#### 3rd INTERNATIONAL DAY OF YOGA CELEBRATED AT DIET

Human beings are made up of three components—body, mind and soul corresponding these there are three needs—health, knowledge and inner peace. Health is physical need, knowledge is our psychological needs and inner peace is spiritual need when all three are present then there is harmony.

Yoga gives us relief from countless ailments at the physical level. The practice of the postures (asans) strengthenes the body and creates a feeling of well being. From the psychological view point, yoga sharpens the intellect and aid in concentration; it steadies the emotions and encourages a caring for others.

"Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being.

As part of third International Day of Yoga NSS Unit of Dadi Institute of Engineering and Technology, Anakapalli has conducted awareness cum practice session to its students about the need of Yogic exercises to keep oneself fit.

Mr. N.Manakayala Rao (Nagesh), renown Yoga instructor who served as resource person for the Yoga sessions conducted as part of the International Yoga day made the students to perform various yoga postures like Pawana muktaasana, Trikonaasana, Bhujanganasana Uttaranaasana, Suryanamaskaras an Pranayama. He felt that in this materialistic world where everyone is busy from dawn to desk needs to imbed the practice of Yoga regularly for relaxation and to keep themselves fit.

Dadi Ratnakar, secretary and correspondent who inaugurated and also participated in the practice session felt that yoga can make an important contribution in achieving a healthy life and promoting well being for all at a time when the world is striving to achieve sustainable development goals.

Vice Principal Dr. K. Amarendra, felt that only way for students to gain concentration is the practice of Yoga and meditation and urged them to inculcate it into their regular schedules so that they can stabilize the body, mind and emotions.

Mr. Venkata Murali Palla, NSS program officer said that regular practice of yoga imparts a lasting sense of joy, peace and fulfillment and also relieves one from chronic ailments and improves health.

Yoga has been inculcated as part of curriculum at DIET and students are made to practice Yoga once in a week in the campus.

Literary event Elocution was conducted on the theme Yoga- for better life and the winners were awarded.

#### A REPORT ON MEGA BLOOD DONATION CAMP-2017

#### "The gift of blood is the gift of life"

Blood donation is one of the most significant contribution that a person can make towards the society. It is not harmful for an adult person to donate blood. The body of the donor can regenerate the blood within few days. It poses no threat to the metabolism of the body.

Blood donation is our human duty. Our body does not get affected if we donate blood. The body can repair the loss within a few days. So we must come forward to donate blood as it can make sure the return of a dying man again into the light of life.

. "The gift of blood is the gift of life. There is no substitute for human blood. Blood cannot be manufactured – it can only come from generous donors."

Keeping the tradition alive in DIET, DIET NSS UNIT in association with A. S. Raja Blood Bank and NTR Blood bank organized a **MEGA BLOOD DONATION CAMP** on 5<sup>th</sup> Oct, 2017 from 9 A.M. to 5 P.M. The camp was inaugurated by **Smt M. V. Suryakala, RDO-Anakapalle.** 

In her inaugural address she felt said that one unit donated by a donor would save three lives so more and more volunteers have to turn up and donate blood as it's done for a noble cause. She inspired students with her message on the need of service to humanity with illustrations from her life.

Correspondent Sri Dadi Ratnakar said that DIET students are encouraged to imbibe the principle of community service and be generous and large hearted - bound by beliefs beyond themselves. Organizing Blood Donation by NSS unit this year on large scale to support the voluntary blood banks to meet the need of patients in view of dengue fevers is to be applauded.

Vice Principal Dr K Amarendra appealed to the students to make a habit of donating blood at regular intervals so that it will re energizes the donors and makes them healthier.

Dr. Radha Rani of A S RAJA blood bank and Dr. Vasantha Rao of NTR blood bank said that a confidential blood test report and a DONOR's card shall be provided to the donors by respective Voluntary blood banks.

The samples were carefully sealed and transported away, while the volunteers and Blood bank staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless

service with a smile. The donors went through a series of medical checkups before donating blood and were given refreshments, a memento and a certificate of appreciation for this service to humanity.

And, NSS, DIET unit received certificates of appreciation from A.S.Raja Blood Bank and NTR Blood bank

NSS program officer Venkata Murali Palla said that the event was a huge success with a large number of students and teachers turning up for the cause and donating about 171 units on a single day.

# SWACCH ANDHRA OPEN DEFECATION FREE (ODF)-SURVEY PROGRAMME

NSS Volunteers of DADI INSTITUTE OF ENGINEERING & TECHNOLOGY, Anakapallie have participated in 'Swacch Andhra Open Defecation Free (ODF)-Survey Programme' conducted in Maredupudi and Akkireddipalem villages in Anakapalli(M), Visakhapatnam, from November to December, 2017.

The survey was to track the government's flagship programme, Swachh Bharat Abhiyan in Andhra Pradesh and to make Andhra an open defecation free state.

NSS volunteers educated the rural folk about Open air defecation and conveyed that due to lack of general sanitation and hygiene people are exposed to to various diseases, especially diarrhea and intestinal infections and also typhoid, cholera, hepatitis, polio, trachoma and other diseases. Infected surface water wells and hand pumps may cause serious health hazards.

In this Survey program the NSS Volunteers actively participated and have interacted with the villagers and extracted the details. They enquired about:

- 1) Do they have personal toilets or not
- 2) Whether they are utilizizing it for defection or not.
- 3) Whether they have constructed it on their own or supported by the Government.

Faculty members and students created awareness among the villagers about the diseases like microbial contamination (Bacteria, Viruse, Amoeba) caused due to open defecation and also they advised the people about the precautions to be taken after defecation like cleaning their hands properly with the help of sanitazors and soaps.

It was observed that 60% of houses had toilets but they are not being utlisied by the families in a proper way. Volunteers educated them about the need of daily cleaning of toilets.

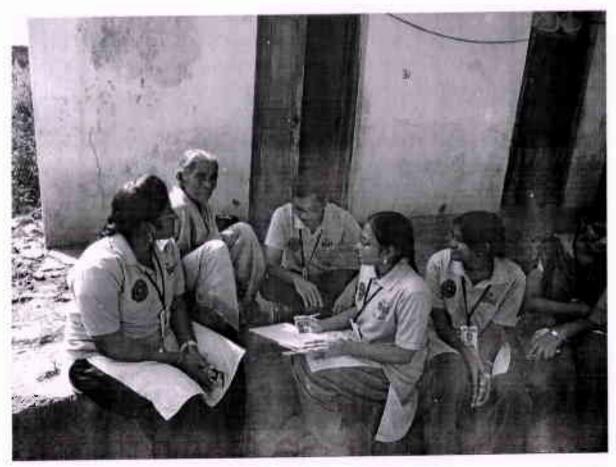

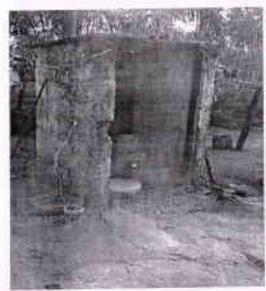

Toilets under construction after the ODF drive by mandal development office survey.

Volunteers educating the orthodox old lady about the need of individual toilets.

In this survey NSS Volunteers has found out that 40% villagers are not having toilets and even after building toilets, they are not using it properly, sometimes they are using toilets as store rooms and going out for defecation.

#### **CAMPUS CLEANLINESS DRIVE**

NSS unit in association with the civil engineering department has taken up campus cleanliness drive on 13<sup>th</sup> December,2017.

The focus of the drive was to create awareness amongst the students about the need of keeping our surroundings clean NSS volunteers have spread the message of value education to the students that its their responsibility as good citizens to keep the environment clean.

Volunteers and students have taken a serious task of maintaining the campus clean. They have cleared all the weeds and unwanted material and have given a new look to the campus.

#### **ROAD SAFETY AWARENESS TO NH-16 USERS**

Road safety is a safety measure to reduce the risk of road accidents and road side injury because of the mistakes of people while driving on the road. We cannot count the daily road side accidents and death of people because of the driving mistakes and lack of road traffic rules followers. Every person going on the road has risk of injury or death. Such as pedestrians, motorists, cyclists, passengers, etc.

Everyone needs to be well aware of the road traffic rules especially children and young people who are at significant road accident risks. According to the statistics (World Health Organization, 2008), it is found that most of the hospitalization cases and leading cause of death are because of the road trauma.

DIET NSS unit has initiated Road safety awareness program for all the road users from 19<sup>th</sup> December,2017. On every Saturday Volunteers with the assistance of traffic department will educate the road users about the safety measures to be taken while driving.

Volunteers would stress the importance of wearing helmet, seat belt, and slow driving etc.

### A REPORT ON PASSPORT MELA ORGANIZED IN DIET CAMPUS

The most awaited event since one and a half year has been finally executed. NSS

unit of the college in association with Regional passport office, Visakhapatnam under the aegis of Passport Seva Kendra has conducted Special verification Camp under Student Connect initiative in our college campus on 24th March,2018. The Special verification camp was inaugurated by Asst Passport officer of Regional passport office, Visakhapatnam Sri K R

H D Prasad . In His inaugural address he conveyed that the student connect

initiative enables to benefit the student fraternity to get the passport delivered to them at a rapid pace as the verification of documents has been done at the college campuses. He said that these student camps passport would prevent the students from waiting for their appointment dates. He added that many of

the students who plan for abroad education or placements are not aware of the documents to be produced to get the passport so these student connect programs would address them as it is an awareness cum verification camp.

He asked the students to get ready with the following documents

- 1. Printed copy of the online registered form with ARN Number
- 2. Birth Certificate for all applicants who are born on or after 26/01/1989. It should be ensured that the birth certificate contains the applicant name, father's name, mother's name. The names given in the application form should be the same as in the birth certificate.
- 3. Proof of address for the present address mentioned in the application form.
- 4. 10th or 12th standard marks card for non-ECR purpose
- 5. Bonafide certificate issued by the college authorities containing the present address and date of birth of the applicant
- 6. Valid student Identity card. For applicants who are below 18 years the

Correspondent Sri Dadi Ratnakar who was present as guest of honor at the inaugural applauded the initiative of Ministry of External Affairs, Govt. of India to reach the students and help them to get the passport with much ease. He opined that the students have to make much use of the camp. He also reminded the students that as citizen of India it is our prime duty to possess

passport which is a valid document which conveys that we are citizens of India. He opined that this initiative allows passport to reach the deserved in a prompt and hassle free way.

NSS Program officer P. Venkata Murali who had coordinated the camp conveyed after the verification that about 600 applicants have participated in the special verification camp and got their documents verified and were given slots on 26<sup>th</sup> &27<sup>th</sup> March,2018 for further process at Passport Seva Kendra, Visakhapatnam. He said that about six officials from Regional Passport

office and Passport Seva Kendra have participated in the verification processes. The officials have thanked the faculty for coordinating in getting the documents ready in less time and also praised the students for the discipline in which they got their documents verified.

The iris, finger prints, Photograph and documents attachment of all the passport applicants have been taken at the respective centers like Regional passport office, Passport Seva Kendra -1 and passport seva Kendra -2 at Visakhapatnam.

Our students were taken care off by the personal of passport kendras and were guided in every aspect.

Our special thanks to the Managers of passport seva kendras Sri Rupesh Kunchum, Sri Radha Krishna who guided us right from collection of documents to generation of ARN numbers.

Incharge Principal Prof Dr. Ch Prabhakar Rao, Vice Principal Prof Dr. K. S. Eswara Rao, heads of all the departments of Engineering and Management, students in large number have participated in the passport mela.

With the support and encouragement from the management and staff NSS unit has successfully completed the process and expecting the students to get their passport at the earliest by 1<sup>st</sup> week of April, 2018.

### **LEARNER LICENSE MELA**

A learner license mela was held at DIET on 5<sup>TII</sup> December,2017 by Transport department as part of safe Visakha campaign. Deputy Transport commissioner Sri S. Venkateswara Rao who graced as chief guest has conveyed that this initiative of transport department is intended to ensure that all drivers have proper license. He said that youth who crossed 18 years can use the opportunity to take driving licence by producing Aadhaar card, SSC certificate, residence proof and those who crossed 50 years can avail the facility by producing doctor's certificate. The department has been visiting the educational institutions, offices for spot registrations, the DTC said. Most of the youngsters in the city were driving the vehicles without licensee and causing accidents. This mela helps the students to get their licenses at their convenience without much difficulty. He said the students have a role to play in creating awareness on traffic and road safety.

College founder and former minister Sri Dadi Veerabhadra Rao who graced as guest of honor has conveyed that the students have to oblige to the traffic rules and have to promote safe and responsible driving and this mela is a positive move from

the transport department.

RTO Anakapalli Sri AH Khan said that the students are driving vehicles without proper awareness and transport department has taken stringent measures to curb rash driving and educated the students on safe driving' He mentioned that about 450 students have passed the LLR test in the one day Mala hald at DIET Campus

Correspondent Sri Dadi Ratnaka thanked all the officials and staff of the transport department who have rendered their service for smooth conduct of the test for the aspirants.

Vice Principal Prof Dr. K. Amarendra, NSS PO Sri P V Murali, HODs and

students participated. In large numbers
