Event Name: KHELO AZADI

Mode of conducting : Online

Date:14th August,2023

DIETComputer Society of India(CSI)organizeda**"KHELO AZADI"**inthe month of August,2023. This contest & competition was organized as a part of Computer Society of India student chapter with an objective to enhance, encourage Coding skills andsolving ability among students.
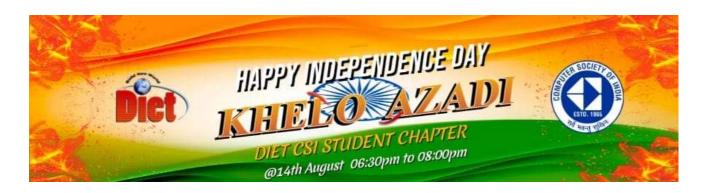

About CSI:

Computer Society of India(CSI) is the first and largest body of computer professionalsin india. It was started on 6 march 1965 by a few computer professionals and has now grown to be the national body representing computer professionals.

Tech quiz titled as **KHELO AZADI** is a great way to test your knowledge and keep up-to-date with the latest trends in the tech industry.Taking part in a tech quiz is not only fun, but it can also help you identify areas where you need to improve your knowledge and skills. Many companies and organizations use tech quizzes as part of their recruitment process to assess the technical aptitude of potential candidates. These quizzes can help employers identify candidates who have the necessary skills and knowledge to perform specific tasks or work on specific projects.

A programming competition usually involves presenting a set of logic or math problems to the contestants and requiring them to write computer programs capable of solving each of those problems.

At the end each participant secured a participation certificate and the winner was honoured with certificate of appreciation
