7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Institute has taken following efforts /initiatives for providing inclusive environment to enhance harmony towards cultural, regional, linguistic, communal, social economic and other diversities. Every year the institute prepares an academic calendar to keep students, faculty, and staff reminded of key dates throughout the academic semester and year. Academic calendar will pertain the information related to all important days (Like Abdul kalam Anniversary, Yoga Day, Christmas day etc.) which are celebrated at the institute level. To incorporate the Multi Linguistic and Cultural diversity as well as to promote equal use of all national religions throughout the Institution, we celebrate Pongal, Diwali, Christmas etc. We have organized various sessions on Indian Knowledge System and the policies implemented in NEP 2020. The aim of this celebration is to inculcate the students about various cultures and create an equality among the students irrespective of caste and religion. Our country is well known for its history. We promote the pride of our country by conducting events like Azadi ka Amrit Mahotsav, book-reading events, quizzes, poetry and literature exchanges, and other activities that promote the language. The annual magazine of the institute, “DIET Memoir” contains articles in different languages. Every year, the National Service Scheme (NSS) unit of the institute organizes a week long camp in schools at rural areas. Students make children aware of various social issues such as women empowerment, farmer suicide, female feticide and gender equity etc. To celebrate Women’s day, the institute organizes various sessions for women employees and students for increasing awareness related to women’s rights, safety, security and health issues. To protect environment and to preserve our ecosystem institute routinely organize activities like tree plantation, Swachh Bharat and traffic management. These activities protect our cultural heritage and make our students active citizen of Swachh Bharat Mission. Annual Donating blood is a great way of giving back to our community because there is a constant need for blood in blood
