RITR-2k20 Overview

DIET Innovation & Incubation Centre, Dadi Institute of Engineering & Technology has initiated One Week Online Workshop with eminent speakers from Academia, Industry and Government. Innovations are the means of generating new ideas, thoughts and imaginations which involve application of better solutions that meet new requirements and capture the market. The National Innovation and Start-up Policy 2019 proposed by MHRD intend to guide Higher Education Institutions to promote student driven innovations & start-ups and to engage the students and faculty in innovation and start up activities in campus. The theme of the workshop is to create ecosystem and collaboration and understanding ideas and innovations in all streams of Engineering, Management & Sciences.

Objectives:

- To create awareness on Innovation and value creation.
- To create awareness on Innovation policy, opportunities and challenges from academia, industries and Government.
- To inculcate ideas to prototype development & case studies.

Outcomes:

- Participants have acquired knowledge on innovation policies, Entrepreneurship and value creation.

- Participants were exposed to opportunities and challenges from resource person belonging to academia, industries and Government.
- This Workshop inculcated ideas for prototype development & working on case studies.

Poster and Brochure Release:

RITR-2k20 Poster & Brochure are released by honourable chairman Sri Dadi Ratnakar. He addressed with a message that Dadi Institute of Engineering & Technology will support the entire faculty to develop with webinars, workshops and FDPs. As every faculty has to stay home during lockdown, they have to utilize the online platforms to upgrade themselves.

Dadi Institute of Engineering and Technology (DIET), Anakapalle, AP:

Dadi Institute of Engineering & Technology is the top ranked Engineering and Management College permanently affiliated to Jawaharlal Nehru Technological University, Kakinada. The Institute is NAAC Accredited, ISO Certified and also associated with many professional bodies in the field of Engineering and Technology. It strives to promote highest standards among the students & enabling them to Build a New World. DIET is distinctive among institutions of higher learning in the society, which was founded in 2006 by Sri Dadi Veerabhadra Rao, an academician and former Minister of Government of Andhra Pradesh. It is the first multicultural and co-educational college in Anakapalle which admits only academically promising students.

Summary:

DIET Innovation & Incubation Centre, Dadi Institute of Engineering & Technology has conducted One Week Virtual Workshop on Role of Innovations in Teaching & Research (RITR-2k20) during 20-26 July, 2020 in association with NRDC, Govt. of India and MHRDs IIC. RITR-2k20 has given overview of various aspects related to Entrepreneurship and Innovations.

RITR-2k20 distinguished speakers are from different work environments. Some are employees of MHRD Innovation Cell, Navy, Visakhapatnam Steel Plant. Others are faculty from IIT, NIT and HRA & Govt. Relations Officer from UAE.

The first day session is taken by Dr.Sasidhar G Koolagudi from NIT Surathkal who made us aware about the recent research trends in speech processing.

These eminent speakers have made virtual workshop beneficial to participants. The valedictory closed by announcing prizes for the Innovation Contest Conducted by DIET Innovation & Incubation Centre. Then the Vote of thanks in which the coordinators were immensely thankful for all the support received from Chairman, SriDadi Ratnakar and Principal Dr.Ch.Prabhakara Rao and delegates for their active participation. The delegates have acknowledged the meticulous planning and execution of Dr.K. Sujatha, Convenor and dedicated coordinating team of this workshop. Overwhelming response is received from all parts of the country. The participants have registered and attended from various places in India such as Pune, Indore, Guwahati, Kalburgi, Tirupati, Hyderabad, Visakhapatnam and many more. E- certificates have been sent to participants within 15 mins after completion of Workshop. The participants expressed their gratitude for conducting sessions on time and they requested to conduct many more virtual activities in future.
