings to fly” Not “pain to cry and die” and “save the girl child for a better tomorrow”. The Lecture Hall was fully packed with women faculty, girl students. They listened to the lecture with a pin drop silence. Most of the students are very impressed with the program conducted by DIET. They have conveyed their special thanks to the management for conducting this kind of programs.

**FEEDBACK FORM ON**  
**INTERNATIONAL GIRL CHILD DAY PROGRAM**

1. Was the event planned reach your goal  
 Yes  
 No
2. There should be gender equality between girl and boy  
 Strongly agree  
 Agree  
 Neutral  
 Disagree  
 Strongly disagree
3. The events content was useful to me  
 Strongly agree  
 Agree  
 Neutral  
 Disagree  
 Strongly disagree
4. The event had a positive impact on me  
 Strongly agree  
 Agree  
 Neutral  
 Disagree  
 Strongly disagree
5. Did you have any issues for attending this celebrations.  
 Yes  
 No
6. Girl is very much important to our society to lead it  
 Strongly agree  
 Agree  
 Neutral  
 Disagree  
 Strongly disagree
7. Share your thought on how important is a girl

A Girl is equal to the nature as it has precisely nature & looks after every individual with pure heart.

8. Overall how would you rate this event  
 Excellent  
 Very good  
 Good  
 Fair  
 Poor

9. Please share your thoughts on the event as whole.

The event took path provides us the knowledge regarding how important a girl child is.

## Report:

The DWEC (DIET Women Empowerment Cell) of Dadi Institute of Engineering & Technology (DIET) successfully conducted World Iodine Deficiency Day on 21-10-2024 in our Campus from 3:00 p.m. to 4:00 p.m. at Lecture Hall 7 to raise awareness among young graduates about the serious health consequences of iodine deficiency.

Sharing the symptoms of Iodine Deficiency, Dr. R Vaikunta Rao, Principal of DIET highlighted that Iodine deficiency is a health-related condition in which iodine availability is insufficient to meet the body's needs and which can be present with or without anemia. He further explained that Iodine is essential for the healthy functioning of the whole body, including that of the heart, muscles, and red blood cells. It also plays an important role for optimum mental and physical health, and to keep energy levels up.

Dr. K Sujatha, HOD CSE Department, Presiding officer of DWEC, addressed the gathering, elaborated on the serious issues that individuals face due to a lack of Iodine at various phases, and highlighted the diet to be followed by every student in their day-to-day lives.

Mrs. M Kalyani, Assistant Professor, Department of CSDM, DWEC Coordinator in her presentation threw light on Iodine Deficiency Disorders and how Iodine deficiency impairs

the cognitive development of children from infancy through to adolescence. Besides, she emphasized that it damages immune mechanisms and is associated with increased morbidity rates.

Ms. Rupa Sree M, Assistant Professor, Department of Management Studies, DWEC Coordinator, in her presentation, explained how to nurture the body in order to avoid harmful issues faced due to Iodine deficiency.

A student of I B. Tech ECE has shared her views on Iodine Deficiency, by sharing her experiences.

## *International Women's Day Celebrations*

**On 7<sup>th</sup> March, 2025**

**Organized by**

**DIET Women Empowerment Cell (DWEC) & DIET Literary and Cultural Club (DLCC)**

**Dadi Institute of Engineering & Technology (DIET) has successfully conducted "INTERNATIONAL WOMEN'S DAY" on 07.03.2025 from 9:30 AM onwards at DIET Campus in Seminar Hall I.**

Dadi Institute of Engineering & Technology-Autonomous, was established by Sarada Educational Trust in the year 2006. DIET is founded by Sri Dadi Veerabhadra Rao, an academician and former Minister as the first multicultural and co-educational college in Anakapalle. DIET is the top-ranked Engineering and Management Institute affiliated to JNTUGV and accredited by NAAC with an 'A' Grade. The college is certified by ISO and associated with many professional bodies in the field of Engineering and Technology. DIET strives to promote high standards among students and enable them to build a new world. Dadi Institute of Engineering & Technology, with the same vision completed 19 glorious and tremendous years of existence with academic excellence.

Every year, the DWEC & DLCC of DIET celebrates "**International Women's Day**" as a customary practice to raise awareness about the status and dignity of women among the students. We are thankful to Sri Dadi Ratnakar, Chairman for encouraging our idea to conduct this event.

**International Women's Day (IWD)** is celebrated annually on March 8th. The day of its inception was well over a century, with the first IWD gathering in 1911. The day is not country, group, or organization specific but belongs to all groups collectively everywhere around the world.

Internationally, purple color symbolizes women. Historically the combination of purple, green and white symbolizes women's equality, originated as a concept from the Women's Social and Political Union, UK in 1908.

The theme of IWD for 2025- is "**Accelerate Action**" emphasizes the urgent need to speed up progress toward gender equality.

Dr. R. Vaikunta Rao, Principal addressed the gathering and conveyed best wishes to all the women faculty and students. He said women are the backbone of our families, communities and institutions from shaping young minds as mothers and teachers to leading innovations in science, business, and governance, their contributions are immeasurable. Yet, challenges persist-gender biases, wage gaps, and unequal opportunities continue to exist in many parts of the world. Our collective responsibility is to break these barriers and create an inclusive environment where every girl and woman can dream, achieve and thrive.

He further stated that we as an educational institution, have the power to in built confidence and courage in young girls, to teach our boys the value of equality, and to create a culture that nurtures respect and dignity for all. Let this Women's Day be not just a celebration but **-a commitment to equality, to empowerment, and to a future where every individual, regardless of gender, can rise to their full potential.**

**Dr. R. Vaikunta Rao, Principal-DIET addressing the gathering**

Sri Dadi Ratnakar, Chairman conveyed his best wishes to the women faculty and girl students. He congratulated the DWEC & DLCC committees for organizing International Women's Day 2025 grandly. He stated that at DIET, we believe that **education is the most powerful tool for Women's Empowerment**. When we educate a woman, we uplift an entire family, a community, and ultimately, the nation. Women have proven time and again that they are capable of breaking barriers, leading industries, and driving innovation. Yet, challenges like gender inequality, workplace discrimination, and societal stereotypes persist. It is our collective responsibility to **create an environment where women feel empowered, safe, and supported to achieve their dreams**.

He assured that the institution is always committed to providing equal opportunities, encouraging leadership among women, and fostering a culture of respect and inclusivity. Concluding his speech, he suggested, that the young women in our college-**believe in yourselves, embrace your strength, and never let societal limitations define your potential**.

You are the future leaders, entrepreneurs, scientists, and change-makers who will shape tomorrow's world and to our young men-let us all stand together as allies, ensuring that respect and equality become the foundation of our society and at last, he stated that DIET is always there for you in any situation.

**Sri. Dadi Ratnakar, Chairman-DIET addressing the gathering**

## **Introduction of Chief Guest Smt. Mallika Manoj Grandhi, Chairman & Managing Director, Vaibhav Jewellers by Ms. Rupa Sree .M, Assistant Professor, MBA**

Chief Guest- Mrs. Mallika Manoj Grandhi, Chairman & Managing Director, Vaibhav Jewellers, addressed the gathering and stated to them the importance of womanhood. She inspired the audience that whatever the problem in life, confidence, dedication, and willpower, make one to cross all such obstacles to reach one's goals and solve all problems. She opined to all the young women their presence in engineering is not just an achievement but an inspiration for generations to come. You are here because of your passion, your dedication, and your ability to think critically. Never let anyone tell you that you do not belong here. You belong exactly where you dream to be. She stated the importance of teachers in everyone's life and also suggested the students spend some quality time with their parents, as life is short making most of the time with them a precious time we do have in life and shared the gathering some of her inspiring personal experiences.

---

**Diet Literary and Cultural Club (DLCC) came up with Cultural Performance on the eve of \*International Women's Day celebrations\* with various themes like**

\*Save Girl Child

\*Women Empowerment

\*Women Safety and Security

\*Stages of Women

\*My Mom-My inspiration.

\*Inspiring Women's.

All the students came up with the above mentioned themes related to Women, who have remained silent for years are now coming forward and sharing their experiences of sexual harassment and discriminatory actions. To encourage more and more women to break the silence, this competition was conducted and a total of 70 students have enthusiastically participated in the competition.

10. Do you have any additional comments or suggestions about the event?

I enjoyed very well throughout the event. The whole event was very inspiring and informative. The event included many things including women empowerment. The chief guest has also given her valuable insights on women's day, and inspired all of us. I look forward to attend many such events like this.
