Report on

Online Webinar on Quality Education, Accreditation and Teacher Development

(A Theme based webinar on completion of the One Year of Transformative reforms under New National Education Policy 2020)

Organized by

Internal Quality Assurance Cell

on

Date: 06-08-2021 (Friday) at 03:00 PM

Venue: Google Class Room

Meet Link: <https://meet.google.com/lookup/bwpuxb2mev>

Under National Education Policy 2020

Event date: 06-08-2021 (Friday)

Event conducted : Online Webinar on Quality Education, Accreditation and Teacher Development

Place of event : Dadi Institute of Engineering and Technology through online mode.

Timings: 3:00 PM – 4:00 PM

Total No of participants: 116

Speakers: Dr Challa Narasimham, Principal

Dr J Babu, IQAC Dean

Mr. K Krishna Nag, HOD EEE Department

Dr K Sujatha, R&D Cell Convenor

The new National Educational Policy 2020 revealed on Wednesday, 29 July, seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country. It also seeks to implement changes in the way the facilitators of such education – schools, colleges and teachers – are trained and how they approach education.

The policy is based on the pillars of “access, equity, quality, affordability, accountability” and will transform India into a “vibrant knowledge hub”, tweeted Prime Minister Narendra Modi soon after it was unveiled.

Dr. Ch. Prabhakar, HOD of H&BS has shared opening remarks on Quality Education with reference to NEP 2020.

Dr. Challa Narasimham, Principal, has given deep insight on Quality Education, Accreditation and Teacher Development. Need for NAAC, NBA and Certification courses for Teachers. He emphasized on impart of Quality Teaching.

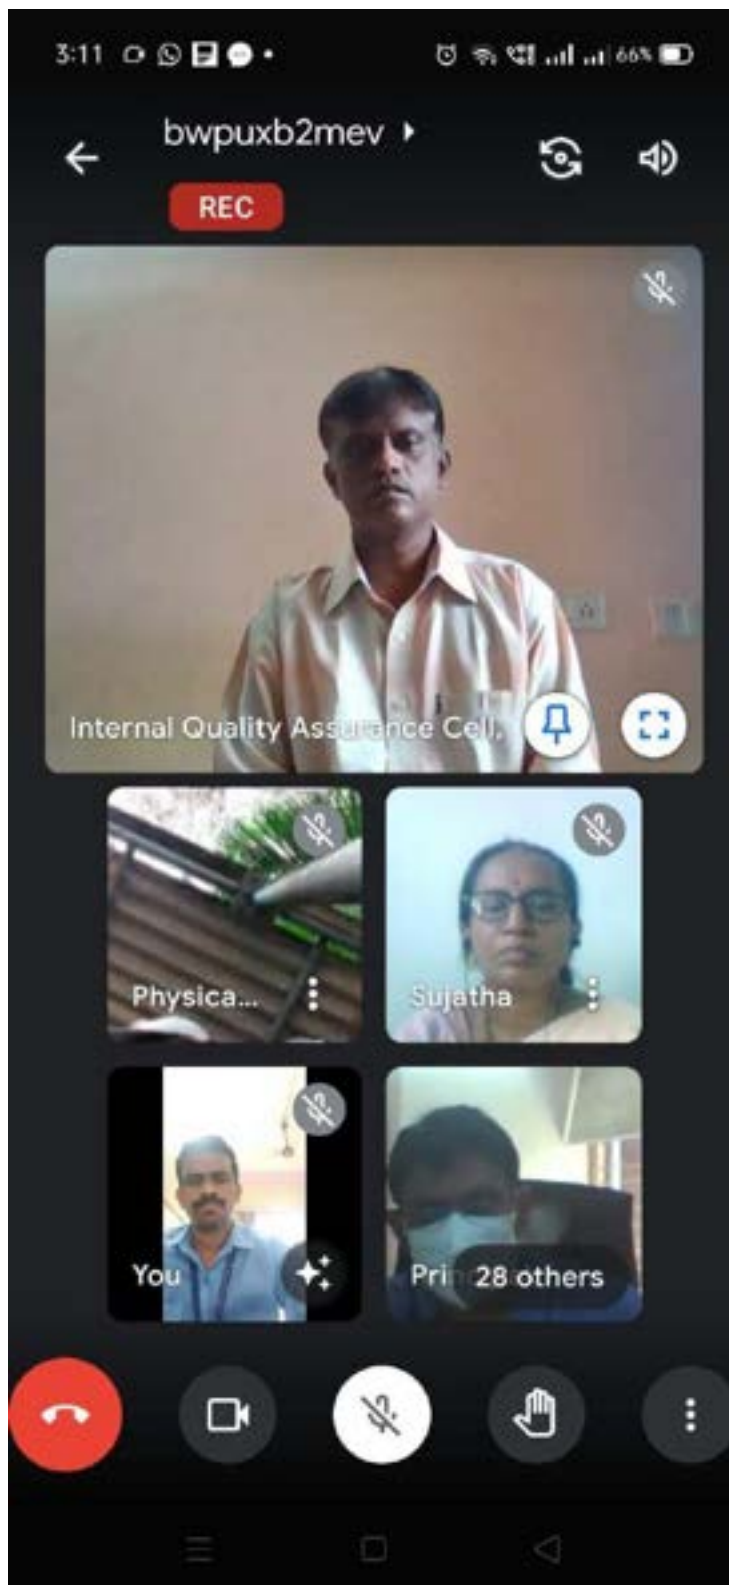

Dr J Babu, IQAC Dean has shared the details of NAAC Accreditation process and the importance of all the criterions of NAAC.

Mr. K Krishna Nag, HOD EEE Department has shared the views on Quality education mechanisms in detail.

Dr K Sujatha, R&D Cell Convenor has shared the views on R&D of a Teacher and Teachers development.

Dr. Challa Narasimham, Principal, DIET addressing the gathering.

Dr J BABU is addressing the gathering

Quality Education – Essential Ingredients

The diagram illustrates the components of Quality Education. At the center is a blue oval labeled 'Quality Education'. Five other blue ovals are arranged around it, each with an arrow pointing towards the center: 'Learner' (top), 'Outcomes' (top-left), 'Environment' (top-right), 'Content' (bottom-right), and 'Processes' (bottom-left). To the right of the diagram are two logos: the 'National Education Policy 2020' logo and the 'Diet' logo.

Participants visible in the meeting interface include:

- A Krishna Nag EE...
- Dr.Ch.Prashakara ...
- F. Anurutha, ECE, ...
- Y. Somaswara Rao
- 25 others

Mr. K Krishna Nag, HOD EEE Department is addressing the gathering

Need for Teaching Development

1. Go beyond Subject Area Knowledge
2. Improve Student Outcomes
3. Include New Technology
4. Help each other become Better Educators

Participants visible in the meeting interface include:

- A Krishna Nag EE...
- Dr.Ch.Prashakara ...
- F. Anurutha, ECE, ...
- Y. Somaswara Rao
- 25 others

WEBINAR REPORT ON EQUITY & INCLUSION

30th JULY, 2021

Organized by

INTERNAL COMPLAINT COMMITTEE

Under National Education Policy

The new [National Educational Policy 2020](#) revealed on Wednesday, 29 July, seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country. It also seeks to implement changes in the way the facilitators of such education – schools, colleges and teachers – are trained and how they approach education.

The policy is based on the pillars of “access, equity, quality, affordability, accountability” and will transform India into a “vibrant knowledge hub”, [tweeted](#) Prime Minister Narendra Modi soon after it was unveiled.

Equity and inclusion in higher education NEP 2020

NEP aims to ensure equity and inclusion in and through education by addressing all forms of exclusion and marginalization, disparity, vulnerability and inequality in education access, participation, retention and completion and in learning outcomes. Education needs a greater focus on accessibility, equity and quality.

INTERNAL COMPLAINT COMMITTEE(ICC) organized a webinar on “**EQUITY & INCLUSION** “ to discuss on transformative reforms under National Education Policy. Webinar is being conducted on 30th July,2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology,
Dr. J.Babu, Professor, Dadi Institute of Engineering and Technology spoke on various sub-themes covering EQUITY.

Prof. Challa Narasimham, has Explained the Policies of NEW EDUCATION POLICY, 2020& Recognizing, identifying & fostering the unique capabilities of each student by sensitizing teachers & parents. Respect for diversity & local context in all curriculum, pedagogy and policy

and taking education as a concurrent subject Full equality & inclusion in all educational decisions to ensure that all students thrive in the education . EDUCATION FOR ALL CHILDREN OF MINORITY & SEDGS

Prof. J.Babu provided a deep insight on the topic “EQUITY & INCLUSION”

Prof. CH. Prabhakar, HOD of H&BS spoke about declaring regions with large population of SEDG*

Concentrated areas as Special Education Zones (SEZs). All schemes & policies to be implemented to the Maximum to change their educational landscape. Policies & schemes targeted towards SEDGs students especially girls to eliminate any remaining disparity in access to education.

The talk by **Mrs. G SUJATHA, ICC Convener** dealt with Gender-inclusion Fund to assist female & Transgender children in gaining access to education. Inclusion Fund Schemes to be developed to address access issues for other SEDGs. Building free standard boarding facilities in schools particularly for students from SEDG backgrounds. Strengthening Kasturba Gandhi Balika Vidyalayas & increasing the participation of girls in Quality schools (up to Grade 12).

Barrier free access for all children with disabilities. Assistive devices, appropriate technology-based tools as well as adequate and language-appropriate teaching-learning materials.

Children with disabilities can choose between regular or special schooling & home-based education. Resources centers & special educators to support their habilitation & educational needs of learner’s with severe or multiple disabilities.

The talk by Miss Shaik Shabeena, ICC Co-Convener dealt with B.Ed. Programmes to include training in most recent techniques in pedagogy including foundational literacy & numeracy , teaching children with disabilities. Etc. Shorter post-B.Ed. certification courses to be made available at multidisciplinary Colleges & Universities. In-service teacher education programmes to include knowledge of how to teach Divyang-children, sensitization towards gender & minorities. Building capacity of alternative schools teachers in science, Maths, etc. including orientation to new .

Miss O Lakshmi Bavana, Member of ICC, Spoke on DEVELOPING ALTERNATIVE FORMS OF SCHOOLS, PRESERVING TRADITIONAL PEDAGOGY.

Event Details:

One Day Health Awareness Programme

On 3rd September, 2021

Organized by

DIET Internal Compliant Committee

The DICC of Dadi Institute of Engineering & Technology (DIET) has successfully conducted **One Day Health Awareness Programme** on 03.09.2021 from 2:00PM onwards at DIET Campus through virtual platform.

The programme commenced with welcome note by Mrs G. Sujatha, Assistant Professor of Computer Science Engineering and Convener of DICC. The guest speaker Dr. J. Bharathi, MS. D.G.O, Gynaecologist in her lecture highlighted that over 50% of adolescents in the age group of 10 to 19 years in India are, short, thin, overweight or obese because of malnutrition. Besides, explained how adolescent girls especially suffer multiple nutritional deprivations. While more girls suffer from shortness than boys, anemia affects 40% of adolescent girls, compared to 18% of boys, and worsens as they get older.

She also threw light on other problems like eating disorders, mental health problems, early pregnancy and child birth, sleep disturbance, Gynecological problems which youth are incessantly facing in today's modern world.

Dr Challa Narasimham, Principal of DIET in his address emphasized that 'Good nutrition allows children to survive, grow, develop, learn, play, participate and contribute—while malnutrition

Report on Ganesh Chadurthi**19th August , 2020****Organized by
Diet Literary & Cultural Club**

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Venue: Online

The holy festival of Ganesh Chaturthi is celebrated every year with great fervour in the country with thousands of devotees thronging temples and ‘Ganeshotsav pandals’ to offer their prayers

As a part of **Ganesh Chadurthi**. DLCC has conducted an online event about Eco friendly Ganesh idols with the theme **“Be The Change Go For Green (Clay) Ganesh” Be Eco-Friendly...Use Eco-Friendly...”**

We created awareness among students to choose clay Ganesh idols instead of those made of plaster of Paris or those painted with chemicals

Students participated in the event & prepared Eco-Friendly Ganesh Idols with “Mud/Clay”/ “Turmeric” / “Flour”.

Students actively participated & showcased their creativity in preparing the idols

Eco-Friendly Ganesh idol at home From Dadi Institute of Eng.

The online event is uploaded in our college website : <https://youtu.be/Ufkv3c3Diyw>

REPORT ON NATIONAL EDUCATION DAY-2020

Respected Sir/ Madam

Greetings from Dadi Institute of Engineering & Technology

Event: Elocution Competition

Event Date: 10 th November 2020 on the Occasion of National Education Day

Event Place : SAC Room

Every year since 2008, November 11 is celebrated as National Education Day to commemorate the birth anniversary of Maulana Abul Kalam Azad.

He was a key educationist who played an important role in developing the education system in independent India.

On the Occasion of National Education day , Elocution Competition has been organized by DLCC and around 24 students participated in this competition . Dr K. Sujatha Madam & S. Vanaja Madam are the judges of the event.

The following are the list of the students participated in the competition

S.NO	NAME OF THE PARTICIPANT	BRANCH/YEAR	REGD.NO
1	G. JYOTHI	D EEE/II	19349-EE-230
2	E.V.S. HARIKA	D EEE/II	19349-EE-227

Book Talk Report on Biography of “Jhansi Lakshmi Bhai”-19th Nov 2020

To commemorate the Birth Anniversary of “**Jhansi Lakshmi Bhai**” on 19th Nov, DIET Library has conducted a Book Talk on her Biography for students in collaboration with DIET Literary & Cultural Committee to develop their communication skills and Inter & Intra personal skills as a whole.

“**Jhansi Lakshmi Bhai**” was an Indian queen, the Maharani consort of the Maratha princely state of Jhansi who was born on 19 November 1828 and was one of the leading figures of the Indian Rebellion of 1857 and became a symbol of resistance to the British Raj for Indian nationalists.

Sixty students on an average participated in this competition, who spoke impeccably. Among them Konathala Yamini 18U45A0401 bagged First Prize from ECE Department & Ch.Yamini 18U45A0206 bagged Second prize from EEE Department for the Book Talk conducted on 19th Nov 2020

CHRISTMAS DAY CELEBRATIONS ON

24th December, 2020

Organized by

Diet Literary & Cultural Club

Respected Sir/Madam,

Greetings from **Dadi Institute of Engineering & Technology**

Christmas day is celebrated across India every year on 25th of December. Christmas is the festival which inspires the spirit of sharing and caring. The College was beautifully decorated and students were dressed as Santa Claus. The students of SAC sang melodious carols and wished their faculty and classmates. The significance of the festival was explained to the students through the Christmas story. The boundless joy of celebrating the festival was visible on the faces of all the students. **Students** decorated Christmas tree, Snow man with lamps and toys and flowers in one corner. All students actively participated in Chocolate Bomb blast game & Guess Me Who I am, the events are conducted by DLCC.

The Chairman, Principal, Vice Principal & the whole staff and Students participated in Christmas celebrations.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, he conveyed Christmas wishes and distributed prizes to winners & Presented gifts to students on the Eve of Christmas

Dr **Ch. Narasimham**, Principal of DIET in his address referred importance of the Christmas with small story and conveyed his wishes to all students.

GLIMPSES OF CHRISTMAS EVE

డైట్ కళాశాలలో క్రిస్మస్ వేడుకలు

అనకాపల్లి టౌన్: డైట్ కళాశాలలో గురువారం క్రిస్మస్ వేడుకలు నిర్వహించారు. విద్యార్థులు తయారు చేసిన వివిధ కళారూపాలను ఈ సందర్భంగా ప్రదర్శించారు. శాంతాక్లాబ్ వేషధారణలో

విద్యార్థులకు గిఫ్ట్ అందజేస్తున్న రత్నాకర్

విద్యార్థులంతా గీతాలను ఆలపించారు. కళాశాల బైరమ్ దాడి రత్నాకర్ క్రిస్మస్ కేక్ కట్ చేశారు. క్రిస్టియన్ విద్యార్థులకు గిఫ్ట్లు పంపిణీ చేశారు. ప్రెస్నిపాల్ డాక్టర్ చల్లా నరసింహం, వైస్ ప్రెస్నిపాల్ డాక్టర్ ఈశ్వరరావు, అధ్యాపకులు పాల్గొన్నారు.

BRAIN GROOMING ACTIVITY ON

21st January, 2021

Organized by

Diet Literary & Cultural Club

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Event date: January 21st 2021 on behalf of Ist Year students INDUCTION PROGRAM

Events conducted : Brain grooming activity.

Place of event : Seminar hall-2

No of participants: 40

Coordinator: Mrs.P.Jagruthi & Mrs.DL.Mythri

Student coordinators: Poorna Sai, III EEE & Swetha .K, II EEE

DLCC has conducted various brain grooming activities for the newly admitted students under B.Tech Course. As a part of this students were given various puzzles and brain teasers to improve their cogitation skills.

Brain grooming activities makes students feel good and releases endorphins. Grooming activity is rewarding and good in influencing mood. Exercising the brain to improve memory, focus is a top priority for many people. Brain activities boost up ones memory, concentration and focus can make daily tasks quicker and easier and keeps brain sharp as one gets older.

Students from various branches have actively participated in all the activities and exhibited their creative skills in cooking up stories with given keywords. Students from CSE exhibited their talent in every event.

Events conducted:

- **Self Introduction**
- **Solving puzzles**
- **Tongue twisters**
- **Communication game**

WEBINAR REPORT ON MULTI DISCIPLINARY AND HOLISTIC EDUCATION

2nd August, 2021

Organized by

Diet Literary & Cultural Club

Under National Education Policy

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Event date: August 2nd 2021 on behalf of Discussion on Transformative Reforms under National Education Policy

Event conducted : Webinar on Multidisciplinary and Holistic Education

Place of event : Dadi Institute of Engineering and Technology through online mode

Timings: 3:00 PM – 4:00 PM

Total No of participants:

Coordinator: Mrs.DL.Mythri, Ms.Ch.Preethi, Ms. Lalitha Bala, Mrs.K.Manoharini

Speaker: Ms.P.Jagruthi

Diet Literary and Cultural Club (DLCC) organized a webinar on “**Multidisciplinary & Holistic Education**” to discuss on transformative reforms under National Education Policy. Webinar is being conducted on 2nd August 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology, **Dr. J.Babu, Professor**, Dadi Institute of Engineering and Technology spoke on various sub-themes covering Holistic and Multidisciplinary education.

Speaking on “Holistic and Multidisciplinary Education”, **Prof. Challa Narasimham** said that the characteristic features of Indian education system such as value system, sustainable philosophy of life, respect for plurality and multidisciplinary and holistic education system

actually established India as Vishwaguru in the ancient times. Explaining various aspects of National Education Policy such as integration of humanities and arts with STEM subjects, multiple entry and exit, restructuring of undergraduate and postgraduate programmes, mainstreaming of vocational education, Academic Bank of Credit etc. he informed how all these recommendations have generated a renewed interest in holistic and multidisciplinary education and thereby put Bharat on the path to Vishwaguru, again.

Prof. J.Babu provided a deep insight on the topic “Building a knowledge society through Holistic and Multidisciplinary higher education”.

Citing various initiatives of the Govt. since 2014 **Prof. CH.Prabhakar** observed that the holistic and multidisciplinary reforms in NEP 2020 are in sync with the Govt. approach to inculcate the culture of innovative, flexible and open curriculum. The way to evolve holistic and multidisciplinary education is to make education more experiential, interesting, integrated, inquiry-driven, discovery-oriented, learner-centered, discussion-based, flexible and enjoyable. Referring to what constitutes a good education in ancient times, he said such notion of knowledge of many arts including its modern application will place Bharatiya higher education in a different sphere to give us an edge in 21st century.

The talk by **Ms. P.Jagruthi** dealt with “Towards transforming Higher Education through Multidisciplinary and Holistic approach”, one of the proposed objectives of National Education Policy. In her speech, she said that one of the important things about the policy is it requires an individual to learn how to learn. Besides, she dwelt in detail about establishment of one multidisciplinary institution in every district by 2030, allowing free subject combinations which are in line with the global demands. Further, the talk throws light on attaining the objectives of internationalization, reforms in teacher education, and regulatory reforms and considered these reforms as the right moves to meet the diverse global demands through multidisciplinary system.

Mrs.D.L.Mythri latter explained that it is not only the subject specific knowledge which matters but also as how the discourse need to be conducted also matters. In addition to espousing holistic and multidisciplinary education she also elaborated on ways to make education holistic and how to achieve the culture of multidisciplinary.

WEBINAR REPORT ON INDIAN KNOWLEDGE SYSTEM, LANGUAGES, ARTS AND CULTURE

5th August, 2021

Organized by

Diet Literary & Cultural Club

Under National Education Policy

Respected Sir/Madam,

Greetings from Dadi Institute of Engineering & Technology

Event date: August 5th 2021 on behalf of Discussion on Transformative Reforms under National Education Policy

Event conducted : Webinar on Indian Knowledge system, languages, arts and culture

Place of event : Dadi Institute of Engineering and Technology through online mode

Timings: 3:00 PM – 4:00 PM

Total No of participants: 144

Coordinator: Ms.P.Jagruthi, Ms.Ch.Preethi, Ms. Lalitha Bala, Mrs.K.Manoharini

Speaker: Mrs.DL.Mythri

Diet Literary and Cultural Club (DLCC) organized a webinar on “**Indian Knowledge system, languages, arts and culture**” to discuss on transformative reforms under National Education Policy. Webinar is being conducted on 5th August 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology, **Dr. J.Babu, Professor**, Dadi Institute of Engineering and Technology spoke on various sub-themes covering Indian Knowledge system.

Talking about the way forward for the IITs in the subject area of Indian Knowledge Systems, **Prof. Challa Narasimham** remarked on the need to create and promote an Independent Center of Indian Knowledge Systems to revive the interest of students and faculty in Indian heritage and

recreate a comprehensive and positive atmosphere of research, and outreach to humanity as a whole

He said *“The webinar which shall be the first among a long series of subsequent ones will create a comprehensive knowledge base and further promote an international policy of Indology. This is in the lines of the several firsts we have achieved in various scientific and technological progress of our nation which has led to us becoming an Institute of Eminence”*

Prof. J.Babu provided a deep insight on the topic “Indian Knowledge system, languages, arts and culture”.

Prof. CH.Prabakhar spoke about Arts and Culture saying that “Promotion of Indian Arts & Culture is a priority that will benefit not only the nation but also the individual”. It is necessary to introduce students to their culture which will enable them to have a sense of belonging and identity and will also help them value their culture & traditions. The students must develop a strong sense of their own cultural history, languages, arts, and traditions which will also boost their self-esteem and benefit society as a whole.

The talk by **Mrs.D.L.Mythri** dealt with the promotion of Indian languages will be integrated into school and higher education at every level. In order to help students learn these languages, there will be ensured availability of high-quality learning materials in the form of workbooks, textbooks, magazines, videos, poems, plays, novels, etc. Moreover, the language must have a consistent update to their vocabulary in the dictionary so that the students can be provided with education in terms of the latest topics and issues of the country.

The promotion of Arts & Culture will also include the inclusion of native Indian languages including the tribal languages in the curriculum for Science, Arts, Humanities, and other streams. Moreover, there will be flexibility for the students to choose a balanced course; especially in higher education and secondary schools; and formulate personalised cultural, artistic and academic paths.

Role of Indian Knowledge System in NEP 2020

- The NEP seeks to instill in students a rootedness and pride in India, and its “rich, diverse, ancient and modern culture and knowledge systems and traditions”
- It also says the rich heritage of ancient and eternal Indian knowledge and thought has been a guiding light for this policy.

2:10 PM | @Segolingj

Language policy in NEP-2020

- India is a multi-lingual country with diverse cultural heritage. Language is a vehicle of gathering knowledge and means of communication with the people of immediate vicinity, across the country, and abroad.
- Multilingualism and offering multi-disciplinary courses are the essence of the NEP 2020.

REPORT ON “AZADI KA AMRIT MAHOTSAV”- RASHTAGAAN

13th August, 2021

Organized by

DIET Literary & Cultural Club

Event conducted : Singing of Rashtagaan

Place of event : Dadi Institute of Engineering and Technology through online mode

Total No of participants: Staff- 85, Students- 135

Coordinator: DLCC Coordinators

DIET Literary and Cultural Club (DLCC) coordinated the initiative being taken by the central government under the Azadi ka Amrit Mahotsav which was announced by our Honourable Prime Minister Narendra Modi

As a part of the Government of India’s celebrations under the ‘Azadi Ka Amrit Mahotsav’ to commemorate 75 years of India’s Independence, Prime Minister during his “Mann Ki Baat” address of 25th July 2021, had urged citizens to sing the National Anthem to create a "Rashtra Gaan" record. It is an effort to get the "maximum number of Indians" to sing the National Anthem together. A compilation of the uploaded videos of the National Anthem will be shown live on 15th August, 2021.

Prof. Challa Narasimham, Principal, Dadi Institute of Engineering and Technology has taken up this activity and instructed all the staff and students to participate. He also informed that it is our responsibility as a citizen of India and should show our due respect towards the initiatives taken up by the govt of India in promoting our Patriotism .

The following steps need to be followed for singing and uploading the video:

- (i) Open <https://rashtragaan.in>
- (ii) Click on “Proceed” or on the right click at bottom right → (in case of mobile devices)
- (iii) Enter the name in the box below the headline “Please enter the name here” and select the correct option in “Your Age Group”, Enter the Country name from where the video is being

recorded/uploaded. Then click on “Let’s Sing” or on the right click at bottom right → (in case of mobile devices)

(iv) Align the face to the screen (At this stage the portal may ask for permission to record audio and video from the device being used).

(v) Once the face is aligned, Press on “Record” - The national anthem music will start playing after a countdown from 3 and the text of the national anthem (in hindi) will be visible for use of those recording a video.

(vi) Once the video has been recorded, there will be an option to listen to the recording before uploading or Restart (this will initiate the process on the portal ab-initio). If the individual is satisfied with the playback of the recording, Press Upload to enable the portal to save the video.

(vii) On successful uploading of the National Anthem, a ‘Certificate of Participation’ is automatically issued.

Certificates of Staff:

Certificates of Students:

Ministry of Culture
Government of India

CERTIFICATE

OF PARTICIPATION

THIS CERTIFICATE IS AWARDED TO

G Tejaswi

FOR SUCCESSFUL PARTICIPATION IN **RASHTRAGAAM**,
AN INITIATIVE BY THE MINISTRY OF CULTURE TO MARK **AZADI KA AMBHI MAHOTSAH**.
YOUR VIDEO WILL BE COMPILED WITH THOSE OF OTHER PARTICIPANTS AND RELEASED ON 15TH AUGUST 2021,
TO SET A RECORD OF THE MAXIMUM NUMBER OF INDIANS SINGING THE NATIONAL ANTHEM TOGETHER!

DIET STUDENT INNOVATIVE IDEA CHALLENGE (DSIIC-2K20) REPORT

Convener : Dr. K. Sujatha, Professor, CSE
Coordinator: Mr. M.R.V.S.G. Gupta, Assistant Professor, Civil Engg.
Dates : August, 2020

DIET Innovation & Incubation Centre, Dadi Institute of Engineering & Technology has successfully organized an Idea Competition “DIET Student innovative IDEA Challenge (DSIIC-2K20)” for DIET students which included current B.Tech, Diploma, MBA and Alumni students. Students have submitted both Technical and non-technical Ideas which are liable for eventually turning to a Startup. The participants have uploaded a brief presentation (6-10 slides) with a title slide including the team members list and mentor details . The remaining slides elaborated their idea. The results were announced in the valedictory session of Role of Innovations in Teaching & Research(RITR-2K20). Dr. Ch. Prabhakara Rao, Principal has announced the prize winners of this Competition. All the participants were awarded e-certificates and best two ideas were awarded with a cash prize and merit certificate. All the mentors who have supported the students were appreciated with special Appreciation Certificates.

Competition Winners

First Prize: Rs. 500 Cash Award

Mr. P Raj Pavan
III B.Tech CIVIL Engineering
"Medical Emergency Services" App - MES

Second Prize: Rs. 250 Cash Award

2. Mr. Balaji and G Pavan kumar from III ECE(A) under the innovative idea on "Sitting Posture & Computer Ergonomics"

DADI INSTITUTE OF ENGINEERING & TECHNOLOGY
(Approved by A.I.C.T.E., New Delhi & Permanently Affiliated to JNTUK, Kakinada)
Recognized under section 2(f) & 12(b) of UGC Act 1956
An ISO 9001:2008, 14001:2004 & OHSAS 18001:2007 Certified Institute

Phone: 9963694444/9963981111, E-Mail: info@diet.edu.in, Web: www.diet.edu.in

Judges

The idea contest was judged by external experts in a transparent way by blind folding.

The following eminent persons have judged the contest.

1. Ms. Sri Sudha S

Assistant Development Engineer

NRDC-MoMSME-Intellectual Property Facilitation Centre & Technology
and Innovation Support centre

National Research Development Corporation (NRDC)

[An Enterprise of DSIR, Ministry of Science and Technology, Government of India]

Rushikonda, Visakhapatnam, AP-530 045

Message by Ms. Sri Sudha S

In this crucial time of Covid pandemic, your institute had conducted the event digitally for bringing out innovative models from the students, On behalf of NRDC, I would like to appreciate the efforts put in by Institute for taking time to think about students good work,

2. Mr. Ch Uday Kumar,

Sr. Manager

IT & ERP DEPT

Visakhapatnam Steel Plant..

Message by Mr. Ch Uday Kumar

It's very heartening to note that DIET Anakapalle, is conducting DIET Student Innovation Idea challenge 2k20 which is aimed at inculcating innovation among the student fraternity. I am very glad and privileged to be a part of this event. Wish the event a grand success and benefit the students.

Objectives:

- To create an environment for exploring Startup Ideas in both Technical and Non-technical areas.
- To nurture and help students in promoting their Ideas to next level.
- To get ready with Ideas for uploading them to External Competitions and funding.

DADI INSTITUTE OF ENGINEERING & TECHNOLOGY
(Approved by A.I.C.T.E., New Delhi & Permanently Affiliated to JNTUK, Kakinada)
Recognized under section 2(f) & 12(b) of UGC Act 1956

Phone: 9963694444/9963981111, E-Mail: info@diet.edu.in, Web: www.diet.edu.in

Outcomes:

- Students have gained confidence in generating and promoting their Ideas.
- Faculties were able to select students who are innovative and guided them to build their Ideas.

Poster Release:

DSIIC-2k20 Poster was released by honorable chairman Sri Dadi Ratnakar. In his message he conveyed that Dadi Institute of Engineering & Technology will always support the students who come forward with Innovative Ideas. He appealed to students to utilize the facilities provided by DIET Innovation & Incubation Centre which is functioning actively in the campus.

Prize Winners Responses

POLISETTI RAJ PAVAN – First Prize

I am Rajpavan P from the 3rd Civil B.Tech. I am very obliged to share my experience with contest DIET Student Innovative Innovation Challenge (DSIIC) 2k20. I thank our college for conducting these type of competitions even during this pandemic time. It is helping us to learn and to gain knowledge at home. It's a good platform to know our best abilities to express innovative ideas we have. It was a great pleasure to share my idea in this event. I have a request to conduct more programs.

BOTTA BALAJI – Second Prize

I would like to thank you for this wonderful event(IIC). I would also like to thank the faculty for being so passionate when finding opportunities for us and giving us honest feedback to help us improve our skills. I'm feeling very happy for participating in such a beautiful event. Once again thank-you #DIET.

INTERNATIONAL YOGA DAY 2K21 CELEBRATIONS @ DIAT

"Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our

lifestyle and creating consciousness, it can help in well being."

In accordance with the guidelines of social-distancing protocol from University Grants Commission (UGC), the NSS Unit of Dadi Institute of Engineering and Technology has organised a virtual

yoga session on 21st June, 2021 to encourage students and faculty members to perform 'Yoga at home and Yoga with family.'

On this occasion, students and faculty members demonstrated various asanas at home. Warm up exercises were taken and all the students performed sitting and

standing asanas, importance of these were explained simultaneously by the yoga instructor Ch. Nageswara Rao virtually through Google classroom. The

celebrations concluded with the speech by our Principal, Dr C. Narasimham. He encouraged students to practice regular yoga to remain fit and enhance concentration. Further, he opined that regular practice of yoga will surely help our students achieve a better life,

physically, mentally and spiritually as well.

Report on Traffic Awareness program conducted under NSS Unit of DIET

NSS Unit of DIET, Anakapalle conducted traffic awareness program on 17-02-2021. The main objective of this program is to make aware of traffic rules and regulations to the youth especially for students. RTA Ravindranath was invited as the chief Guest for this event. RTO Gopala Krishna addressed the students and gathering at seminar hall 1 to take precautions on Road Accidents and played some of the Road Accidents' Videos. Institute Principal Dr. Challa Narasimham Garu presented the Memento and Shal to the Chief Guest.

The photographs show the two dignitaries addressing the gathering. The students and staff coming on the own transport (like bikes) and college bus drivers are participated in this event. Mr. Ravindranath stressed that "problems of Rash and speed driving" while going on streets, he cited some of the mishaps as examples.

On the occasion of world Environmental day on 5th June 2021, DIET NSS unit conducted planation program in the campus. Our faculty Dr.Ch.Prabhakara Rao (HOD H&BS), Dr.P.B.Rama Kumar(HOD MBA) and NSS PO Mr.Kiran Kumar participated in the program.

Babu JagjivanRao Jayanti

To commemorate the birth anniversary of Sri Babu JagjivanRao Jayanti. The Principal of DIET Prof. C.Narasimham garlanded the potratrriat of Babu Jaglivan Rao and paid tributes to the great personality. On this ocaasion Vice Principal Prof. K.S.Eswara Rao and Senior faculty Dr.J.Babu and Dr. Ch.Prabhakara Rao also NSS P.O. Mr. A. Kiran Kumar participated in the tributes.

NSS unit paid rich tributes to Dr.B.R.Ambedkar the principal architect of Indian Constitution on his 130th Birth Anniversary on 14th April 2021. NSS P.O Mr. A.Kiran Kumar has garlanded the portrait of Dr.ambedkar and appealed everyone to go through the lives of great personalities and learn from them.

Republic Day 26-01-2021

72nd Republic Day was celebrated in the institute Campus on 26th January 2021, Prof.C.Narasimham hosted the National flag and has given the Republic Day Message. He referred to the hardships of the Constitution Drafters to provide best possible Constitution for the nation and said that its our duty to strictly adhere to the objectives conveyed in the Preamble of the Constitution. Our N55 Unit volunteers performed formal march saluting the dignitaries on the dais and off the dais

addresses the gathering and suggest all students to learn 'how to build career' from Kalam's life.

On this day , science quiz competitions were held and prizes were distributed to the winners. Respected chairman sir, principal , HOD's from all departments and students are participated in this event.

NSS Unit at DIET Human Rights day on 09Dec 2020.

Human Rights Day is celebrated on the 10th December every year to commemorate the Universal Declaration of Human Rights (UDHR), which was adopted and proclaimed by the General Assembly of the United Nations in 1948 as the shared standard yard stick to protect human rights across the globe. The Declaration recognizes that the inherent dignity and the equal and inalienable rights of mankind are the foundation of justice, freedom and peace in the world. It reaffirms the faith of the people of United Nations in the fundamental human rights.

The theme decided by the United Nations for this year's Human Rights Day, relates to the COVID-19 pandemic and focuses on " the need to recover better by ensuring Human Rights are at the heart of recovery efforts". It emphasizes that "we will reach our common global goals only if we are able to create equal opportunities for all, address the failures exposed and exploited by COVID-19, and apply human rights standards to tackle entrenched, systematic, and inter-generational inequalities, exclusion and discrimination. This day is an opportunity to reaffirm the importance of human rights in re-building the world we want, the need for global solidarity as well as our interconnectedness and shared humanity.

Diet organized Human Rights day in the college premises. The principal told the gathering the significance of human Rights and the gathering includes staff, students and HODs. All are given awareness about RTI acts, National Human Rights comission and different constitutory bodies which are involved in protecting Human Rights.

NATIONAL EDUCATION DAY CELEBRATIONS @DIET 2020

DIET Literary And Cultural Club (DLCC) celebrated National Education Day to commemorate the birth anniversary of India's First Education Minister Maulana Abul Kalam Azad on 11th November, 2020. Prof. Dr Challa. Narasimham, Principal of DIET along with all the Heads of the

Departments

garlanded the portrait of Maulana Abul Kalam Azad and paid rich tributes to Azad. He opined that "Educationists should build the capacities of the spirit of inquiry, creativity, entrepreneurial and moral leadership

among students and become their role model." Besides,

DLCC conducted Elocution competition to all the B. Tech. and Diploma students on 10th November, 2020 as a part of the celebration in the college premises. In this connection, Principal distributed prizes to the winners of the competition.

NSS Unit at DIET celebrated Abdul kalam birthday 15-10-20.

Brief summary of Abdul kalam

Early life and career

Avul Pakir Jainulabdeen Abdul Kalam was an Indian aerospace scientist who served as the 11th president of India from 2002 to 2007. He was born and raised in Rameswaram, Tamil Nadu and studied physics and aerospace engineering. He spent the next four decades as a scientist and science administrator, mainly at the Defence Research and Development Organisation (DRDO) and Indian Space Research Organisation (ISRO) and was intimately involved in India's civilian space program and military missile. He thus came to be known as the Missile Man of India for his work on the development of ballistic missile and launch vehicle technology. He also played a pivotal organizational, technical, and political role in India's Pokhran-II nuclear tests in 1998, the first since the original nuclear test by India in 1974.

President role , Awards

Kalam was elected as the 11th president of India in 2002 with the support of both the ruling Bharatiya Janata Party and the then-opposition Indian National Congress. Widely referred to as the "People's President", he returned to his civilian life of education, writing and public service after a single term. He was a recipient of several prestigious awards, including the Bharat Ratna, India's highest civilian honour.

Loss of Indian former president

While delivering a lecture at the Indian Institute of Management Shillong, Kalam collapsed and died from an apparent cardiac arrest on 27 July 2015, aged 83. Thousands, including national-level dignitaries, attended the funeral ceremony held in his hometown of Rameswaram, where he was buried with full state honors.

Remembering A P J Abdul kalam's contributions to the country, DIET NSS unit hosted an event of gathering all the students and faculty at seminar hall. The principal

Gandhi Jayanti 2-10-2020

On the eve of Birth anniversary of Father of nation Mohandas Karamchand Gandhi, 2nd of October every year in the country celebrates as Gandhi Jayanti.

International Day of Non-Violence as Gandhiji was the Preacher of Non-Violence. He is symbol of peace and truth

On this occasion our Hon'ble Chairman Sri Dadi Ratnakar paid tributes to father of nation Mahatma Gandhi by Garlanding the portrait.

This day was celebrated by the students and faculty members of DIET (Dadi Institute of Engineering and technology) and on this occasion the students participated in various events organized for them.

INDEPENDENCE DAY-15/08/2020

To mark the 75th anniversary of India's 'tryst with destiny' on 15th August 2021, Dadi Institute of Engineering and Technology, Anakapalle celebrated the Independence Day to re-experience the spirit of patriotism and to honor the glorious past of our country. The celebration began with the arrival of Sri Dadi Ratnakar, Chairman, DIET, Dr. I. Balaji, In-charge principal and faculty members. The chairman was escorted by the HODs, staffs to the venue following which he unfurled the tricolor.

After the National Anthem, which raised the patriotic fervor in the crowd, the program moved on with the performance of the cultural clubs of the university. The Dramatics Club energized the day by tapping their feet on the Bollywood beats that made the audience proud on being associated with the life in India. A Bhangra performance also helped people reminisce about the art form that is symbolic to Punjab's culture. The power of the patriotic tones played by the Music Club inspired the audience by reminding them with the glories of our country.

Thereafter Sri Dadi Ratnakar delivered a highly motivating speech and commended the long and consistent efforts put in by the Indian freedom fighters for the country. The DIET observed this historic day with enthusiasm and passed the wish of young children to his country.

Date of Event: 10 /12/2021 & 11/12/2021 [Friday & Saturday]

Timings: 9.00AM to 05.00 PM

Venue: Dadi Institute of Engineering and Technology, Seminar Hall - 1 [Ground Floor]

No. of Beneficiaries: 384 Students, Staff and Parents [Above 18 Years]

Vaccination Dose Given: First and Second [As per Individual Timelines]

Participation Details:

B.Tech 1st year - 35 Students (2021- admitted Batch)

CSE [2nd, 3rd, 4th year] - 129 Students

EEE [2nd, 3rd, 4th year] - 56 Students

ECE [2nd, 3rd, 4th year] - 65 Students

CIVIL [2nd, 3rd, 4th year] - 60 Students

MBA Students - 14

Staff & Parents - 25

Total Participation Count: 384

Brief Summary of the Event:

The year 2021 began with the hope that the development, manufacture, and deployment of vaccines will soon bring the COVID-19 pandemic to an end. Halfway through the year, vaccination is underway across the world, albeit at a much slower pace but on a promising note.

As part of the service orientation, DIET has organized the first of its kind Mega Vaccination drive among the other Engineering colleges of Andhra Pradesh on 10th & 11th December, 2021 under the aegis of Management, Dadi Institute of Engineering and Technology, Anakapalle for its students and their parents owing to the call given by Hon'ble Chief Minister Y S Jagan Mohan Reddy to vaccinate the students so as to save them from the impact of the third wave.

The preparations of the Mega Vaccination drive has begun a week days ago with the identification of students who are 18years plus and who are yet to get the vaccination. The Department NSS Coordinators identified and prepared the list of prospective students to be vaccinated and provided awareness to them as there are a lot of myths with respect to vaccination.

The Vaccination drive kick started with the registration process on the government official vaccination site in Seminar hall-1 where the students have observed the prescribed protocols and have registered. About 384 students from DIET have registered for the mega drive. Before providing the vaccination the team of medical experts and the ANM staff have enquired about the

health of the students and then provided the vaccination to students without health complications.

Inaugurator of the vaccination drive the chairman of DIET Sri Dadi Ratnakar in his address has conveyed that from the past two years this pandemic has shown its devastating impact both on the health and the economy of all nations irrespective of the social status across the globe. He has quoted that the efforts of W.H.O, ICMR have been successful in bringing out Vaccines to terminate this deadly virus. It is now our duty to get vaccinated and develop antibodies to fight the virus. He said that about 384 students have been vaccinated during the mega drive under the medical supervision of Dr. Subramanyam, DMHO.

Vaccination of the students will definitely give an opportunity to normalcy of education sector he added. He appreciated the Chief Minister for the efforts initiated in bringing the past glory for education institutes in the state.

Principal Dr. Challa Narasimham said that very less number of people are getting vaccinated in spite of the efforts made by the administrators as people have their own myths about it. Awareness has to be brought in the public about the evil effects of the pandemic so that they realize the importance of vaccination.

Students have quoted that they are lucky enough to take part in the drive as the vaccination drive for 18 plus is in the initial stage and there is a huge rush at the public health centres as its costly in the private hospitals. They appealed the

management to provide one more drive after stipulated period for the second dose of the vaccination.

The parents and students thanked the management for the initiation of vaccination drive and expressed that this pandemic should end very soon and bring back normalcy.

The drive was a huge success as many students and faculty were vaccinated. Thus DIET has become the first Institute in the state to have vaccinated its students who are 18 plus and it now proudly declares that its faculty and students are 100 percent vaccinated.

The Principal appreciated and felicitated the medical staff lead by Dr.Subramanyam for the noble job they are doing as frontline workers and saving many lives by risking their lives.

The event was supported by all the heads of the departments, faculty members, administrative staff and by parents of the budding engineers.

Report on Human Rights Day and Book talk on 10-12-21 at DIET

The awareness programme on Human Rights Day is conducted on the premises of DIET Campus on 10-12-2021 by NSS team. NSS volunteers from all departments were participated. About 100 students were participated in the program at seminar Hall-2 for this program. On this day Book Talk is conducted by DLCC, Library and NSS. For this program Principal Ch.Narasimham, Librarian DNS Kumar, Vice principal sir and NSS program officer A Kiran, were invited for the program. On this occasion Principal sir enlightened the students about Human Rights and their importance in human life.

Human rights are the basic rights and freedoms that belong to every person in the world, from birth until death. They apply regardless of where you are from, what you believe or how you choose to live your life. They can never be taken away, although they can sometimes be restricted – for example if a person breaks the law, or in the interests of national security. These basic rights are based on shared values like dignity, fairness, equality, respect and independence. These values are defined and protected by law. In order to protect them, National Human Rights Commission was set up in India.

On this occasion, different students shared their views on the topic of Human Rights in a Book Talk conducted.

Report on AIDS day 01-12-2021 at DIET

The awareness programme on AIDS Day is conducted on the premises of DIET Campus on 01-12-2021 by NSS team. NSS volunteers from all departments were participated. Around 200 students were gathered in the premises for this program. Principal sir addressed the gathering.

Acquired immunodeficiency syndrome (AIDS) is a **chronic, potentially life-threatening condition caused by** the human immunodeficiency virus (HIV). By damaging your immune system, HIV interferes with your body's ability to fight infection and disease. HIV causes AIDS and interferes with the body's ability to fight infections.

The virus can be transmitted through contact with infected blood, semen or vaginal fluids. Within a few weeks of HIV infection, flu-like symptoms such as fever, sore throat and fatigue can occur. Then the disease is usually asymptomatic until it progresses to AIDS. AIDS symptoms include weight loss, fever or night sweats, fatigue and recurrent infections. No cure exists for AIDS, but strict adherence to antiretroviral regimens (ARVs) can dramatically slow the disease's progress as well as prevent secondary infections and complications.

The awareness campaign was carried out with charts, prepared by different students. The student volunteers campaigned about this virus in all campus. In this HODs from various departments, faculty, NSS program officer, ANM, PRO participated.

డైట్ కళాశాలలో ఎయిడ్స్ పై అవగాహన సదస్సు

Report on 132th Birth Anniversary of Pandit Jawaharlal nehru

Every year, the country celebrates Children's Day on November 14. The day celebrates and commemorates the birth anniversary of India's first Prime Minister, Jawaharlal Nehru. This is because Nehru was extremely fond of kids and they, in return, affectionately called him 'Chacha Nehru'. Nehru liked children very much. In his rule, he has given very much importance for child education along with setting up various educational institutions including different universities like University of Delhi.

This event, 132nd birth anniversary of Pandit Jawaharlal Nehru, is organized by NSS unit on 13-12-2021. In this program vice principal sir addressed the gathering and told about the valuable contribution done by the first and former prime minister of India. The HODs, deans and NSS volunteers participated in the event. The respected chairman sir shared his valuable thoughts with the children on this event.

Report on National Education day –November-11-2021

National Education Day is observed on November 11 every year, since 2008, to commemorate the birth anniversary of independent India's first education minister Maulana Abul Kalam Azad. He played a significant role in shaping the education system of the country. During his tenure, the UGC, AICTE, Kharagpur Institute of higher education, the University education commission, and the Secondary education commission were set up.

He also contributed to the establishment of educational institutes like Jamia Millia Islamia and IIT Kharagpur.

In DIET, this day, 11-11-2021, celebrated very grandly. On this occasion, Shri.Yerramsetty Abbulub garu, Professor & Chief, Empl. Inf. & Guidance Bureau, CIVIL Engg Dept., ANDHRA UNIVERSITY invited as a chief guest for the event.

The NSS unit conducted this event. On this occasion, principal sir addressed the gathering and remembered the work done in the area of education by former educationist and freedom fighter. In this event all the HOD's, NSS student volunteers and programming officer participated.

NSS student volunteers campaigned about this program in all class rooms prior to this event.

డైట్ ఇంజనీరింగ్ కళాశాలలో జాతీయ విద్యా దినోత్సవం

అనకాపల్లి, మహానగర్: దాడి ఇన్స్టిట్యూట్ ఆఫ్ ఇంజనీరింగ్ కళాశాల లో గురువారం జాతీయ విద్యా దినోత్సవం కార్యక్రమాన్ని నిర్వహించారు. ముందుగా మౌలానా ఆబ్దుల్ కలాం ఆజాద్ చిత్రపటానికి పూలమాలలు వేసి నివాళులర్పించారు. ఈ కార్యక్రమంలో డైట్ ప్రెసిడెంట్ డాక్టర్ సిహెచ్ నరసింహం మాట్లాడుతూ విద్య ప్రాముఖ్యతను వివరించారు. జీవన మనుగడలో విద్య అత్య అవసరమని తెలిపారు. స్వతంత్రం వచ్చినప్పటి నుండి ఇక్కడికి అక్షరాస్యత 78 శాతం చేరుకుందని దానికి మౌలానా ఆబ్దుల్ కలాం ఆజాద్ వంటి విద్యావేత్తలు కారణమని అన్నారు. మొదటి విద్యా శాఖ మంత్రి గా అనేకమైన మార్పులు ఆయన వల్లే జరిగాయన్నారు. ఆబ్దుల్ కలామ్ జయంతి సందర్భంగా జాతీయ విద్యాదినోత్సవం జరుపుకుంటున్నామని ఆయన మంత్రిత్వం లోనే ఆఫీల భారత సాంకేతిక విద్యా సంస్థలు, విశ్వవిద్యాలయాలు, స్థాపించబడ్డాయి అని అన్నారు. డీటెక్ ఫైనల్ ఇయర్ చదువుతున్న హార్షిత మాట్లాడుతూ దేశంలో ఉన్నత ప్రమాణాలతో విద్య నభ్యసించుటకు సైన్స్ సాంకేతిక విద్య తో బాది కలామ్ హయాంలోనే స్థాపించబడింది అని తెలిపారు. ఫైనల్ ఇయర్ సంతోష్ కుమార్ మాట్లాడుతూ తూ.గో కలాం అన్ని మతాలు ఒకటేనని సర్వమత సామరస్యం ఉండాలని అన్నారు తెలిపారు. ఈ కార్యక్రమంలో ఎన్ ఎస్ ఎస్ ప్రోగ్రామ్ ఆఫీసర్ కే కిరణ్ కుమార్, విద్యార్థిని విద్యార్థులు పాల్గొన్నారు.

Report on National Unity day-Birthday celebration of Sardar Vallabhbhai Patel

National Unity Day is celebrated in India on 31 October. It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel who had a major role in the political integration of India.

Sardar Vallabhbhai Patel is a senior Congress leader and first deputy prime minister of Independent India. After independence the integration of different provinces which are under control of Nawabs and Kings in India is a challengeable task for the government. In that situation Patel played a major role and led the government in a proper direction to get unity the result is what the nation is enjoying today. Gandhiji gave him the title "Sardar". The Diet NSS Unit celebrated the birthday of Sardar Patel in the college premises on today i.e., 30-10-2021. On this occasion the principal addressed the gathering and gave a speech on Patel's work during that time. In this event NSS volunteers, HODs of different departments participated. Decorated Patel's photo with flowers and paid the tributes.

Report on APJ Abdul kalam birth anniversary conducted by NSS Unit of DIET

October 15 of every year is celebrated as World Students' Day in honour of former Indian president APJ Abdul Kalam, who was born on the same day in 1931. The day aims to acknowledge the efforts of Kalam towards education and students. The DIET conducted the same event on this event on 13-10-2021 as October 15 is declared holiday in the college premises.

Born in Rameswaram in Tamil Nadu, Kalam studied science and physics during the early years of his life. Kalam dedicated his life to teaching and inspiring students to become the best version of themselves through his insightful lectures. He was also called the 'Missile Man of India' for spearheading the development of the most significant Indian missiles and the country's civilian space programmes. He occupied some of the very distinguished positions as an administrator with the Defence Research and Development Organisation (DRDO) and the Indian Space Research Organisation (ISRO). In 2002, the aerospace scientist became the 11th president of the country. Kalam served the office till 2007 and dedicated his life to teaching after that. He became the visiting professor at the Indian Institute of Management (IIM) in Shillong, IIM-Ahmedabad and IIM-Indore.

On this event , principal C narasimham sir stressed the importance of science and technology in indian defence sector. And the make aware of students the role of missile man of india in this sector.

The event started at 10.40 am in the lobby at ground floor and ended at 11.30 am. In this event NSS student volunteers , faculty coordinators and college NSS coordinator take active participation.

Report on Campaigning of awareness on "Plastic free campus"- awareness by NSS Students

As a part of Green campus initiative , NSS registered students took active participation in cleaning works of campus and making it as a plastic free campus. The student volunteers taken the permission from management to participate in the green campus initiative.

As a part of it they prepared some charts which explain how energy can be conserved , different means by which the campus can be made clean. As a part of it students with help of non teaching staff in the campus cleaned different areas of campus like vehicle parking area, canteen area, and student play ground and back side of campus. They campaigned for the plastic free - Green campus at different labs and class rooms. As a part of it, they approached all the staff members with green campus initiatives and explained them.

Pictures are taken at different times of their work are attached to this report.

Report on Teacher's day 5-09-2021

We celebrate September 5 every year as a day to pay tribute to Dr Radhakrishnan and also to all the teachers in the nation who toil to help students learn. Much of the importance of this occasion lies in how it came to pass. Dr Sarvepalli Radhakrishnan was a professor, philosopher and bureaucrat all rolled into one.

At DIET, this day is celebrated in a very respectful manner. All the students of institution are encouraged to come to the institute in traditional formal. A meeting was held at seminar hall 1, where principal, vice principal, HODs, all staff and most of the students are participated. Principal stressed out the role of teacher in moulding students, dignitaries delivered their views and gave directions to the younger faculty in their career.

The program started with prayer song followed by lighting oil lamp at seminar hall. The photo of Dr Radhakrishnan was decorated with flowers available in the garden of college premises. The principal and senior faculty shared their opinions and gave directions to young faculty. The students distributed their own contributed gifts to the faculty members, and the program ended with felicitation to the senior most staff members and professors in the institution.

ECE [2nd, 3rd, 4th year] - 120 Students

CIVIL [2nd, 3rd, 4th year] - 112 Students

MBA Students - 29

DVN Students - 35

Total Participation Count: 782

Brief Summary of the Event:

The year 2021 began with hope that the development, manufacture, and deployment of vaccines will soon bring the COVID-19 pandemic to an end. Halfway through the year, vaccination is underway across the world, albeit at a much slower pace but on a promising note.

As part of the service orientation of the institute DIET has organized the first of its kind Mega Vaccination drive in the Engineering colleges of Andhra Pradesh on Thursday 26th August, 2021 under the aegis of Management, Dadi Institute of Engineering and Technology, Anakapalle for its students and their parents owing to the call given by Hon'ble Chief Minister Y S Jagan Mohan Reddy to vaccinate the students so as to save them from the impact of the third wave.

The preparations of the Mega Vaccination drive had begun a week days ago with the identification of students who are 18years plus and who are yet to get the vaccination. The class teachers and Mentors identified and prepared the list of prospective students to be vaccinated and provided awareness to them as there are a lot of myths with respect to vaccination.

The Vaccination drive kick started with the registration process on the government official vaccination site in Computer Lab-I where the students have observed the prescribed protocols and have registered. About 600 students from DIET and 200 students from DVN College have registered for the mega drive. Before providing the vaccination the team of medical experts and the ANM staff have enquired about the

health of the students and then provided the vaccination to students without health complications.

Inaugurator of the vaccination drive the chairman of DIET Sri Dadi Ratnakar in his address has conveyed that from the past two years this pandemic has shown its devastating impact both on the health and the economy of all nations irrespective of the social status across the globe. He has quoted that the efforts of W.H.O, ICMR have been successful in bring out Vaccines to terminate this deadly virus. It is now our duty to get vaccinated and develop antibodies to fight the virus. He said that about 800 students have been vaccinated during the mega drive under the medical supervision of Dr. Tirupathi Rao.

Vaccination of the students will definitely give an opportunity to normalcy of education sector he added. He appreciated the Chief Minister for the efforts initiated in bringing the past glory for education institutes in the state.

Principal Dr. Challa Narasimham said that very less number of people are getting vaccinated in spite of the efforts made by the administrators as people have their own myths about it. Awareness has to be brought in the public about the evil effects of the pandemic so that they realize the importance of vaccination.

Students have quoted that they are lucky enough to take part in the drive as the vaccination drive for 18 plus is in the initial stage and there is a huge rush at the public health centres and it's costly in the private hospitals. They appealed the management to provide one more drive after stipulated period for the second dose of the vaccination.

They parents and students thanked the management for the initiation of vaccination drive and expressed that this pandemic should end very soon and bring back normalcy.

The drive was a huge success as many students and faculty were vaccinated. Thus DIET has become the first Institute in the state to have vaccinated its students who are 18 plus and it now proudly declares that its faculty and students are 100 percent vaccinated.

The management appreciated and felicitated the medical staff lead by Dr. Tirupathi Rao for the noble job they are doing as frontline workers and saving many lives by risking their lives.

The event was supported by all the heads of the departments, faculty members, administrative staff and by parents of the budding engineers.
