Diwali, or Dipawali, is India's biggest and most important holiday of the year. The festival gets its name from the row (avali) of clay lamps (deepa) that Indians light outside their homes to symbolize the inner light that protects from spiritual darkness. This festival is as important to Hindus as the Christmas holiday is to Christians.

Diyas of a variety of designs are distributed to all the faculty on the eve of Diwali. A great support was given from the audience. All our students who took part in the competition made the competition a great success.

Sri **Dadi Ratnakar**, Chairman of Dadi Institute of Engineering & Technology, appreciated all students who participated in the event with a discourse on diwali event by encouraging all our traditions and conveyed pongal wishes .

Dr **Ch S Naga Prasad**, Principal of DIET conveyed his Diwali wishes to all students and appreciated all participated students
