TEACHERS' DAY CELEBRATIONS ON

5th September, 2017

Organized by

Department of Computer Science & Engineering
In Association with CSI.

Respected Sir / Madam,

Teacher's day is celebrated all across the India every year on 5th of September to pay tribute to the teachers for their precious contributions in our study as well as towards the society and country. There is a great reason behind the celebration of teacher's day on 5th of September. Actually, 5th of September is the birthday **Dr. Sarvapalli Radhakrishnan**. He was a great person and highly devoted towards the education. He was well known as the scholar, diplomat, Vice President of India, President of India and most importantly the Teacher. After his selection as the Indian President in 1962, he was asked and requested by the students to get permission to celebrate his birthday on 5th of September. However, he replied that, instead of celebrating 5th of September as my personal birthday, it would be better if it is dedicated to the whole teaching profession. And 5th of September should be celebrated as teachers day all over India to pay honor to the teaching profession.

DIET witnessed a land mark celebration on its campus the '**Teachers' Day-2017**', the prestigious commemoration took place at Air conditioned seminar hall on **5th September-2017** in the presence of eminent academicians, Professors & Students. The **Chief Guest Prof. V.Krishna Mohan, Former Registrar-Dr.B.R.Ambedkar University , Professor in Commerce & Management Studies, Andhra University** inaugurated the program in the presence of **Guest of Honour Prof P. Seetharamaiah, Professor Emeritus, Andhra University** along with Correspondent and Vice-Principal . The Noble celebration continued with the procession of the Vice-Principal, Convener , Chairman (Correspondent) – Chief Guest and Guest of Honor.

The Chief Guest **Prof. V.Krishna Mohan** and **Guest of honor Prof. P. Seetharamaiah** were distributed academic excellent awards for the faculty members of DIET with merit Certificate and Cash prize.

Addressing the gathering, the Chief Guest Prof. V.Krishna Mohan referred the day as honor of teaching community. He said that teacher has lot of importance in shaping the society. This is most respectable job in the society. He said , We shall imbibe the qualities the Dr. Sarvepalle Radhakrishnan. A teacher should have utmost values and job satisfaction. He said teaching is not a job, its passion. In fact, Teachers day commemorates the memory of Dr. Radhakrishnan and his notable contributions to the cause of education. This day also recall and acknowledge the immense contributions of countless teachers of our nation.

Guest of Honor Prof P.Seetharamaiah said teacher is tool to change the world thorough his delivers. He explained, teacher is the yard stick that measures the achievements and aspirations of the nation. The worth and potentialities of a country get evaluated in and through the work of a teacher. The people of a country are the enlarged replica of their teachers. They are the nation builders.

In his speech Sri Dadi Ratnakar, Secretary & Correspondent of DIET emphasized that teachers are sacrificing their lives to keep their students in good position in the society. He explained that a teacher treats their students as their own children. He said , it is custom of DIET to honor every faculty of DIET in every teachers' day. On this auspicious day, he urged all the teachers and other personnel connected with this noble profession to rededicate for the cause of all round development of children and supporting our nation in achieving the transformation to a developed nation.

Prof. Dr. K. Amarendra, Vice-Principal of DIET explained the role of a teacher. He said , due to his teachers only today came to this position. He said , Every one in their life shall a role model teacher who inspires to reach high positions in life.

Convener of the event Dr.L.Prasanna Kumar said a teacher is transformer to convert darkness into knowledge. He said, Teacher is an English word and the Sanskrit word for teacher is GURU, which comes from GU and RU. The GU indicates the darkness and RU indicates which removes the darkness.If the teachers are well educated and if they are intellectually alive and take keen interest in their responsibility, then only the success is ensured. Teaching, in fact, is not a job, it is an attitude. After that Chief Guest and Guest of honor were felicitated.

Feedback analysis and ATR:

Analysis of Faculty's Feedback Following areas of concern was identified in terms of disagreements:

- 1) Already management is providing incentives for results but if any appreciation given means it will be good.
- 2) Faculty requested for support from management for professional body membership.

ATR:

Regarding 1: Faculty requested for support from management for professional body membership.

Regarding 2: Rather than theory faculty requested to have a workshop in a practical way with advanced topics.
