### A SESSION ON EMPLOYMENT OPPORTUNITIES

The Career Guidance cell of Dadi Institute of Engineering and Technology has organized a session on Employment opportunities in Public & Private sectors to the III B.Tech students on 9<sup>th</sup> February, 2018.

Founder Director of Smart Steps India Pvt Ltd Mr. Lavanya kumar was the recourse person. He has given a

wonderful talk on the opportunities for the engineering students especially in the public sector. He also felt that private sector has more employment opportunities which the young techies have to target. He also stressed the need of self employment. He felt that the young engineers have to work on becoming entrepreneurs and initiate their start ups.

Career Guidance cell in charge Mr. Palla Venkata Murali has conveyed that if any student has innovative ideas and wants to give shape to it can consult him to take it to the next level.

The management has expressed its concern towards supporting the student startups and has come forward to establish EDC cell with the necessary infrastructure to support the innovative ideas of the students.
