3.4.1 EXTENSION ACTIVITIES

Additional information for 3.4.1

The Objective of NSS is “NOT ME BUT YOU’ reflecting the essence of democratic living and highlights the need for self-less service to the fellow citizens. NSS is ready to help the student community and appreciates the other persons’ thoughts and opinions as well as considers the well-being of all living beings. As all of us know very well that water is elixir of life.

The National Service Scheme (NSS) at DADI Institute of Engineering and Technology organized a compelling awareness program in commemoration of World No-Tobacco Day. The event, held on 31-05-2022, aimed to raise awareness about the harmful effects of tobacco use and promote a tobacco-free lifestyle within the institute community. NSS volunteers took to the campus, carrying out extensive awareness campaigns. They distributed pamphlets, displayed posters, and engaged in conversations with students and staff members, emphasizing the importance of saying no to tobacco. The campaigns were designed to dispel misconceptions and educate individuals about the long-term consequences of tobacco consumption. The event fostered a sense of responsibility and commitment among participants to lead healthier lives and contribute to the broader goal of reducing tobacco-related harm. Through informative sessions, interactive activities, and collective pledges, NSS played a pivotal role in creating a positive impact on the mindset and behaviors of those within the institute.

International Day against Drug Abuse and Illicit Trafficking

Diet NSS wing conducted a programme on Drug abuse and Illicit Trafficking with a view to create an understanding to youngster of this generation on the eve of

International Day against drug abuse and illicit trafficking. Now-a-days, the youngsters are becoming addicts to drugs usage due to several reasons.

To this event Anakapalle Town Police Station Sub-Inspector Ramakrishna was the chief guest of this event. He explained clearly to students as well as students what circumstances lead youngsters to become drug addicts and he insisted some remedial measures how to come out of this drug abuse once a youngster was addicted. He further said that illicit trafficking became a major problem not only to one country but also to all the nations. Our Indian government has been taking several stringent measures to terminate completely this illicit trafficking

In this event respected Chairman, Sri Dadi Ratnakar Garu also expressed his displeasure for that youngster were becoming drug addicts and making their live vulnerable. DIET NSS officer, HODs, Faculty members and NSS student volunteers participated and expressed their views.

Sub-Inspector of Police Created Awareness on Against Drug Abuse Illicit Trafficking

Disha Police Station Circle Inspector Smt. Lakshmi advised the youngster not to become drug addicts and make your life endangered. On Thursday, the local Dadi Institute of Engineering & Technology conducted an awareness programme to their students on the theme “Don’t Be a Victim of Drug abuse”. Speaking on this occasion, Circle Inspector Smt. Lakshmi indicated that the youngsters were becoming drug addicts by taking drugs in a casual way and making their life spoiled and sometimes losing their valuable life. She insisted the students to give information to police station through toll free number (14500) if they come across any drug users and dealers anywhere. Afterwards, she made

the Engineering students take pledge that they should stay away from drugs and pay attention completely on their studies. In this programme, the institute Vice-Principal Dr.K.S.Eswara Rao and NSS programme officer-in-charge Kiran Kumar were present. The poster was launched by the faculty and the police officer and students had obediently learned some inputs given by the circle-inspector of police the NSS students made the occasion very grand and organized in a very pleasureful way and the circle-inspector was felicitated by the faculty of the Dadi Institute of Engineering & Technology.

Poshan Abhiyaan

The National Service Scheme (NSS) plays a crucial role in supporting and implementing government initiatives, and it often takes part in activities related to health,

hygiene, and community welfare. Below is a hypothetical event report on a POSHAN Abhiyaan awareness program organized by DIET NSS.

The NSS awareness program on the POSHAN Abhiyaan at DADI Institute of Engineering and Technology was a resounding success, emphasizing the collective responsibility to address malnutrition and promote health and nutrition in the community. Through a combination of educational sessions, community health check-ups, and practical demonstrations, the event contributed to the dissemination of crucial information and the empowerment of individuals and families to make informed choices for a healthier future. The NSS, in collaboration with local authorities and experts, played a pivotal role in advancing the goals of the POSHAN Abhiyaan at the grassroots level.

National Education Day

National Education Day in India is celebrated on November 11th, commemorating the birth anniversary of Maulana Abul Kalam Azad, the first Education Minister of independent India. This day is observed to highlight the importance of education and to honor Azad's contributions to the development of education in the country. Recognizing the importance of informed career choices, NSS organized career guidance sessions. Professionals from diverse fields were invited to share their experiences and insights, helping students make well-informed decisions about their educational and career paths. These sessions facilitated a meaningful dialogue between students and industry experts.

The Principal Dr.Ch. Narasimham and NSS Team conducted the National Education Day to show our gratitude towards '**Moulana Abul Kalam Azad**' who served as a first Education Minister to India. Dadi Institute of Engineering & Technology, Anakapalle on Friday i.e., 11/11/2022. Speaking on this occasion, the institute has remembered Moulana abul kalam azad contribution towards Indian society, especially in the field of education

The NSS activities on National Education Day at DADI Institute of Engineering and Technology successfully captured the essence of Maulana Abul Kalam Azad's vision for education. Through a combination of educational workshops, career guidance sessions, community outreach programs, and cultural expressions, the event emphasized the transformative power of education in shaping individuals and communities. The NSS, in collaboration with various stakeholders, played a pivotal role in fostering a culture of learning and enlightenment, aligning with the broader goals of National Education Day.

Principal Dr Ch Narasimham addressing the participants about National Education Day

Indian constitution Day

The National Service Scheme (NSS) at DADI Institute of Engineering and Technology celebrated Indian Constitution Day with a series of engaging activities and programs on November 26th. The day marks the adoption of the Constitution of India in 1949, a significant milestone in the nation's history. NSS organized events to raise awareness about the importance of the constitution, democratic values, and the role of citizens in upholding the principles enshrined in this sacred document.

To encourage active participation and critical thinking, NSS organized essay and elocution competitions on constitutional themes. Students were given the opportunity to express their views on topics related to constitutional values, citizenship, and the responsibilities of individuals in a democratic society. A Constitution Pledge Ceremony was organized where participants, including NSS volunteers, faculty, and students, took a collective oath to abide by the principles and values outlined in the Constitution. The pledge reinforced the commitment to upholding democracy, justice, liberty, equality, and fraternity.

The NSS celebration of Indian Constitution Day at DADI Institute of Engineering and Technology successfully blended education and cultural expression to honor the foundational document of the nation. Through workshops, performances, discussions, and civic engagement activities, the event underscored the importance of constitutional values in shaping a just and democratic society. The NSS, through its multifaceted approach, contributed to fostering a sense of constitutional awareness and responsibility among students and the broader community.
