About DIET
 One among the top colleges in our country. Located at Anakapalle, Visakhapatnam just 20km from Vizag international Airport & to 2km from Anakapalli town railway station. Dadi Group of Institutions have wide reputation for their quality of learning and a holistic approach towards grooming the students. Not just limited to the classroom-teaching, education in DIET spans beyond curriculum and textbooks aimed at developing character and thus moulding the total personality of each individual student.

About DIET IEEE Student Chapter
 The IEEE body in DIET was formed in 2008 and is the largest Chapter of the IEEE in India. It regularly conducts various activities like technical workshops, conferences, awareness camps, technical Student events etc. To improve the technical skills of DIET IEEE student members. The main role of DIET IEEE is to provide learning opportunities within the engineering sciences, research, and technology. DIET IEEE educates the student community both by theory and practice to fit in with the society and to conquer the tomorrow's technology at the global level with the human values.

About the workshop
 The six day workshop on 'NI LAB VIEW'-Engineering and Technology Practices in association with national instruments is scheduled from July 4th to July 9th, 2016. This workshop is used for faculty and students of eee and ece. the participant can acquire lab interface and practical implementation of various application in real time and also helps in their academic and research activities in the field of electrical, communication, signal processing, control systems, power systems, software engineering etc....
