## **FARADAY'S MEMORIAL DAY REPORT -2K22**

The Department of Electrical and Electronics Engineering of Dadi Institute of Engineering & Technology in association with DIET IEEE, ISTE & IETE Student Chapter celebrated FARADAY'S MEMORIAL DAY on 22<sup>th</sup> September 2022 in Seminar Hall-I (A/C) in the institute premises. The Engineering Community across India celebrates Faraday's Memorial Day on 22<sup>th</sup> September every year as a tribute to the greatest scientist MICHAEL FARADAY. "Smart Engineering for a Better World" is the theme of Faraday's Memorial Day. This event is planned to create awareness among students and faculties to inculcate the role of engineers in the sustainable development of the nation.

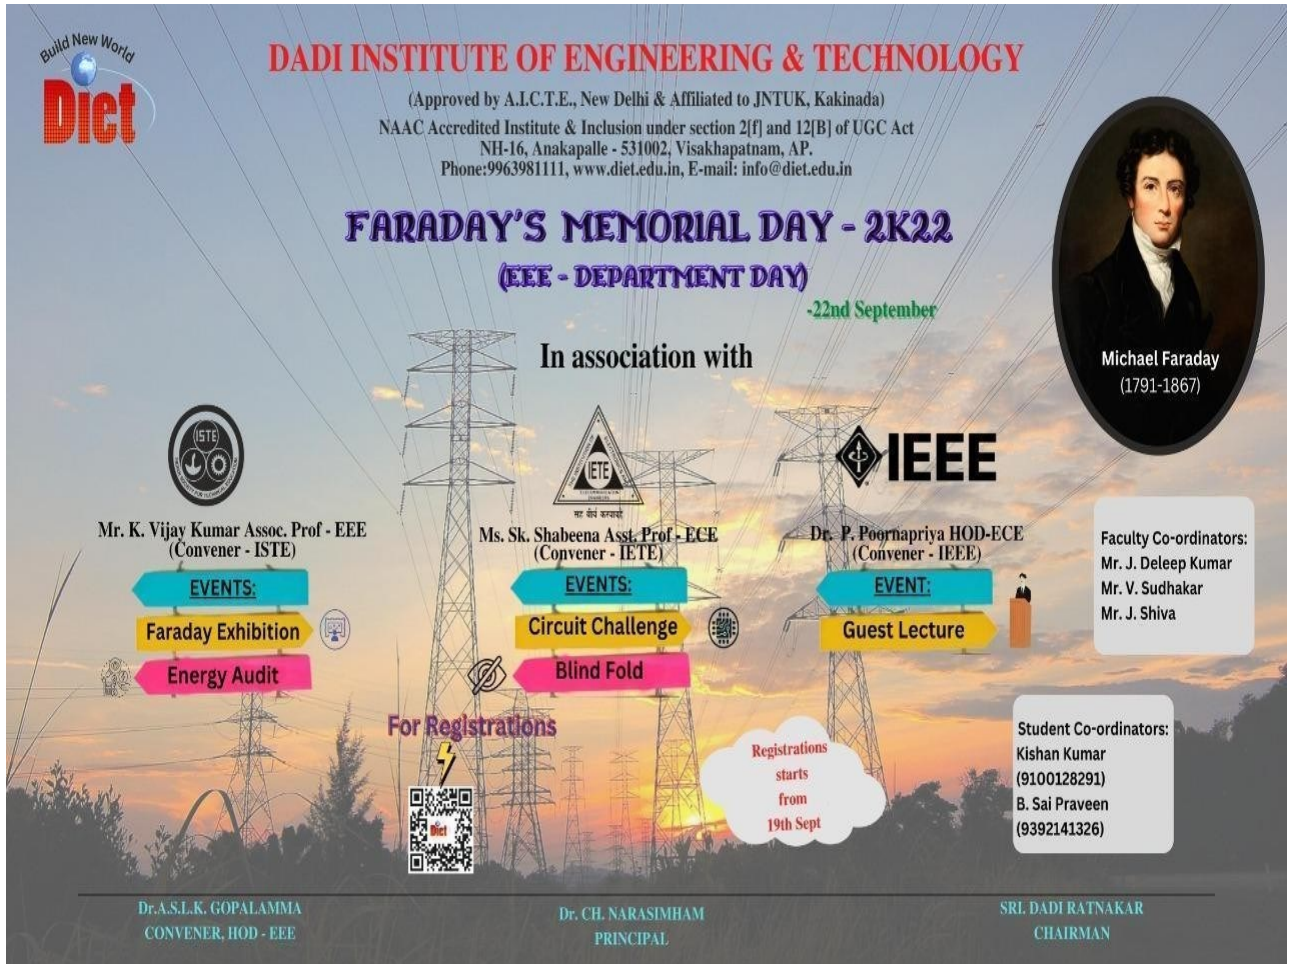

The Faraday's Memorial Day 2k22 event poster was launched on 17<sup>th</sup> September, 2022 by the Institute Hon'ble Principal Dr.Ch. Narasimham, EEE Department HOD Dr. A S L K Gopalamma, DIETISTE Student Chapter Convenor Mr. K Vijay Kumar and student coordinators.

said the students should take as a role model and stated that engineering is the only way to build our nation and conveyed that he dedicated his life to innovation regarding the field of electricity. He is inspirational and an icon for all the engineers. Dr A S L K Gopalamma, suggested the students to be enthusiastic in preparing themselves to meet the global challenges.

**ISTE Student Chapter Convenor Mr. K Vijay Kumar addressed the gathering.**

DIET ISTE Convenor has emphasized the role of DIET ISTE Student Chapter in engineering career and motivated the students to become a successful engineer with their innovation and creativity. He has given valuable words to upgrade the skills using professional connectivity. He also suggested the students learn something every day and encouraged them to get practical knowledge. He also emphasized that DIET will continue to conduct events of this magnitude to help the students to strengthen their leadership traits.

**Principal Dr.Ch. Narasimham addressing the gathering.**

Principal Dr. Challa Narasimham, in his address stated that, DIET is the right place for bright students and the curriculum followed in DIET not only makes the undergraduate acquire knowledge but also emphasizes innovation in them. He also mentioned a few key points regarding Faraday's childhood experiences and innovations to enrich the creative skills..

***<sup>3</sup> The lecturer should give the audience full reason to believe that all his powers have been exerted for their pleasure and instruction. — Michael Faraday***

The Chief Guest Mr. G Satya Narayana- DE, APEPDCL , Anakapalle District in her keynote speech interacted with students and inspired them with the glimpses to use their creativity to solve common life problems including the energy conservation methods. He motivated the students to have a big dream and work relentlessly to achieve their goals in Electrical field and also mentions the importance of E sparks club & Energy conservation club which is implemented in DIET. He advised the students to be away from all the apprehensions and give their best in competing with the world in the energy sector.

The students who have actively participated in various events like circuit challenge, blind-fold identification, faraday's exhibition, and energy audit were given prizes on this occasion.
