**Teaching Pedagogy on
5th September, 2019**

**Organized by
Department of Computer Science & Engineering
In Association with CSI.**

Teacher's day is celebrated across India every year on the 5th of September on the occasion of birthday of former President, Teacher, Educator and scholar **Dr. Sarvapalli Radhakrishnan**. In his book titled, "Political Thinkers of Modern India", he signified the importance of teachers and education in a country like Democratic India which was still in its early years of development. According to him, there is a huge role of teachers in nation building and for that sake teachers should be respected more. Apart from being a thinker and teacher he was also a philosopher. He once wrote a book on Bhagawad Gita and there he defined a teacher as, "The one who emphasizes on presentation to converge different currents of thoughts to the same end".

Teachers can change lives with just right mix of Chalk and Challenges. On this auspicious occasion, Dadi Institute of Engineering & Technology wished all its faculty members a very *Happy Teachers' Day* and appreciated their selfless contribution in sharing knowledge as well as inculcating values to students. This included celebrations to honor them with "Academic Excellence Awards" for their special contributions in Teaching and best performance in NPTEL & Research and Library Utilization and many more.

Similar to making a stone to statue, we need teacher who prepare personalities with values. He said that DIET is known for imparting value education to the students. He also added that the significance of the function is to show respect to our Gurus who have liberated us from darkness and has shown the light to progress. They sacrifice their life for the upliftment of the students by imparting not only knowledge but also wisdom. He urged the teachers not to stagnate the knowledge they possess but to spread it to the society and help the society to liberate. He motivated the young students with his words and advised them not to compare themselves with others and not to depend on

others. He also asked them to be bold, consistent, and possess a strong will and passion to succeed in life.He interacted with students and faculty and inspired them with the glimpses

from his life and has given several tips on how to crack Civil Services. He urged students to build self-confidence in order to achieve their ambitions.

Guest of Honour **Ms.E.P.S.Bhagya Lakshmi** emphasized the importance of parents and teachers in one's life. As Compared with Parents, teachers spend lesser time with the children. She stressed that "If the teacher is moulded properly then the society will also be moulded properly". She advised the students to pay their respect to their teachers. She insisted that Teachers should act as extension agents and should develop emotional relationship with students and contribute beyond their time in the campuses and help in shaping the future citizens. She informed every student to learn education with four Es(EEEE – Enjoy, Enlight, Employability, Empowerment)

She expressed her wish regarding the reformation of the current education system and felt that it should be student centric.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, in his address conveyed that DIET is fortunate to have a right blend of teaching fraternity who with their untiring efforts are moulding the lives of the young techies. He said that it is customary at DIET to felicitate and encourage the faculty with cash awards and appreciation certificates every year. This year it is special to have an acquaintance of the visionary teacher whose birthday is celebrated as teachers' day as a guest and son of the soil and current bureaucrat who adores teachers as greatest inspiration as Chief Guest.

Dr **Ch S Naga Prasad**, Principal of DIET in his address referred Teachers as back bone of our society. He said that they spear head the changes to be brought in the society and appealed the teachers to be the game changers in student's lives. He stressed that Teacher knowledge should be applicable and he should be the activist and role model. Teacher enlighten the students future and mould them for attaining successful career.

Dr **L.Prasanna Kumar**, Convener of the event specified the importance of gathering which is to celebrate Teachers' Day as tribute to teachers who strive hard for making our Nation's future and expressed gratitude to management for their contributions to DIET family for enhancing the spirit of hard working nature and in turn achieving good results and excelling in teaching.

The Chief Guest, Sri K.Satyanarayana, IPS and Guest of honor, Ms.E.P.S. Bhagya Lakshmi were felicitated honoring their valuable and enormous services to society and teaching fraternity. Then the Chief Guest and Guest of honor distributed academic excellent awards for the DIET faculty members of DIET with 50 gms silver medals,merit Certificate and Cash prize.

Engineers Day Poster was released by eminent persons on dais on this occasion as a prevailing custom every year.

The Profile of Chief Guest is presented by Mr K Nuka Raju and Guest of Honour by Mrs T.Sujatha. Prayer song is sung by Ms Kamalanjali, Ms Pratyusha, Ms Suma and anchoring and agenda formulation is done by Mrs B.Renuka and Dr.Sujatha concluded the memorable day with Vote of Thanks.
