Lecture Capturing System (LCS)

In our College, the LCS facility is available in e-Library and the lectures are taken by the AV Recording Setup. This setup is effectively utilized by our faculty members to making their video lectures. This facility is very much useful for the students to understand and learn the concepts in easy manner. In addition to that this content can be uploaded into YouTube and the LMS systems like Google Classrooms. By this facility, the recorded video lectures can be viewed by the students at any time.
