21. Give three observation / suggestions to improve the overall teaching “ learning experience in your institution.

No

Good

More practical knowledge...

Need more practical knowledge

All are good in college.

Improve the activities

Very good in economics and improve the other activities for students in starting of the 1st year

Everything is good

Provide more useful internships and they plan for industrial visits.

Everything is good

It will be more useful for the students if more opportunities and Internships are provided. Subjects have to be taught in a more effective manner by providing digital classes.

Overall teaching is excellent

Monitoring the each and every student

Infrastructure is good

Overall teaching is excellent with good library and efficient faculty

- 1- make the rules in such a way that they can't be overruled/misused
- 2- encourage any kind of ideas
- 3- there need to be a student body for personality and motivation.

We want some extra classes for our personal improvement

~~Teachers have explain the answers~~
more effectively by live examples
If they conduct tests weekly once like that then definitely every student will study and there will be a very rapid increment in their

- 1) Institute need to bring more placements to student.
- 2) Need to bring more internships.
- 3) providing Industrial visits .
