A Report on Bug Bash Arena

Title: Bug Bash Arena (“In the Arena of Code, Skill Speaks Louder.”)

Description:

Bug Bash Arena was organized as an interactive technical activity designed to strengthen students' debugging abilities and logical thinking. The event challenged participants to identify errors in given code segments and apply efficient solutions within a competitive environment. It aimed to enhance analytical skills, improve coding accuracy, and promote a deeper understanding of common programming pitfalls. By encouraging quick decision-making and structured problem-solving, the event created an engaging platform for learners to refine their technical competence and build confidence in handling real-world coding challenges.

Event Details:

Event Name: Bug Bash Arena

Date: 21st November

Time: 2:00 PM – 4:00 PM

Venue: LH-22, DADI Institute of Engineering & Technology

Organized By: Computer Society of India (CSI) – DIET Student Chapter

Participation Fee:

- Free for CSI and ACM members
- ₹25 for non-CSI and non-ACM member

Feedback:

The report presents a clear and well-structured overview of the event, effectively capturing its purpose, process, and student engagement. The content reflects thoughtful observation and demonstrates an understanding of how such activities contribute to skill development. The explanations are concise yet informative, offering a meaningful reflection on the learning

outcomes. Overall, the report is well-prepared, organized, and communicates the essence of the event in a coherent and professional manner.

Conclusion:

In conclusion, the event proved to be a valuable opportunity for students to strengthen their technical abilities and engage in constructive competition. It successfully encouraged participants to think critically, solve problems efficiently, and deepen their understanding of programming concepts. The experience not only enhanced individual confidence but also promoted a collaborative learning atmosphere. Overall, the event achieved its objectives and contributed meaningfully to the academic and skill development of the participants.
